Upon any such registration or transfer, a new certificate evidencing the shares of Series A Common Equivalent Preferred Stock so transferred shall be issued to the transferee and a new certificate evidencing the remaining portion of the shares not so transferred, if any, shall be issued to the transferring Holder, in each case, within three Business Days.

Section 3. Dividends.

a) Holders shall be entitled to participate equally and ratably with the holders of shares of Class A Common Stock in all cash dividends paid on the shares of Class A Common Stock based on the number of shares of Class A Common Stock held by each such holder (determined on an as-converted to Class A Common Stock basis, based on the then-effective Conversion Rate and without giving effect to the Beneficial Ownership Cap (as defined below)) as of the record date fixed for determining those entitled to receive such distribution.

b) In the event the Company shall declare a distribution on the Class A Common Stock payable in securities of other Persons, evidences of indebtedness issued by the Company or other Persons or other assets (excluding cash dividends distributed in accordance with Section 3(a)), including options or rights to purchase any such securities or evidences of indebtedness or securities convertible into any of the foregoing, then, in each such case the holders of the Series A Common Equivalent Preferred Stock shall be entitled to a proportionate share of any such distribution pursuant to this Section 3(b) as though they were the holders of the number of shares of Class A Common Stock into which their shares of Series A Common Equivalent Preferred Stock

are convertible based on the then-effective Conversion Rate (without giving effect to the Beneficial Ownership Cap) as of the record date fixed for the determination of the holders of Class A Common Stock of the Company entitled to receive such distribution. Notwithstanding anything herein to the contrary, (i) any distribution on the Class A Common Stock in the form of Class A Common Stock or any Common Stock Equivalents shall be subject to the terms of Section 7(a) and not this Section 3(b), and (ii) the conversion, exchange or exercise of any Common Stock Equivalent distributed in respect of shares of Series A Common Equivalent Preferred Stock into or for Class A Common Stock shall be subject to the provisions of Section 6(b) hereof, as if incorporated directly in such Common Stock Equivalent, *mutatis mutandis*.

Section 4. Voting Rights. Except as otherwise provided herein or as otherwise required by the DGCL, the Series A Common Equivalent Preferred Stock shall have no voting rights. However, as long as any shares of Series A Common Equivalent Preferred Stock are outstanding, in addition to any other requirement of the DGCL or the Certificate of Incorporation, without the affirmative vote or written consent of the Requisite Majority Holders, the Company shall not (by amendment, merger or otherwise) (a) alter or change the powers, preferences or rights of the Series A Common Equivalent Preferred Stock so as to affect them adversely or otherwise alter or amend this Certificate of Designation, or (b) amend, modify or repeal any provision of the Certificate of Incorporation or the By-Laws in a manner that would adversely affect or otherwise impair the rights of the Holders pursuant to this Certificate of Designation relative to the holders of shares of Class A Common Stock; provided, that, the Company shall not be required to obtain the consent of any holders of Series A Common Equivalent Preferred Stock (in their capacity as such) in order to effect a Fundamental Transaction, provided such Fundamental Transaction is effected in accordance with Section 7(b). Notwithstanding any provision of the Certificate of Incorporation or the By-Laws to the contrary, any vote of the holders of Series A Common Equivalent Preferred Stock required under the terms of the DGCL, this Certificate of Designation or otherwise may be taken by written consent or electronic transmission.

Section 5. Rank; Liquidation.

a) Rank. The Series A Common Equivalent Preferred Stock shall rank (i) senior to all of the Class A Common Stock; (ii) senior to any class or series of capital stock of the Company hereafter created specifically ranking by its terms junior to any Series A Common Equivalent Preferred Stock ("Junior Securities"); (iii) on parity with any class or series of capital stock of the Company created specifically ranking by its terms on parity with the Series A Common Equivalent Preferred Stock ("Parity Securities"); and (iv) junior to any class or series of capital stock of the Company hereafter created specifically ranking by its terms senior to any Series A Common Equivalent Preferred Stock ("Senior Securities"), in each case, as to dividends or distributions of assets upon liquidation, dissolution or winding up of the Company, whether voluntarily or involuntarily.

b) Liquidation, Dissolution, or Winding Up. Subject to any superior liquidation rights of the holders of any Senior Securities of the Company and the rights of the Company's existing and future creditors, upon any voluntary or involuntary liquidation, dissolution or winding up of the Company, each Holder shall be entitled to be paid out of the assets of the Company legally

available for distribution to stockholders, prior and in preference to any distribution of any of the assets or surplus funds of the Company to the holders of the Class A Common Stock and Junior Securities and *pari passu* with any distribution to the holders of Parity Securities, an amount equal to the greater of (i) the sum of the Series A Common Equivalent Liquidation Amount for each share of Series A Common Equivalent Preferred Stock held by such Holder and an amount equal to any dividends declared but unpaid thereon and (ii) the amount the Holders would have received had such Holders, immediately prior to such voluntary or involuntary liquidation, dissolution or winding up of the Company, converted such shares of Series A Common Equivalent Preferred Stock into Class A Common Stock (based on the then effective Conversion Rate and without giving effect to the Beneficial Ownership Cap or any other limitations on conversion set forth herein). Holders of Series A Common Equivalent Preferred Stock shall not be entitled to any further payments in the event of any such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company other than what is expressly provided for in this Section 5 and will have no right or claim to any of the Company's remaining assets.

Section 6. Conversion.

a) Conversions at Option of Holder. Shares of Series A Common Equivalent Preferred Stock shall be convertible, at any time and from time to time from and after the date of issuance, at the option of the Holder thereof, into fully paid and non-assessable shares of Class A Common Stock at the rate of 100 shares of Class A Common Stock for each share of Series A Common Equivalent Preferred Stock held by such Holder, subject to adjustment as provided herein (the "Conversion Rate"). Holders shall effect conversions by providing the Company with the form of conversion notice attached hereto as Annex A (a "Notice of Conversion") duly completed. The Notice of Conversion shall specify the number of shares of Series A Common Equivalent Preferred Stock to be converted. The "Conversion Date," or the date on which a conversion shall be deemed effective, shall be defined as the Trading Day that the completed Notice of Conversion is sent by electronic mail or facsimile to, and received during regular business hours by, the Company. The calculations and entries set forth in the Notice of Conversion shall control in the absence of verifiable mathematical error. Shares of Series A Common Equivalent Preferred Stock converted into Class A Common Stock in accordance with the terms hereof shall be canceled and shall not be reissued. Shares of Series A Common Equivalent Preferred Stock so converted shall resume the status of authorized but unissued shares of preferred stock and shall no longer be designated as Series A Common Equivalent Preferred Stock as set forth in Section 8(h). No ink-original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise be required, and no Holder shall be required to physically surrender any certificate(s) representing the Series A Common Equivalent Preferred Stock to the Company until all shares of Series A Common Equivalent Preferred Stock represented by such certificate(s) have been converted in full, in which case the applicable Holder shall surrender such certificate(s) to the Company for cancellation on the date the final Notice of Conversion is delivered to the Company. Delivery of a Notice of Conversion with respect to a partial conversion shall have the same effect as cancellation of the original certificate(s) representing such shares of Series A Common Equivalent Preferred Stock and issuance of a certificate representing the remaining shares of Series A Common Equivalent Preferred Stock. In

accordance with the preceding sentence, upon the written request of the applicable Holder and the surrender of certificate(s) representing Series A Common Equivalent Preferred Stock, the Company shall, within three Trading Days of such request, deliver to such Holder certificate(s) (as specified by such Holder in such request) representing such remaining shares of Series A Common Equivalent Preferred Stock.

b) Beneficial Ownership Limitation. Notwithstanding anything herein to the contrary, the Company shall not effect any conversion of the Series A Common Equivalent Preferred Stock, and a Holder shall not have the right to convert any portion of the Series A Common Equivalent Preferred Stock, to the extent that, upon such conversion, the number of shares of Class A Common Stock then beneficially owned by such Holder and its Attribution Parties, but excluding shares beneficially owned by virtue of the ownership of securities or rights to acquire securities that have limitations on the right to convert, exercise or purchase similar to the limitation set forth hereinafter, would exceed 4.9% of the total number of shares of Class A Common Stock then issued and outstanding (the "Beneficial Ownership Cap"); provided that the Beneficial Ownership Cap shall not apply to the extent that the Class A Common Stock is not deemed to constitute a Registered Equity Security. For purposes hereof, the Company may rely, in good faith, on the Beneficial Ownership Representation (as defined below) deemed to be made by such Holder by its delivery of a Notice Conversion to the Company. For purposes hereof, "group" has the meaning set forth in Section 13(d) of the Exchange Act and applicable regulations of the SEC, and the percentage beneficially owned by such Holder shall be determined in a manner consistent with the provisions of Section 13(d) of the Exchange Act. For purposes hereof, each Holder may rely on the number of outstanding shares of Class A Common Stock as set forth in the Company's most recent annual report filed with the SEC, or any report filed by the Company with the SEC subsequent thereto, in each case, unless the Company has confirmed to such Holder the number of shares of Class A Common Stock outstanding as provided in the next sentence (in which case such Holder may rely upon such confirmation). Upon the written request of such Holder, the Company shall, within two Trading Days, confirm in writing to such Holder the number of shares of Class A Common Stock then outstanding. Each delivery of a Notice of Conversion by a Holder will constitute a representation by such Holder that it has evaluated the limitation set forth in this paragraph and determined that the issuance of the full number of shares of Class A Common Stock requested in such Notice of Conversion is permitted under this paragraph (the "Beneficial Ownership Representation"). For purposes of this Section 6(b), the number of shares of Class A Common Stock beneficially owned by such Holder and its Affiliates shall include the number of shares of Class A Common Stock issuable upon conversion of the Series A Common Equivalent Preferred Stock subject to the Notice of Conversion with respect to which such determination is being made, but shall exclude the number of shares of Class A Common Stock which are issuable upon (A) conversion of the remaining, unconverted Series A Common Equivalent Preferred Stock beneficially owned by such Holder or any of its Affiliates, and (B) exercise, exchange or conversion of the unexercised, unexchanged or unconverted portion of any other securities of the Company subject to a limitation on conversion, exchange or exercise analogous to the limitation contained herein (including the Series A Preferred Stock and any other class or series of Preferred Stock and warrants) beneficially owned by such Holder or any of its Affiliates.

c) Mechanics of Conversion

i. Delivery of Certificate or Electronic Issuance Upon Conversion. Upon receipt or deemed receipt by the Company of a copy of each Notice of Conversion (and, if required by Section 6(a), any certificate(s) representing the Series A Common Equivalent Preferred Stock), the Company shall promptly send, via electronic mail, a confirmation of receipt of such Notice of Conversion to the Holder and the Company's designated transfer agent (the "Transfer Agent"), which confirmation to the Transfer Agent shall constitute an instruction to the Transfer Agent to issue the applicable Conversion Shares in accordance with such Notice of Conversion. On or before the second Trading Day (or, if earlier, the end of the Standard Settlement Period) following the date of receipt or deemed receipt by the Company of the Notice of Conversion, if any Unrestricted Condition (as defined below) is satisfied as of the Conversion Date, the Transfer Agent shall credit such aggregate number of Conversion Shares to which the Holder shall be entitled to the Holder's or its designee's balance account with The Depository Trust Company ("DTC") through its Deposit/Withdrawal at Custodian ("DWAC") system for the number of Conversion Shares to which the Holder shall be entitled (such delivery deadline, the "Share Delivery Date"), or if none of the Unrestricted Conditions is satisfied as of the Conversion Date, the Company shall, on or before the Share Delivery Date, issue and deliver to the Holder or its designee certificates, registered in the name of the Holder or its designee, representing the aggregate number of shares of Class A Common Stock to which the Holder shall be entitled. Subject to any transfer restrictions or lock-up provisions to which such Holder may then be subject under the By-Laws, the Conversion Shares will be freely transferable, and will not contain a legend restricting the resale or transferability of the Conversion Shares, if any of the Unrestricted Conditions is met with respect thereto. If such shares are not delivered to or as directed by the applicable Holder by the Share Delivery Date, the applicable Holder shall be entitled to elect to rescind such Notice of Conversion by written notice to the Company at any time on or before receipt of such shares, in which event the Company shall promptly return to such Holder any Series A Common Equivalent Preferred Stock certificate delivered to the Company, and such Holder shall promptly direct the return of any shares of Class A Common Stock delivered to the Holder through the DWAC system, representing the shares of Series A Common Equivalent Preferred Stock unsuccessfully tendered for conversion to the Company.

ii. Reservation of Shares Issuable Upon Conversion. The Company covenants that it will at all times reserve and keep available out of its authorized and unissued shares of Class A Common Stock for the sole purpose of issuance upon conversion of the Series A Common Equivalent Preferred Stock and payment of dividends on the Series A Common Equivalent Preferred Stock, each as herein provided, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holders of the Series A Common Equivalent Preferred Stock, not less than such aggregate number of shares of the Class A Common Stock as shall be issuable (taking into account the adjustments pursuant to Section 7 and without regard to the Beneficial Ownership Cap) upon the conversion of all outstanding shares of Series A Common Equivalent Preferred Stock. The Company

covenants that all shares of Class A Common Stock that shall be so issuable shall, upon issuance, be duly authorized, validly issued, fully paid and nonassessable.

iii. Obligation Absolute. Subject to Section 6(b) hereof and subject to a Holder's right to rescind a Notice of Conversion pursuant to Section 6(c)(i), the Company's obligation to issue and deliver Conversion Shares upon conversion of Series A Common Equivalent Preferred Stock in accordance with the terms hereof is absolute and unconditional, irrespective of any action or inaction by a holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such holder or any other Person of any obligation to the Company or any violation or alleged violation of law by such holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to such holder in connection with the issuance of such Conversion Shares.

iv. Fractional Shares. No fractional shares or scrip representing fractional shares of Class A Common Stock shall be issued upon the conversion of the Series A Common Equivalent Preferred Stock. As to any fraction of a share which a Holder would otherwise be entitled to receive upon such conversion, the Company shall round down to the next whole share.

v. Taxes. The Company shall be responsible for paying, and the issuance of certificates for shares of the Class A Common Stock upon conversion of the Series A Common Equivalent Preferred Stock shall be made without charge to any Holder for, any stamp, court or documentary, intangible, filing or similar taxes that may be payable in respect of the issuance or delivery thereof, provided, however, that following a transfer of shares of Series A Common Equivalent Preferred Stock by a Holder to an Independent Third Party Transferee that is not organized in the United States, such Third Party Transferee shall be responsible for paying any stamp, court or documentary, intangible, filing or similar taxes that may be payable in respect of the issuance or delivery of the certificates for shares of the Class A Common Stock upon conversion of the Series A Common Equivalent Preferred Stock by such Independent Third Party Transferee. The Company shall in no event be required to pay any such tax that may be payable in respect of any transfer involved in the issuance or delivery of shares of Series A Common Equivalent Preferred Stock, shares of Class A Common Stock or other securities in a name other than the name in which the shares of Series A Common Equivalent Preferred Stock with respect to which such shares or other securities are issued or delivered were registered, or in respect of any payment to any Person other than a payment to the registered holder thereof, and shall not be required to make any such issuance, delivery or payment, unless and until the Person otherwise entitled to such issuance, delivery or payment has paid to the Company the amount of any such tax or has established, to the satisfaction of the Company, that such tax has been paid or is not payable.

vi. Status as Common Stockholder. Effective as of the delivery by a Holder of the Notice of Conversion by such Holder by facsimile or electronic mail, as provided herein, subject to Section 6(b) hereof, (A) the shares of Series A Common Equivalent Preferred Stock being converted shall be deemed converted into shares of Class A Common Stock, (B) such Holder shall be deemed the Holder of record of such applicable Conversion Shares, and (C) subject to a Holder's right to rescind a Notice of Conversion pursuant to Section 6(c)(i), such Holder's rights as a Holder of such converted shares of Series A Common Equivalent Preferred Stock shall cease and terminate, excepting only the right to receive electronic delivery of such shares, and to any remedies provided herein or otherwise available at law or in equity to such Holder because of a failure by the Company to comply with the terms of this Certificate of Designation. In all cases, the Holder shall retain all of its rights and remedies for the Company's failure to convert Series A Common Equivalent Preferred Stock.

d) Legends.

i. Restrictive Legend. The Holder understands that, except as otherwise specified pursuant to Section 6(d)(ii), the certificates representing shares of Series A Common Equivalent Preferred Stock and the Conversion Shares shall bear a restrictive legend in substantially the following form (and a stop-transfer order consistent therewith may be placed against transfer of such certificates):

"THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR ANY STATE SECURITIES LAWS AND NEITHER THE SECURITIES NOR ANY INTEREST THEREIN MAY BE OFFERED, SOLD, TRANSFERRED, PLEDGED, ASSIGNED OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT."

ii. Removal of Restrictive Legend. Notwithstanding the foregoing and subject to the transfer restrictions in the By-Laws, the certificates evidencing the shares of Series A Common Equivalent Preferred Stock and the Conversion Shares, as applicable, shall not contain any legend (or be subject to any stop transfer instruction) restricting the transfer thereof (including the legend set forth above in subsection 6(d)(i)): (A) if issued in a transaction exempt from registration pursuant to Section 3(a)(9) of the Securities Act in exchange for outstanding securities of the Company that do not, and are not required to, bear a restrictive legend (including Conversion Shares issued upon conversion of shares of Series A Common Equivalent Preferred Stock issued in exchange for any such outstanding securities); (B) while a registration statement covering the sale or resale of such shares is effective under the Securities Act, subject to the Holder's delivery to the Company of an undertaking that such Holder will only sell or otherwise transfer such shares pursuant to an effective registration under the Securities Act or pursuant to Rule 144 (if available), and that if such securities are sold pursuant to a registration statement, they will be sold in compliance with the plan of distribution set forth therein (the "Undertaking"), provided

that no Holder shall be required to give an Undertaking in respect of shares as to which a prior Undertaking has been delivered by such Holder and not been withdrawn by such Holder; (C) if the Holder provides customary paperwork to the effect that it has sold such shares pursuant to Rule 144; or (D) if such shares are eligible for sale under Rule 144(b)(1) (without the application of Rule 144(c)(1)) as set forth in customary non-affiliate paperwork provided by the Holder; (E) if at any time on or after the date that is one year after the Form 10 Disclosure Filing Date the Holder certifies that it is not an Affiliate of the Company and has not been an Affiliate of the Company for a period of three months and that the Holder has satisfied its holding period for purposes of Rule 144 (including, for the avoidance of doubt, subsection (d)(3)(ii) thereof) of at least six months; or (F) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the SEC) as determined in good faith by counsel to the Company or set forth in a legal opinion delivered by Katten Muchin Rosenman LLP or other nationally recognized counsel to the Holder (collectively, the "Unrestricted Conditions"). Subject to the terms and conditions hereof, upon the reasonable request of the Holder, the Company shall cause its counsel to issue a legal opinion to the Transfer Agent promptly after the Non-affiliation Date, or at such other time as any of the Unrestricted Conditions has been satisfied, if required by the Company's Transfer Agent, to effect the issuance of the shares of Series A Common Equivalent Preferred Stock or the Conversion Shares without a restrictive legend or removal of the legend hereunder. If any of the Unrestricted Conditions is met at the time of issuance of any shares of Series A Common Equivalent Preferred Stock or Conversion Shares, as applicable, then such shares shall be issued free of all legends. The Company agrees that at such time as any of the Unrestricted Conditions is met or such legend is otherwise no longer required under this Section 6(d)(ii), it will, as promptly as reasonably practicable, and, in the case of Conversion Shares, no later than two Trading Days (or, if less, the number of days comprising the Standard Settlement Period) following the delivery by the Holder to the Company or the Transfer Agent of a certificate representing Series A Common Equivalent Preferred Stock or Conversion Shares, as applicable, issued with a restrictive legend, deliver or cause to be delivered to such Holder a certificate (or electronic transfer) representing such shares that is free from all restrictive and other legends.

iii. Conversion upon Certain Transfers. In the event any Holder of shares of Series A Common Equivalent Preferred Stock sells, transfers, assigns or otherwise disposes of any shares of Series A Common Equivalent Preferred Stock to any person other than an Attribution Party of such Holder (an "Independent Third Party Transferee"), and after giving effect to such transaction the number of shares of Class A Common Stock (and any other class of a Registered Equity Security of the Company) then beneficially owned by such Independent Third Party Transferee, together with its Attribution Parties, would, upon conversion or exercise in full of the shares of Series A Common Equivalent Preferred Stock and any other securities convertible into or exercisable for, or rights to acquire Class A Common Stock or any other class of Registered Equity Security of the Company (in each case, without giving effect to the Beneficial Ownership Cap or any other similar limitation on conversion or exercise), held by such Independent Third Party and its

Attribution Parties, be less than the Beneficial Ownership Cap, then the Company will have the right, exercisable at its election within 10 Business Days following the date the Company or its Transfer Agent is notified of such transfer, to cause all, but not less than all, of the shares of Series A Common Equivalent Preferred Stock so transferred to automatically convert into Conversion Shares without any further action on the part of such Independent Third Party Transferee (a "Transferee Conversion"). In the event the Company elects to exercise its right to effect a Transferee Conversion, the Company will send to such Independent Third Party Transferee a written notice of such Transferee Conversion (a "Transferee Conversion Notice"). Promptly, and in any event within one (1) Trading Day, following delivery of the Transferee Conversion Notice, the Company will send, via electronic mail, to the Transfer Agent an instruction to issue the applicable Conversion Shares to such Independent Third Party Transferee (or to a designee previously identified in writing by such Independent Third Party Transferee) in accordance with such Transferee Conversion Notice. On or before the second Trading Day following the date of receipt by such Independent Third Party Transferee of the Transferee Conversion Notice, if any Unrestricted Condition is satisfied as of the date of the Transferee Conversion Notice, the Transfer Agent shall credit such aggregate number of Conversion Shares to which such Independent Third Party Transferee shall be entitled to such Independent Third Party Transferee's balance account with DTC through its DWAC system, or if none of the Unrestricted Conditions is satisfied as of the date of the Transferee Conversion Notice, the Company shall, on or before the Share Delivery Date, issue and deliver to such Holder certificates, registered in the name of the Independent Third Party Transferee, representing the aggregate number of shares of Class A Common Stock to which the Independent Third Party Transferee shall then be entitled. Subject to any transfer restrictions or lock-up provisions to which the Series A Common Equivalent Preferred Stock so converted may then be subject under the By-Laws, the Conversion Shares will be freely transferable, and will not contain a legend restricting the resale or transferability of the Conversion Shares, if any of the Unrestricted Conditions is met with respect thereto.

e) Mandatory Conversion at the Company's Election. In the event that a Holder, together with its Attribution Parties would, upon conversion or exercise in full of the shares of Series A Common Equivalent Preferred Stock and any other securities convertible into or exercisable for, or rights to acquire Class A Common Stock or any other class of Registered Equity Security of the Company (in each case, without giving effect to the Beneficial Ownership Cap or any other similar limitation on conversion or exercise), held by such Holder and its Attribution Parties, beneficially own, less than 4.5% of the outstanding Class A Capital Stock of the Company or any other class of a Registered Equity Security of the Company for a continuous period of at least six months (the "Mandatory Conversion Condition"), then, following the expiration of such six month period, the Company will have the right, exercisable at its election on any date that the Mandatory Conversion Condition and any Unrestricted Condition are satisfied, to cause all, but not less than all, of the shares Series A Common Equivalent Preferred Stock of such a Holder to automatically convert into Conversion Shares without any further action on the part of such Holder (a "Mandatory Conversion"). In the event the Company elects to exercise its right to effect a Mandatory Conversion, the Company will send to such Holder(s) a written notice of such

Mandatory Conversion (a "Mandatory Conversion Notice"). Promptly, and in any event within one Trading Day, following delivery of the Mandatory Conversion Notice, the Company will send, via electronic mail, to the Transfer Agent an instruction to issue the applicable Conversion Shares to such Holder (or to a designee previously identified in writing by such Holder) in accordance with such Mandatory Conversion Notice. On or before the second Trading Day following the date of receipt by such Holder of the Mandatory Conversion Notice, the Transfer Agent shall credit such aggregate number of Conversion Shares to which such Holder shall be entitled to such Holder's balance account with DTC through its DWAC system. Subject to any transfer restrictions or lock-up provisions to which the shares of Series A Common Equivalent Preferred Stock so converted may then be subject under the By-Laws, the Conversion Shares will be freely transferable, and will not contain a legend restricting the resale or transferability of the Conversion Shares.

Section 7. Certain Adjustments.

a) Stock Dividends and Stock Splits. If the Company, at any time while the Series A Common Equivalent Preferred Stock is outstanding: (A) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Class A Common Stock on shares of Class A Common Stock or any other Common Stock Equivalents (which, for avoidance of doubt, shall not include the issuance by the Company of any shares of Class A Common Stock upon conversion of this Series A Common Equivalent Preferred Stock); (B) subdivides outstanding shares of Class A Common Stock into a larger number of shares; (C) combines (including by way of a reverse stock split) outstanding shares of Class A Common Stock into a smaller number of shares; or (D) issues, in the event of a reclassification of shares of Class A Common Stock, any shares of capital stock of the Company, then the Conversion Rate shall be multiplied by a fraction, of which the numerator shall be the number of shares of Class A Common Stock (or in the event that clause (D) of this Section 7(a) shall apply, shares of reclassified capital stock), outstanding immediately after such event (excluding any treasury shares of the Company) and of which the denominator shall be the number of shares of Class A Common Stock outstanding immediately before such event. Any adjustment made pursuant to this Section 7(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive any such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification. If any such dividend or distribution is declared but does not occur, the Conversion Rate shall be readjusted, effective as of the date the Board announces that such dividend or distribution shall not occur, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

b) Fundamental Transaction. If, at any time while this Series A Common Equivalent Preferred Stock is outstanding, (i) the Company, directly or indirectly in one or more related transactions, effects any merger or consolidation of the Company with or into another Person (other than a merger in which the Company is the surviving or continuing entity and its capital stock outstanding immediately prior to the merger or consolidation is not exchanged for or converted into other securities, cash or other property), (ii) the Company, directly or indirectly in one or more related transactions, effects any sale of all or substantially all of its assets in one

transaction or a series of related transactions and distributes the proceeds thereof to its stockholders, in each case, pursuant to which the Class A Common Stock is converted into cash, securities or other property, (iii) any tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Class A Common Stock are permitted to tender or exchange their shares for other securities, cash or property, or (iv) the Company, directly or indirectly in one or more related transactions, effects any reclassification of the Class A Common Stock or any compulsory share exchange pursuant (other than as a result of a dividend, subdivision or combination covered by Section 7(a) above) to which the Class A Common Stock is effectively converted into or exchanged for other securities, cash or property (in any such case covered by any of clauses (i) through (iv) of this Section 7(b), a "Fundamental Transaction"), then, upon the effectiveness of such Fundamental Transaction, each Holder of shares of Series A Common Equivalent Preferred Stock shall receive for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction (without regard to the Beneficial Ownership Cap), the same kind and amount of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of one share of Class A Common Stock (the "Alternate Consideration"); *provided, however* that, in the case of a Reorganization (as defined below), to the extent any securities are issued in exchange for, or otherwise in respect of the outstanding shares of Class A Common Stock, the Series A Common Equivalent Preferred Stock shall remain outstanding and the Company shall make appropriate provision (pursuant to written agreements in form and substance reasonably satisfactory to the Requisite Majority Holders) to ensure each Holder will thereafter have the right to acquire and receive upon conversion of a share of Series A Common Equivalent Preferred Stock (without regard to the Beneficial Ownership Limitation) the Alternate Consideration with respect to, or in exchange for, the number of Conversion Shares which would have been acquirable or receivable upon the conversion of such share of Series A Common Equivalent Preferred Stock. If holders of Class A Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then each of the Holders shall be given the same choice as to the Alternate Consideration it receives upon any conversion of shares of Series A Common Equivalent Preferred Stock in connection with such Fundamental Transaction on the same terms and conditions as given to the holders of Class A Common Stock. To the extent necessary to effectuate the foregoing provisions, the Company shall cause any successor to the Company or surviving entity in such Fundamental Transaction (or any direct or indirect parent entity thereof) to assume in writing all of the obligations of the Company under this Certificate in accordance with the provisions of this Section 7(b) pursuant to written agreements in form and substance approved by the Requisite Majority Holders prior to such Fundamental Transaction (such approval not to be unreasonably withheld, conditioned or delayed). The Company shall not have the power to enter into any agreement to which the Company or any of its Affiliates is a party and pursuant to which a Fundamental Transaction is effected unless such agreement shall include terms in compliance with the provisions of this Section 7(b). For purposes hereof, the term "Reorganization" means a Fundamental Transaction in which the holders of the Corporation's capital stock immediately prior to such Fundamental Transaction (i) hold, immediately following the consummation of such Fundamental Transaction, a majority of the voting capital stock of the Company or, if applicable, the parent company of the Company resulting from such Fundamental

Transaction or (ii) continue, immediately following the consummation of such Fundamental Transaction, to have the ability to elect a majority of the Board or, if applicable, the board of directors or comparable governing body of the parent company of the Company resulting from such Fundamental Transaction, in each case, immediately following such Fundamental Transaction.

c) Calculations. All calculations under this Section 7 shall be made to the nearest cent or the nearest 1/1000th of a share, as the case may be. For purposes of this Section 7, the number of shares of Class A Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Class A Common Stock (excluding any treasury shares of the Company) issued and outstanding.

d) Notice to the Holders.

i. Adjustment to Conversion Rate. Whenever the Conversion Rate is adjusted pursuant to any provision of this Section 7, the Company shall promptly deliver to each Holder a notice setting forth the Conversion Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Conversion by Holder. If the Company delivers notice to the holders of Class A Common Stock, or makes a public announcement or public disclosure, with respect to (A) a dividend (or any other distribution in whatever form) on the Class A Common Stock, (B) a special nonrecurring cash dividend on or a redemption of the Class A Common Stock, (C) the authorization or the granting to all holders of the Class A Common Stock of rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) an annual or special meeting of stockholders or the solicitation of written consents, (E) the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company or any Fundamental Transaction, then, in each case, the Company shall deliver a copy of such notice to each Holder at its last address as it shall appear upon the stock books of the Company, at the same time as such notice is delivered to the holders of Class A Common Stock or, in the case of a public announcement or public disclosure, on the same date as such announcement or disclosure; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice.

Section 8. Miscellaneous.

a) Notice. Any and all notices or other communications or deliveries to be provided by the Holders hereunder including any Notice of Conversion, shall be in writing and delivered personally, by electronic mail (to PreferredNotice@TheOncologyInstitute.com), or sent by a nationally recognized overnight courier service, addressed to the Company, at its principal place of business, to the attention of General Counsel, or such other electronic mail address or address as the Company may specify for such purposes by notice to the Holders delivered in accordance with this Section 8. Any and all notices or other communications or deliveries to be provided by

the Company hereunder shall be in writing and delivered personally, by confirmed electronic mail or facsimile, or sent by a nationally recognized overnight courier service addressed to each Holder at the electronic mail address, facsimile number or address of such Holder appearing on the books of the Company, or if no such facsimile number or address appears on the books of the Company, at the principal place of business of such Holder. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the time and date of transmission, if such notice or communication is delivered via electronic mail to the e-mail address specified in this Section 8(a), (ii) the first Business Day following the date of mailing, if sent by nationally recognized overnight courier service, or (iii) otherwise upon actual receipt by the party to whom such notice is required to be given.

b) Lost or Mutilated Series A Common Equivalent Preferred Stock Certificate. If a Holder's Series A Common Equivalent Preferred Stock certificate shall be mutilated, lost, stolen or destroyed, the Company shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated certificate, or in lieu of or in substitution for a lost, stolen or destroyed certificate, a new certificate for the shares of Series A Common Equivalent Preferred Stock so mutilated, lost, stolen or destroyed, but only upon receipt of evidence of such loss, theft or destruction of such certificate, and of the ownership thereof, reasonably satisfactory to the Company and, in each case, customary and reasonable indemnity, if requested.

c) Waiver. Any waiver by the Company or a Holder of a breach of any provision of this Certificate of Designation shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Certificate of Designation or a waiver by any other Holder. The failure of the Company or a Holder to insist upon strict adherence to any term of this Certificate of Designation on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of this Certificate of Designation. Any waiver by the Company or a Holder must be in writing. Notwithstanding any provision in this Certificate of Designation to the contrary, any provision contained herein (other than Section 6(b), which cannot be waived by the Holders) and any right of the Holders of Series A Common Equivalent Preferred Stock granted hereunder may be waived as to all shares of Series A Common Equivalent Preferred Stock (and the Holders thereof) upon the affirmative vote or written consent of the Requisite Majority Holders, and, if a higher percentage of the holders of Series A Common Equivalent Preferred Stock is required by the DGCL,the affirmative consent or written consent of the Holders of not less than such higher percentage shall be required.

d) Severability. If any provision of this Certificate of Designation is invalid, illegal or unenforceable, the balance of this Certificate of Designation shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law.

e) Next Business Day. Whenever any payment or other obligation hereunder shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day.

f) Headings. The headings contained herein are for convenience only, do not constitute a part of this Certificate of Designation and shall not be deemed to limit or affect any of the provisions hereof.

g) Status of Converted Series A Common Equivalent Preferred Stock. If any shares of Series A Common Equivalent Preferred Stock shall have been converted into shares of Class A Common Stock or reacquired by the Company, such shares shall resume the status of authorized but unissued shares of preferred stock and shall no longer be designated as Series A Common Equivalent Preferred Stock.

h) Determinations Made by Accountants. In the case of an inability of the Company and the Requisite Holder Majority to reach a mutual agreement as to any arithmetic calculation hereunder, the Company or the Requisite Holder Majority shall submit to the other their arithmetic calculations via electronic transmission within two Trading Days of receipt, or deemed receipt, of any notice or other event giving rise to such dispute, as the case may be. If such Holder(s) and the Company are unable to agree upon such calculation within two Trading Days after the submission of such disputed calculation, then the Company shall, within two Trading Days thereafter, submit via electronic transmission the disputed arithmetic calculation, to an independent, reputable registered public accounting firm selected by the Company and approved by such Holder(s), which approval shall not be unreasonably withheld, conditioned or delayed. The accountants shall perform the determinations or calculations and notify the Company and such Holder(s) of the results no later than five Trading Days from the time it receives from the Company and such Holder(s) their respective calculations. Such accountants' determination or calculation, as the case may be, shall be binding upon all parties absent manifest error. Notwithstanding the foregoing, in the event of an inability of the Company and a Holder submitting a Notice of Conversion to reach a mutual determination as to the Conversion Rate applicable to the shares of Series A Common Equivalent Preferred Stock subject to conversion as contemplated by such Notice of Conversion, if requested by such Holder, the Company shall issue to such Holder the Conversion Shares, if any, that are not in dispute in accordance with the terms hereof. For the avoidance of doubt, any determinations made by the accountants, as the case may be, pursuant to this Section 8(h) shall be deemed to be "facts ascertainable" outside of this Certificate of Designation within the meaning of Sections 102(d) and 151(a) of the DGCL and shall not be deemed to be a determination in or relating to arbitration or made by an arbitrator.

i) Benefit of Holders. The provisions of this Certificate of Designation are intended to be for the benefit of all Holders from time to time and shall be enforceable by any such Holder.

j) Interpretative Matters. Unless otherwise indicated or the context otherwise requires, (a) all references to Sections are to Sections contained in this Certificate of Designation, (b) words in the singular or plural include the singular and plural and pronouns stated in either the masculine, the feminine or neuter gender shall include the masculine, feminine and neuter, (c) the

words "hereof," "herein" and words of similar effect shall reference this Certificate of Designation in its entirety, and (d) the use of the word "including" in this Certificate of Designation shall be by way of example rather than limitation.

WHEREAS, the parties to the Prior Agreement desire to amend and restate the Prior Agreement in its entirety on the terms and conditions included herein and to include the recipients of the other Registrable Securities identified herein.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

1. Resale Shelf Registration Rights.

(a) Registration Statement Covering Resale of Registrable Securities. Pubco shall use its reasonable best efforts to prepare and file or cause to be prepared and filed with the Commission, no later than thirty (30) days following the consummation of the Mergers (the "Filing Deadline"), a Registration Statement for an offering to be made on a continuous basis pursuant to Rule 415 of the Securities Act registering the resale from time to time by the Investors of all of the Registrable Securities held by the Investors (the "Resale Shelf Registration Statement"). The Resale Shelf Registration Statement shall be on Form S-1; provided, that Pubco shall file, within thirty (30) days of such time as Form S-3 ("Form S-3") is available for the Resale Shelf Registration Statement, a post-effective amendment to the Resale Shelf Registration Statement then in effect, or otherwise file a Registration Statement on Form S-3, registering the Registrable Securities for resale in accordance with the immediately preceding sentence on Form S-3 (provided that Pubco shall maintain the effectiveness of the Registration Statement then in effect until such time as a Registration Statement (or post-effective amendment) on Form S-3 covering such Registrable Securities has been declared effective by the Commission). Pubco shall use reasonable best efforts to cause the Resale Shelf Registration Statement to be declared effective as soon as possible after filing, but in no event later than the earlier of (i) sixty (60) days following the Filing Deadline and (ii) three (3) Business Days after the Commission notifies Pubco that it will not review the Resale Shelf Registration Statement, if applicable (the "Effectiveness Deadline"); provided, that, if the Registration Statement filed pursuant to this Section 1(a) is reviewed by, and Pubco receives comments from, the Commission with respect to such Registration Statement, the Effectiveness Deadline shall be extended to ninety (90) days following the Filing Deadline. Without limiting the foregoing, as soon as practicable, but in no event later than three (3) Business Days, following the resolution or clearance of all Commission comments or, if applicable, following notification by the Commission that any such Registration Statement or any amendment thereto will not be subject to review, Pubco shall file a request for acceleration of effectiveness of such Registration Statement (to the extent required, by declaration or ordering of effectiveness, of such Registration Statement or amendment by the Commission) to a time and date not later than two (2) Business days after the submission of such request. Once effective, Pubco shall use reasonable best efforts to keep the Resale Shelf Registration Statement continuously effective and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, to ensure that another Registration Statement is available, under the Securities Act at all times for the public resale of all of the Registrable Securities until such date as all Registrable Securities covered by the Resale Shelf Registration Statement have been disposed of in accordance with the intended method(s) of distribution set forth in such Registration Statement. The Resale Shelf Registration Statement shall contain a Prospectus in such form as to permit any Investor to sell such Registrable Securities pursuant to Rule 415 under the Securities Act (or any successor or similar provision adopted by the Commission then in effect) at any time beginning on the effective date for such Registration Statement, and Pubco shall file with the Commission the final form of such Prospectus pursuant to Rule 424 (or successor thereto) under the Securities Act no later than the first (1st) Business Day after the Resale Shelf Registration Statement becomes effective. The Resale Shelf Registration Statement shall provide that the Registrable Securities may be sold pursuant to any method or combination of methods legally available to, and requested by, the Investors. Without limiting the foregoing, subject to any comments from the Commission, each Registration Statement filed pursuant to this Section 1 shall include a "plan of distribution" approved by the Majority TOI Investors and the Majority Deerfield Investors.

(b) Notwithstanding the registration obligations set forth in this Section 1, in the event that, despite Pubco's efforts to include all of the Registrable Securities in any Registration Statement filed pursuant to Section 1(a), the Commission informs Pubco (the "Commission's Notice") that all of the Registrable Securities cannot, as a result of the application of Rule 415 or otherwise, be registered for resale as a secondary offering on a single Registration Statement, Pubco agrees to promptly (i) inform each of the holders thereof and use its reasonable best efforts to file amendments to the Resale Shelf Registration Statement as required by the Commission and (ii) as soon as practicable but in no event later than the New Registration Statement Filing Deadline, file an additional Registration Statement (a "New Registration Statement"), on Form S-3, or if Form S-3 is not then available to Pubco for such Registration Statement, on such other form available to register for resale the Registrable Securities as a secondary offering; provided, however, that prior to filing such amendment or New Registration Statement, Pubco shall be obligated to use its reasonable best efforts to advocate with the Commission for the registration of all of the Registrable Securities in accordance with any publicly-available written or oral guidance, comments, requirements or requests of the Commission staff (the "SEC Guidance"), including without limitation, the Manual of Publicly Available Telephone Interpretations D.29. The Investors shall have the right to participate or have their respective legal counsel participate in any meetings or discussions with the Commission regarding the Commission's position and to comment or have their respective counsel comment on any written submission made to the Commission with respect thereto. No such written submission shall be made to the Commission to which any Investor's counsel reasonably objects. Notwithstanding any other provision of this Agreement, if any SEC Guidance sets forth a limitation of the number of Registrable Securities permitted to be registered on a particular Registration Statement as a secondary offering, unless otherwise directed in writing by a holder as to its Registrable Securities directing the inclusion of less than such holder's pro rata amount or otherwise required by the SEC, the number of Registrable Securities to be registered on such Registration Statement will be reduced on a pro rata basis based on the total number of Registrable Securities held by the Investors. In the event Pubco amends the Resale Shelf Registration Statement or files a New Registration Statement, as the case may be, under clauses (i) or (ii) above, Pubco will use its reasonable best efforts to file with the Commission, as promptly as allowed by Commission or SEC Guidance provided to Pubco or to registrants of securities in general, one or more Registration Statements on Form S-3 or such other form available to register for resale those Registrable Securities that were not registered for resale on the Resale Shelf Registration Statement, as amended, or the New Registration Statement. If Pubco shall not be able to register for resale all of the Registrable Securities on the Resale Shelf Registration Statement within three (3) months following the date of Pubco's receipt of the Commission's Notice, then, until such Resale Shelf Registration Statement is effective, each of the Majority TOI Investors and the Majority Deerfield Investors shall be entitled to demand registration rights pursuant to Section 2 below as long as the demand request is a proposal to sell Registrable Securities with an aggregate market price at the time of request of not less than $25,000,000 (the "Shelf Demand Right").

(c) Registrations effected pursuant to this Section 1 shall not be counted as Demand Registrations effected pursuant to Section 2.

(d) No Investor shall be named as an "underwriter" in any Registration Statement filed pursuant to this Section 1 without the Investor's prior written consent; provided that if the Commission requests that an Investor be identified as a statutory underwriter in the Registration Statement, then such Investor will have the option, in its sole and absolute discretion, to either (i) have the opportunity to withdraw from the Registration Statement upon its prompt written request to Pubco, in which case Pubco's obligation to register such Investor's Registrable Securities shall be deemed satisfied or (ii) be included as such in the Registration Statement. Each Registration Statement (and each amendment or supplement thereto, and each request for acceleration of effectiveness thereof) shall be provided to (and shall be subject to the approval, which shall not be unreasonably withheld or delayed, of) the Majority TOI Investors and the Majority Deerfield Investors prior to its filing with, or other submission to, the Commission; provided that, Pubco shall not be deemed to be in breach of any Effectiveness Deadline or other deadline set forth in this Agreement if the failure of Pubco to meet such deadline is the result of an Investor's failure to approve such Registration Statement or amendment or supplement thereto or request for acceleration thereof.

(e) In the event that on any Trading Day (as defined below) (the "Registration Trigger Date") the number of shares available under the Registration Statements filed pursuant to this Section 1 is insufficient to cover all of the Registrable Securities (without giving effect to any limitations on the exercise or conversion of any securities exercisable for, or convertible into, Registrable Securities and, in the case of Registrable Securities issuable upon the exercise of warrants, assuming the exercise of such warrants for cash), Pubco shall amend such Registration Statements, or file a new Registration Statement (on the short form available therefor, if applicable), or both, so as to cover the total number of Registrable Securities so issued or issuable (without giving effect to any limitations on the exercise or conversion of any securities exercisable for, or convertible into, Registrable Securities and, in the case of Registrable Securities issuable upon the exercise of warrants, assuming the exercise of such warrants for cash) as of the Registration Trigger Date as soon as practicable, but in any event within fifteen (15) days after the Registration Trigger Date. Pubco shall use its reasonable best efforts to cause such amendment and/or new Registration Statement to become effective as soon as practicable following the filing thereof, but in any event Pubco shall cause such amendment and/or new Registration Statement to become effective within sixty (60) days of the Registration Trigger Date (or ninety (90) days if the applicable Registration Statement or amendment is reviewed by, and comments are thereto provided from, the Commission) or as promptly as practicable in the event Pubco is required to increase its authorized shares. "Trading Day" shall mean any day on which the Common Stock is traded for any period on the principal securities exchange or other securities market on which the Common Stock is then being traded.

2. Demand Registrations.

(a) Requests for Registration. Subject to the terms and conditions of this Agreement and, as applicable, the lock-up provisions contained in Section 7.12 of Pubco's Amended and Restated Bylaws (the "Bylaws"), at any time or from time to time, provided that Pubco does not then have an effective Registration Statement outstanding covering all of the Registrable Securities, the holders of Registrable Securities may request registration under the Securities Act of all or any portion of their Registrable Securities on Form S-1 or any similar long-form registration statement ("Long-Form Registrations") or, if available, on Form S-3 (including a shelf registration pursuant to Rule 415 under the Securities Act) or any similar short-form registration statement, including an automatic shelf registration statement (as defined in Rule 405) (an "Automatic Shelf Registration Statement"), if available to Pubco ("Short-Form Registrations"), in accordance with Section 2(b) and Section 2(c) below (such holders being referred to herein as the "Initiating Investors" and all registrations requested by the Initiating Investors being referred to herein as "Demand Registrations"). Each request for a Demand Registration shall specify the approximate number of Registrable Securities requested to be registered and the intended method of distribution. Subject to Sections 10(a) and 10(b) (collectively, the "MNPI Provisions"), within five (5) Business Days after receipt of any such request, Pubco shall give written notice of such requested registration to all other holders of Registrable Securities and, subject to the terms and conditions set forth herein, shall include in such registration (and in all related registrations and qualifications under state blue sky laws or in compliance with other registration requirements and in any related underwriting) all such Registrable Securities with respect to which Pubco has received written requests for inclusion therein within five (5) Business Days after the receipt of Pubco's notice. Each holder of Registrable Securities agrees that such holder shall treat as confidential the receipt of the notice of Demand Registration and shall not disclose or use the information contained in such notice of Demand Registration without the prior written consent of Pubco until such time as the information contained therein is or becomes available to the public generally, other than as a result of disclosure by the holder in breach of the terms of this Agreement.

(b) Long-Form Registrations. (i) The Majority TOI Investors, on behalf of any and all TOI Investors, may request one (1) Long-Form Registration in which Pubco shall pay all Registration Expenses whether or not any such Long-Form Registration has become effective, and (ii) the Majority Deerfield Investors may request one (1) Long-Form Registration in which Pubco shall pay all Registration Expenses whether or not any such Long-Form Registration has become effective; in each case, provided that, Pubco shall not be obligated to effect, or to take any action to effect, any Long-Form Registration (x) unless the aggregate market price of the Registrable Securities requested to be registered in such Long-Form Registration exceeds $25,000,000 at the time of request, or (y) if Pubco has already effected a Demand Registration (which became effective) in the preceding 45-day period; provided, further, that Pubco shall only be obligated to effect, or take any action to effect, one (1) Long-Form Registration for each of the two groups identified in the first sentence of this Section 2(b). A registration shall not count as the sole permitted Long-Form Registration until it has become effective and unless the holders of Registrable Securities are able to register and sell at least 90% of the Registrable Securities requested to be included in such registration; provided that in any event Pubco shall pay all Registration Expenses in connection with any registration initiated as a Long-Form Registration whether or not it has become effective and whether or not such registration has counted as one of the permitted Long-Form Registrations hereunder.

(c) Short-Form Registrations. In addition to the Long-Form Registration provided pursuant to Section 2(b), each of (i) the Majority TOI Investors, on behalf of any and all TOI Investors and (ii) the Majority Deerfield Investors shall be entitled to request Short-Form Registrations in which Pubco shall pay all Registration Expenses whether or not any such Short-Form Registration has become effective; provided, however, that Pubco shall not be obligated to effect any such Short-Form Registration: (x) if the holders of Registrable Securities, together with the holders of any other securities of Pubco entitled to inclusion in such Short-Form Registration, propose to sell Registrable Securities with an aggregate market price at the time of request of less than $25,000,000, (y) if Pubco has already effected three (3) Short-Form Registrations (which became effective) for the holders of Registrable Securities requesting a Short-Form Registration pursuant to this Section 2(c), or (z) if Pubco has already effected a Demand Registration (which became effective) in the preceding 90-day period. Demand Registrations shall be Short-Form Registrations whenever Pubco is permitted to use any applicable short form registration and if the managing underwriters (if any) agree to the use of a Short-Form Registration. For so long as Pubco is subject to the reporting requirements of the Exchange Act, Pubco shall use its reasonable best efforts to make Short-Form Registrations available for the offer and sale of Registrable Securities. If Pubco is qualified to and, pursuant to the request of the holders of a majority of the Registrable Securities, has filed with the Commission a Registration Statement under the Securities Act on Form S-3 pursuant to Rule 415 (a "Shelf Registration"), then Pubco shall use its reasonable best efforts to cause the Shelf Registration to be declared effective under the Securities Act as soon as practicable after filing, and, if Pubco is a WKSI at the time of any such request, to cause such Shelf Registration to be an Automatic Shelf Registration Statement, and once effective, Pubco shall cause such Shelf Registration to remain effective (including by filing a new Shelf Registration, if necessary) for a period ending on the earlier of (i) the date on which all Registrable Securities included in such registration have been sold or distributed pursuant to the Shelf Registration or (ii) the date as of which all of the Registrable Securities included in such registration are able to be sold within a 90-day period in compliance with Rule 144 under the Securities Act (without any restrictions as to volume or the manner of sale or otherwise and without the requirement for Pubco to be in compliance with the current public information required under Rule 144(c)(i) or Rule 144(i)(2) and, in the case of Registrable Securities issuable upon the exercise of warrants, assuming the exercise of such warrants for cash). If for any reason Pubco ceases to be a WKSI or becomes ineligible to utilize Form S-3, Pubco shall prepare and file with the Commission a Registration Statement or Registration Statements on such form that is available for the sale of Registrable Securities.

(d) Shelf Takedowns. At any time when the Resale Shelf Registration Statement or a Shelf Registration for the sale or distribution by holders of Registrable Securities on a delayed or continuous basis pursuant to Rule 415, including by way of an underwritten offering, block sale or other distribution plan (each, a "Resale Shelf Registration"), is effective and its use has not been otherwise suspended by Pubco in accordance with the terms of Section 2(f) below, upon a written demand (a "Takedown Demand") by any Investor that is, in either case, a Shelf Participant holding Registrable Securities at such time (the "Initiating Holder"), Pubco will facilitate in the manner described in this Agreement a "takedown" of Registrable Securities off of such Resale Shelf Registration (a "take down offering") and Pubco shall pay all Registration Expenses in connection therewith; provided that, subject to the MNPI Provisions, Pubco will provide (x) in connection with any non-marketed underwritten takedown offering (other than a Block Trade), at least two (2) Business Days' notice of such Takedown Demand to each holder of Registrable Securities (other than the Initiating Holder) that is a Shelf Participant, (y) in connection with any Block Trade initiated prior to the three (3) year anniversary of the consummation of the Mergers, notice of such Takedown Demand to each holder of Registrable Securities (other than the Initiating Holder) that is a Shelf Participant no later than noon Eastern time on the Business Day prior to the requested Takedown Demand and (z) in connection with any marketed underwritten takedown offering, at least five (5) Business Days' notice of such Takedown Demand to each holder of Registrable Securities (other than the Initiating Holder) that is a Shelf Participant. In connection with (x) any non-marketed underwritten takedown offering initiated prior to the three (3) year anniversary of the consummation of the Mergers and (y) any marketed underwritten takedown offering, if any Shelf Participants entitled to receive a notice pursuant to the preceding sentence request inclusion of their Registrable Securities (by notice to Pubco, which notice must be received by Pubco no later than (A) in the case of a non-marketed underwritten takedown offering (other than a Block Trade), the Business Day following the date notice is given to such participant, (B) in the case of a Block Trade, by 10:00 p.m. Eastern time on the date notice is given to such participant and (C) in the case of a marketed underwritten takedown offering, three (3) Business Days following the date notice is given to such participant), the Initiating Holder and the other Shelf Participants that request inclusion of their Registrable Securities shall be entitled to sell their Registrable Securities in such offering. Each holder of Registrable Securities that is a Shelf Participant agrees that such holder shall treat as confidential the receipt of the notice of a Takedown Demand and shall not disclose or use the information contained in such notice without the prior written consent of Pubco until such time as the information contained therein is or becomes available to the public generally, other than as a result of disclosure by the holder in breach of the terms of this Agreement.

(e) Priority on Demand Registrations and Takedown Offerings. Pubco shall not include in any Demand Registration that is an underwritten offering any securities that are not Registrable Securities without the prior written consent of the managing underwriters and the holders of a majority of the Registrable Securities then outstanding. If a Demand Registration or a takedown offering is an underwritten offering and the managing underwriters advise Pubco in writing that in their opinion the number of Registrable Securities and, if permitted hereunder, other securities requested to be included in such offering exceeds the number of Registrable Securities and other securities, if any, which can be sold in an orderly manner in such offering within a price range acceptable to the holders of a majority of the Registrable Securities included in such underwritten offering, Pubco shall include in such offering, prior to the inclusion of any securities which are not Registrable Securities, the Registrable Securities requested to be included in such registration (pro rata among the holders of such Registrable Securities on the basis of the number of Registrable Securities owned by each such holder).

(f) Restrictions on Demand Registrations and Takedown Offerings. Any demand for the filing of a Registration Statement or for a registered offering (including a takedown offering) hereunder will be subject to the constraints of any applicable lock-up arrangements to which any demanding Investor is party, and any such demand must be deferred until such lock-up arrangements no longer apply.

(i) Pubco shall not be obligated to effect any Demand Registration within 60 days prior to Pubco's good faith estimate of the date of filing of a Registration Statement in respect of an underwritten public offering of Pubco's securities and for such a period of time after such a filing as the managing underwriters request, provided that such period shall not exceed 120 days from the date of the underwriting agreement entered into in respect of such underwritten public offering. Pubco may postpone, for up to 60 days from the date of the request, the filing or the effectiveness of a Registration Statement for a Demand Registration or suspend the use of a prospectus that is part of any Resale Shelf Registration Statement (and therefore suspend sales of the Registrable Securities included therein pursuant to such Resale Shelf Registration Statement) by providing written notice to the holders of Registrable Securities in accordance with Section 2(f)(ii) if the board of directors of Pubco reasonably determines in good faith that the offer or sale of Registrable Securities would be expected to have a detrimental effect on any proposal or plan by Pubco or any subsidiary thereof to engage in any material acquisition or disposition of assets or stock (other than in the ordinary course of business) or any material merger, consolidation, tender offer, recapitalization, reorganization or similar transaction or would require Pubco to disclose any material nonpublic information which would reasonably be likely to be detrimental to Pubco and its subsidiaries; provided that in such event, the holders of Registrable Securities initially requesting such Demand Registration or Takedown Demand shall be entitled to withdraw such request. Pubco may delay or suspend the effectiveness of a Registration Statement filed hereunder or takedown offering pursuant to this Section 2(f)(i) only once in any consecutive twelve-month period; provided that, for the avoidance of doubt, Pubco may in any event delay or suspend the effectiveness of Demand Registration or takedown offering in the case of an event described under Section 5(g) to enable it to comply with its obligations set forth in Section 5(f).

(ii) In the case of an event that causes Pubco to suspend the use of any Resale Shelf Registration as set forth in Section 2(f)(i) or pursuant to Section 5(g) (a "Suspension Event"), Pubco shall give a notice to the holders of Registrable Securities registered pursuant to such Shelf Registration (a "Suspension Notice"), no later than three (3) Business Days from the date of such Suspension Event, to suspend sales of the Registrable Securities and, subject to the MNPI Provisions, such notice shall state that such suspension shall continue only for so long as the Suspension Event or its effect is continuing (provided that in each notice Pubco shall not disclose the basis for such suspension or any material non-public information to any Investor unless otherwise requested in writing by such Investor). Pubco shall use commercially reasonable efforts to make the Resale Shelf Registration Statement available for the sale by Investors of Registrable Securities as soon as practicable following a Suspension Event. A holder of Registrable Securities shall not effect any sales of the Registrable Securities pursuant to such Resale Shelf Registration (or such filings) at any time after it has received a Suspension Notice from Pubco and prior to receipt of an End of Suspension Notice (as defined below); provided, for the avoidance of doubt, that the foregoing shall not restrict or otherwise affect the consummation of any sale pursuant to a contract entered into, or order placed, by any holder prior to the delivery the Suspension Notice. Each holder of Registrable Securities agrees that such holder shall treat as confidential the receipt of the Suspension Notice and shall not disclose the information contained in such Suspension Notice without the prior written consent of Pubco until such time as the information contained therein is or becomes available to the public generally, other than as a result of disclosure by such holder in breach of the terms of this Agreement. The holders of Registrable Securities may recommence effecting sales of the Registrable Securities pursuant to the Resale Shelf Registration (or such filings) following further written notice to such effect (an "End of Suspension Notice") from Pubco, which End of Suspension Notice shall be given by Pubco to the holders of Registrable Securities and to such holders' counsel, if any, promptly following the conclusion of any Suspension Event.

(iii) Notwithstanding any provision herein to the contrary, if Pubco shall give a Suspension Notice with respect to any Resale Shelf Registration pursuant to this Section 2(f), Pubco agrees that it shall extend the period of time during which such Resale Shelf Registration shall be maintained effective pursuant to this Agreement by the number of days during the period from the date of receipt by the holders of the Suspension Notice to and including the date of receipt by the holders of the End of Suspension Notice and provide copies of the supplemented or amended prospectus necessary to resume sales, with respect to each Suspension Event; provided that such period of time shall not be extended beyond the date that Common Stock covered by such Resale Shelf Registration are no longer Registrable Securities.

(g) Selection of Underwriters. In connection with any Demand Registration, the Applicable Approving Party shall have the right to select the investment banker(s) and manager(s) to administer the offering; provided that such selection shall be subject to the written consent of Pubco, which consent will not be unreasonably withheld, conditioned or delayed. If any takedown offering is an underwritten offering, the Applicable Approving Party shall have the right to select the investment banker(s) and manager(s) to administer such takedown offering, provided that such selection shall be subject to the written consent of Pubco, which consent will not be unreasonably withheld, conditioned or delayed. In each case, Pubco and the Applicable Approving Party shall have the right to approve the underwriting arrangements with such investment banker(s) and manager(s) on behalf of all holders of Registrable Securities participating in such offering. All Investors proposing to distribute their securities through underwriting shall (together with Pubco) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting.

(h) Other Registration Rights. Pubco represents and warrants to each holder of Registrable Securities that the registration rights granted in this Agreement do not conflict with any other registration rights granted by Pubco. Except as provided in this Agreement, Pubco shall not grant to any Persons the right to request Pubco to register any equity securities of Pubco, or any securities, options or rights convertible or exchangeable into or exercisable for such securities, without the prior written consent of the holders of a majority of the Registrable Securities then outstanding.

(i) Revocation of Demand Notice or Takedown Notice. At any time prior to the effective date of the Registration Statement relating to a Demand Registration or the "pricing" of any offering relating to a Takedown Demand, the holders of Registrable Securities that requested such Demand Registration or takedown offering may revoke such request for a Demand Registration or takedown offering on behalf of all holders of Registrable Securities participating in such Demand Registration or takedown offering without liability to such holders of Registrable Securities, in each case by providing written notice to Pubco.

3. Piggyback Registrations.

(a) Right to Piggyback. Whenever Pubco proposes to register under the Securities Act an offering of any of its securities on behalf of any holders thereof or otherwise effect an underwritten offering of securities (other than (i) pursuant to the Resale Shelf Registration Statement, (ii) pursuant to a Demand Registration (which, for the avoidance of doubt, is addressed in and subject to the rights set forth in, Section 2 hereof), (iii) pursuant to a Takedown Demand (which, for the avoidance of doubt, is addressed in and subject to the rights set forth in, Section 2 hereof), (iv) in connection with registrations on Form S-4 or S-8 promulgated by the Commission or any successor forms, (v) pursuant to a registration relating solely to employment benefit plans, or (vi) in connection with a registration the primary purpose of which is to register debt securities) and the registration form to be used may be used for the registration of Registrable Securities (a "Piggyback Registration"), Pubco shall give prompt written notice to all holders of Registrable Securities of its intention to effect such a Piggyback Registration and, subject to the terms of Sections 3(c) and 3(d) hereof, shall include in such Piggyback Registration (and in all related registrations or qualifications under blue sky laws or in compliance with other registration requirements and in any related underwriting) all Registrable Securities with respect to which Pubco has received written requests for inclusion therein within ten (10) Business Days after the delivery of Pubco's notice; provided that any such other holder may withdraw its request for inclusion at any time prior to executing the underwriting agreement or, if none, prior to the applicable Registration Statement becoming effective (if applicable).

(b) Piggyback Expenses. The Registration Expenses of the holders of Registrable Securities shall be paid by Pubco in all Piggyback Registrations, whether or not any such registration became effective.

(c) Priority on Primary Registrations. If a Piggyback Registration is an underwritten primary registration on behalf of Pubco, and the managing underwriters advise Pubco in writing that in their opinion the number of securities requested to be included in such registration exceeds the number of securities which can be sold in such offering without adversely affecting the marketability, proposed offering price, timing or method of distribution of the offering, Pubco shall include in such registration (i) first, the securities Pubco proposes to sell, (ii) second, the Registrable Securities requested to be included in such registration by the Investors which, in the opinion of such underwriters, can be sold, without any such adverse effect (pro rata among the holders of such Registrable Securities on the basis of the number of Registrable Securities owned by each such holder), and (iii) third, other securities requested to be included in such registration which, in the opinion of such underwriters, can be sold, without any such adverse effect.

(d) Priority on Secondary Registrations. If a Piggyback Registration is an underwritten secondary registration on behalf of holders of Pubco's securities other than holders of Registrable Securities, and the managing underwriters advise Pubco in writing that in their opinion the number of securities requested to be included in such registration exceeds the number of securities which can be sold in such offering without adversely affecting the marketability, proposed offering price, timing or method of distribution of the offering, Pubco shall include in such registration (i) first, the securities requested to be included therein by the holders initially requesting such registration, (ii) second, the Registrable Securities requested to be included in such registration by the Investors which, in the opinion of such underwriters, can be sold, without any such adverse effect (pro rata among the holders of such Registrable Securities on the basis of the number of Registrable Securities owned by each such holder), and (iii) third, other securities requested to be included in such registration which, in the opinion of such underwriters, can be sold, without any such adverse effect.

(e) Other Registrations. If Pubco has previously filed a Registration Statement with respect to Registrable Securities pursuant to Section 2 or pursuant to this Section 3, and if such previous registration has not been withdrawn or abandoned, then Pubco shall not be required to file or cause to be effected any other registration of any of its equity securities or securities convertible or exchangeable into or exercisable for its equity securities under the Securities Act (except on Form S-8 or any successor form or the Resale Shelf Registration Statement or a New Registration Statement) at the request of any holder or holders of such Registrable Securities until a period of at least 90 days has elapsed from the effective date of such previous registration; provided, however, that Pubco shall at all times remain obligated to file, supplement and/or amend, as applicable, each Registration Statement required to be filed pursuant to Section 1 in accordance with Sections 1(a) and 1(b), as applicable.

(f) Right to Terminate Registration. Pubco shall have the right to terminate or withdraw any registration initiated by it under this Section 3 whether or not any holder of Registrable Securities has elected to include securities in such registration. The Registration Expenses of such withdrawn registration shall be borne by Pubco in accordance with Section 7.

4. Agreements of Certain Holders.

(a) If required by the managing underwriter(s), in connection with any underwritten Public Offering on or after the date hereof, any Investor that beneficially owns 1% or more of the outstanding Common Stock on the date of such underwritten Public Offering shall enter into lock-up agreements with the managing underwriter(s) of such underwritten Public Offering in such form as agreed to by such managing underwriter(s). In no event shall any Investor holding Registrable Securities that is not a director or executive officer of Pubco on the date of such underwritten Public Offering be required to enter into any such lock-up agreement (i) that contains less favorable terms than the terms offered to any other Investor, or (ii) unless such Investor has requested its Registrable Securities be included in such underwritten registration, after the first anniversary of the Closing Date (as defined in the Merger Agreement) if it owns less than 5% of the outstanding Common Stock on the date of such underwritten Public Offering. In addition, (i) in no event shall any Investor that is not a director or executive officer of Pubco on the date of such underwritten Public Offering be required to enter into lock-up agreements pursuant to this Section 4(a) on more than two (2) occasions (unless such Investor is including its Registrable Securities in an underwritten registration and such lock-up is requested by the managing underwriter(s) in connection therewith), (ii) any lock-up agreement into which any Investor enters into pursuant to this Section 4(a) shall be for a period of not more than sixty (60) days, (iii) the obligations of the Investors to enter into lockup agreements pursuant to this Section 4(a) shall terminate on the second anniversary of the Closing Date, (iv) no Investor shall be required to enter into a lock-up agreement pursuant to this Section 4(a) within six (6) months following the expiration of a previous lock-up agreement entered into by such Investor pursuant to this Section 4(a), (v) no Investor shall be required to be subject to a lock-up agreement pursuant to this Section 4(a) during the sixty (60) day period commencing immediately following the date that shares of Common Stock are first released from the Lock-up (as defined in the Bylaws).

(b) The holders of Registrable Securities shall use commercially reasonable efforts to provide such information as may reasonably be requested by Pubco, or the managing underwriter, if any, in connection with the preparation of any Registration Statement in which the Registrable Securities of such holder are to be included, including amendments and supplements thereto, in order to effect the Registration Statement, including amendments and supplements thereto, in order to effect the Registration of any Registrable Securities under the Securities Act pursuant to Section 3. Notwithstanding anything else in this Agreement, Pubco shall not be obligated to include such holder's Registrable Securities to the extent Pubco has not received such information, and received any other reasonably requested selling stockholder questionnaires, on or prior to the later of (i) the tenth (10th) Business Day following the date on which such information is requested from such holder and (ii) the second (2nd) Business Day prior to the first anticipated filing date of a Registration Statement pursuant to this Agreement.

5. Registration Procedures. In connection with the Registration to be effected pursuant to the Resale Shelf Registration Statement, and whenever the holders of Registrable Securities have requested that any Registrable Securities be registered pursuant to this Agreement or have initiated a takedown offering, Pubco shall use its reasonable best efforts to effect the registration and the sale of such Registrable Securities in accordance with the intended method of disposition thereof, and pursuant thereto Pubco shall as expeditiously as reasonably possible:

(a) prepare in accordance with the Securities Act and all applicable rules and regulations promulgated thereunder and file with the Commission a Registration Statement, and all amendments and supplements thereto and related prospectuses as may be necessary to comply with applicable securities laws, with respect to such Registrable Securities and use its reasonable best efforts to cause such Registration Statement to become effective (provided that at least two (2) Business Days before filing a Registration Statement or prospectus or any amendments or supplements thereto, Pubco shall furnish to counsel selected by the Applicable Approving Party copies of all such documents proposed to be filed, which documents shall be subject to the review and comment of such counsel, and no such document shall be filed with the Commission to which any Investor or its counsel reasonably objects);

(b) notify each holder of Registrable Securities of (A) the issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for that purpose, (B) the receipt by Pubco or its counsel of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, and (C) the effectiveness of each Registration Statement filed hereunder;

(c) prepare and file with the Commission such amendments and supplements to such Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Registration Statement and the prospectus used in connection therewith current, effective and available for the resale of all of the Registrable Securities required to be covered thereby for a period ending when all of the securities covered by such Registration Statement have been disposed of in accordance with the intended methods of distribution by the sellers thereof set forth in such Registration Statement (but not in any event before the expiration of any longer period required under the Securities Act or, if such Registration Statement relates to an underwritten Public Offering, such longer period as in the opinion of counsel for the underwriters a prospectus is required by law to be delivered in connection with sale of Registrable Securities by an underwriter or dealer) and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during such period in accordance with the intended methods of disposition by the sellers thereof set forth in such Registration Statement;

(d) furnish to each seller of Registrable Securities thereunder such number of copies of such Registration Statement, each amendment and supplement thereto, the prospectus included in such Registration Statement (including each preliminary prospectus), each Free-Writing Prospectus and such other documents as such seller may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such seller;

(e) during any period in which a prospectus is required to be delivered under the Securities Act, promptly file all documents required to be filed with the Commission, including pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Securities Act;

(f) use its reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as the lead underwriter or the Applicable Approving Party reasonably requests and do any and all other acts and things which may be reasonably necessary or advisable to enable such seller to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller (provided that Pubco shall not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 5(f), (ii) consent to general service of process in any such jurisdiction or (iii) subject itself to taxation in any such jurisdiction);

(g) promptly notify in writing each seller of such Registrable Securities (i) after it receives notice thereof, of the date and time when such Registration Statement and each post-effective amendment thereto has become effective or a prospectus or supplement to any prospectus relating to a Registration Statement has been filed and when any registration or qualification has become effective under a state securities or blue sky law or any exemption thereunder has been obtained, (ii) subject to the MNPI Provisions after receipt thereof, of any request by the Commission for the amendment or supplementing of such Registration Statement or prospectus or for additional information, and (iii) at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event as a result of which the prospectus included in such Registration Statement contains an untrue statement of a material fact or omits any fact necessary to make the statements therein not misleading, and, at the request of any such seller, Pubco promptly shall prepare, file with the Commission and furnish to each such seller a reasonable number of copies of a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not contain an untrue statement of a material fact or omit to state any fact necessary to make the statements therein not misleading;

(h) cause all such Registrable Securities to be listed on each securities exchange on which similar securities issued by Pubco are then listed and, if similar securities are not so listed, to be listed on a securities exchange and, without limiting the generality of the foregoing, to arrange for at least two market makers to register as such with respect to such Registrable Securities with FINRA;

(i) if applicable, promptly effect a filing with FINRA pursuant to FINRA Rule 5110 (or successor thereto) with respect to the public offering contemplated by resales of securities under the Resale Shelf Registration Statement (an "Issuer Filing"), pay the filing fee required by such Issuer Filing and use its reasonable best efforts to pursue the Issuer Filing until FINRA issues a letter confirming that it does not object to the terms of the offering contemplated by the Resale Shelf Registration Statement.

(j) provide a transfer agent and registrar for all such Registrable Securities not later than the effective date of such Registration Statement;

(k) enter into and perform such customary agreements (including underwriting agreements in customary form) and take all such other actions as the Applicable Approving Party or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Securities (including, without limitation, if the Registration involves the Registration of Registrable Securities involving gross proceeds in excess of $25,000,000, participating in such number of "road shows", investor presentations and marketing events as the underwriters managing such offering may reasonably request);

(l) make available for inspection by a representative of the Investors, other than the Deerfield Investors (such representative to be selected by the Majority TOI Investors), a representative of the Deerfield Investors, any underwriter participating in any disposition pursuant to such Registration Statement and any attorney, accountant or other agent retained by any such representative or underwriter, all financial and other records, pertinent corporate and business documents and properties of Pubco as shall be reasonably requested to enable them to exercise their due diligence responsibility, and cause Pubco's officers, managers, directors, employees, agents, representatives and independent accountants to supply all information reasonably requested by any such representative, underwriter, attorney, accountant or agent in connection with such Registration Statement; provided, however, that any such representative or underwriter enters into a confidentiality agreement, in form and substance reasonably satisfactory to Pubco, prior to the release or disclosure of any such information;

(m) take all reasonable actions to ensure that any Free-Writing Prospectus utilized in connection with any Demand Registration (including any Shelf Registration) or Piggyback Registration hereunder complies in all material respects with the Securities Act, is filed in accordance with the Securities Act to the extent required thereby, is retained in accordance with the Securities Act to the extent required thereby and, when taken together with the related prospectus, shall not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(n) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission;

(o) permit any holder of Registrable Securities who, in its good faith judgment (based on the advice of counsel), could reasonably be expected to be deemed to be an underwriter or a controlling Person of Pubco to participate in the preparation of such registration or comparable statement and to require the insertion therein of material furnished to Pubco in writing, which in the reasonable judgment of such holder and its counsel should be included;

(p) in the event of the issuance of any stop order suspending the effectiveness of a Registration Statement, or of any order suspending or preventing the use of any related prospectus or suspending the qualification of any Common Stock included in such Registration Statement for sale in any jurisdiction, use its reasonable best efforts promptly to obtain the withdrawal of such order;

(q) use its reasonable best efforts to cause such Registrable Securities covered by such Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the sellers thereof to consummate the disposition of such Registrable Securities;

(r) cooperate with the holders of Registrable Securities covered by the Registration Statement and the managing underwriter or agent, if any, to facilitate the timely preparation and delivery of certificates (not bearing any restrictive legends) representing securities to be sold under the Registration Statement and enable such securities to be in such denominations and registered in such names as the managing underwriter, or agent, if any, or such holders may request;

(s) cooperate with each holder of Registrable Securities covered by the Registration Statement and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA;

(t) if such registration includes an underwritten public offering, use its reasonable best efforts to obtain a cold comfort letter from Pubco's independent public accountants and addressed to the underwriters, in customary form and covering such matters of the type customarily covered by cold comfort letters as the underwriters in such registration reasonably request;

(u) provide a legal opinion of Pubco's outside counsel, dated the effective date of such Registration Statement (and, if such registration includes an underwritten Public Offering, dated the date of the closing under the underwriting agreement), with respect to the Registration Statement, each amendment and supplement thereto, the prospectus included therein (including the preliminary prospectus) and such other documents relating thereto in customary form and covering such matters of the type customarily covered by legal opinions of such nature, which opinion shall be addressed to the underwriters;

(v) if Pubco files an Automatic Shelf Registration Statement covering any Registrable Securities, use its reasonable best efforts to remain a WKSI (and not become an ineligible issuer (as defined in Rule 405)) during the period during which such Automatic Shelf Registration Statement is required to remain effective;

(w) if Pubco does not pay the filing fee covering the Registrable Securities at the time an Automatic Shelf Registration Statement is filed, pay such fee at such time or times as the Registrable Securities are to be sold;

(x) subject to the terms of Section 2(c) and Section 2(d), if an Automatic Shelf Registration Statement has been outstanding for at least three (3) years, at the end of the third year, refile a new Automatic Shelf Registration Statement covering the Registrable Securities, and, if at any time when Pubco is required to re-evaluate its WKSI status Pubco determines that it is not a WKSI, use its reasonable best efforts to refile the Registration Statement on Form S-3 and keep such Registration Statement effective (including by filing a new Resale Shelf Registration or Shelf Registration, if necessary) during the period throughout which such Registration Statement is required to be kept effective;

(y) cooperate with each Investor that holds Registrable Securities being offered and the managing underwriter or underwriters with respect to an applicable Registration Statement, if any, to facilitate the timely (i) preparation and delivery of certificates (not bearing any restrictive legends) representing Registrable Securities to be offered pursuant to such Registration Statement, and enable such certificates to be registered in such names and in such denominations or amounts, as the case may be, or (ii) crediting of the Registrable Securities to be offered pursuant to a Registration Statement to the applicable account (or accounts) with The Depository Trust Company ("DTC") through its Deposit/Withdrawal At Custodian ("DWAC") system, in any such case as such Investor or the managing underwriter or underwriters, if any, may reasonably request; and

(z) for so long as this Agreement remains effective, (a) cause the Common Stock to be eligible for clearing through DTC, through its DWAC system; (b) be eligible and participating in the Direct Registration System (DRS) of DTC with respect to the Common Stock; (c) ensure that the transfer agent for the Common Stock is a participant in, and that the Common Stock is eligible for transfer pursuant to, DTC's Fast Automated Securities Transfer Program (or successor thereto); and (d) use its reasonable best efforts to cause the Common Stock to not at any time be subject to any DTC "chill," "freeze" or similar restriction with respect to any DTC services, including the clearing of shares of Common Stock through DTC, and, in the event the Common Stock becomes subject to any DTC "chill," "freeze" or similar restriction with respect to any DTC services, use its reasonable best efforts to cause any such "chill," "freeze" or similar restriction to be removed at the earliest possible time.

6. Termination of Rights. Notwithstanding anything contained herein to the contrary, the right of any Investor to include Registrable Securities in any Demand Registration or any Piggyback Registration shall terminate on such date that (i) such Investor (together with its affiliates) beneficially owns less than 1% of the outstanding Common Stock, (ii) has held the securities for one year and (iii) may sell all of the Registrable Securities owned by such Investor pursuant to Rule 144 of the Securities Act without any restrictions as to volume or the manner of sale or otherwise and without the requirement for Pubco to be in compliance with the current public information required under Rule 144(c)(i) or Rule 144(i)(2); provided, however, that with respect to any Investor whose rights have terminated pursuant to this Section 6, if following such a termination, such Investor loses the ability to sell all of its Registrable Securities pursuant to Rule 144 of the Securities Act without any restrictions as to volume or the manner of sale or otherwise and without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(i) or Rule 144(i)(2) due to a change in interpretive guidance by the Commission or otherwise, then such Investor's right to include Registrable Securities in any Demand Registration or any Piggyback Registration shall be reinstated until such time as the Investor is once again able to sell all of its Registrable Securities pursuant to Rule 144 of the Securities Act without any restrictions as to volume or the manner of sale or otherwise and without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(i) or Rule 144(i)(2).

7. Registration Expenses.

(a) All expenses incident to Pubco's performance of or compliance with this Agreement, including, without limitation, all registration, qualification and filing fees, listing fees, fees and expenses of compliance with securities or blue sky laws, stock exchange rules and filings, printing expenses, messenger and delivery expenses, fees and disbursements of custodians, and fees and disbursements of counsel for Pubco and all independent certified public accountants, underwriters (excluding underwriting discounts and commissions) and other Persons retained by Pubco (all such expenses being herein called "Registration Expenses"), shall be borne by Pubco as provided in this Agreement and, for the avoidance of doubt, Pubco also shall pay all of its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit or quarterly review, the expense of any liability insurance and the expenses and fees for listing the securities to be registered on each securities exchange on which similar securities issued by Pubco are then listed. Each Person that sells securities hereunder shall bear and pay all underwriting discounts and commissions, underwriter marketing costs, brokerage fees and transfer taxes applicable to the securities sold for such Person's account and all reasonable fees and expenses of any legal counsel representing any such Person.

(b) Pubco shall reimburse the holders of Registrable Securities included in such registration for the reasonable fees and disbursements of one counsel chosen by the Applicable Approving Party in connection with any underwritten Demand Registration.

8. Indemnification.

(a) Pubco agrees to (i) indemnify, defend and hold harmless, to the fullest extent permitted by law, each Investor, each Person who controls such Investor (within the meaning of the Securities Act or the Exchange Act) each Investor's and control Person's respective officers, directors, members, partners, managers, agents, affiliates and employees from and against all losses, claims, actions, damages, liabilities and expenses ("Losses") caused by any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus, preliminary prospectus, free writing prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading (in the case of a prospectus, in light of the circumstances under which the statements therein were made), and (ii) pay to each Investor and their respective officers, directors, members, partners, managers, agents, affiliates and employees and each Person who controls such Investor (within the meaning of the Securities Act or the Exchange Act), as incurred, any legal and any other expenses reasonably incurred in connection with investigating, preparing or defending any such claim, loss, damage, liability or action, except in each case of (i) or (ii) insofar as the same are caused by or contained in any information furnished in writing to Pubco or any managing underwriter by or on behalf of such Investor expressly for use therein; provided, however, that the indemnity agreement contained in this Section 8 shall not apply to amounts paid in settlement of any such claim, loss, damage, liability or action if such settlement is effected without the consent of Pubco (which consent shall not be unreasonably withheld, conditioned or delayed), nor shall Pubco be liable in any such case for any such claim, loss, damage, liability or action to the extent that it arises out of or is based upon an untrue or alleged untrue statement of any material fact contained in the Registration Statement, prospectus, preliminary prospectus, free writing prospectus or any amendment thereof or supplement thereto or omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, prospectus, preliminary prospectus, free writing prospectus or any amendment thereof or supplement thereto, in reliance upon and in conformity with written information furnished by or on behalf of such Investor expressly for use in connection with such Registration Statement or to the extent that such Loss results from an Investor's initiation of a transaction pursuant to a Registration Statement during a Suspension Event noticed to such Investor by Pubco in accordance with Section 2(f)(ii) hereof. In connection with an underwritten offering, Pubco shall indemnify any underwriters or deemed underwriters, their officers and directors and each Person who controls such underwriters (within the meaning of the Securities Act or the Exchange Act) to the same extent as provided above with respect to the indemnification of the holders of Registrable Securities.

(b) In connection with any Registration Statement in which a holder of Registrable Securities is participating, each such holder shall furnish to Pubco in writing such information relating to such holder as Pubco reasonably requests for use in connection with any such Registration Statement or prospectus and, to the extent permitted by law, shall indemnify Pubco, its officers, directors, employees, agents and representatives and each Person who controls Pubco (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses resulting from any untrue or alleged untrue statement of material fact contained in the Registration Statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue or alleged untrue statement or omission is contained in any information so furnished in writing by or on behalf of such holder or to the extent that such Loss results from an Investor's initiation of a transaction pursuant to a Registration Statement during a Suspension Event noticed to such Investor by Pubco in accordance with Section 2(f)(ii) hereof; provided that the obligation to indemnify shall be individual, not joint and several, for each holder and shall be limited to the net amount of proceeds actually received by such holder from the sale of Registrable Securities pursuant to such Registration Statement.

(c) Any Person entitled to indemnification hereunder shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any Person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party in defending such claim) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld, conditioned or delayed). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel (as well as one local counsel for each applicable jurisdiction) for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. In such instance, the conflicted indemnified parties shall have a right to retain one separate counsel, chosen by the holders of a majority of the Registrable Securities included in the registration, at the expense of the indemnifying party. Notwithstanding anything to the contrary contained herein, Pubco shall not, without the prior written consent of the Person entitled to indemnification, consent to entry of any judgment or enter into any settlement or other compromise with respect to any claim in respect of which indemnification or contribution may be or has been sought hereunder (whether or not any such indemnified Person is an actual or potential party to such action or claim) which does not include as an unconditional term thereof the giving by the claimant or plaintiff to the indemnified Persons of a full release from all liability with respect to such claim or which includes any admission as to fault or culpability or failure to act on the part of any indemnified Person.

(d) Each party hereto agrees that, if for any reason the indemnification provisions contemplated by Sections 8(a) or 8(b) are unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to therein, then each indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party in connection with the actions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, relates to information supplied by or on behalf of such indemnifying party or indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just or equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation (even if the holders or any underwriters or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or, except as provided in Section 8(c), defending any such action or claim. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The sellers' obligations in this Section 8(d) to contribute shall be several in proportion to the amount of securities registered by them and not joint and shall be limited to an amount equal to the net proceeds actually received by such seller from the sale of Registrable Securities effected pursuant to such registration (less the aggregate amount of any damages or other amounts such Investor has otherwise been required to pay (pursuant to Section 8(b) or otherwise) as a result of any untrue statements, alleged untrue statements, omissions or alleged omissions in connection with such registration).

(e) The indemnification and contribution provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director, manager, agent, representative or controlling Person of such indemnified party and shall survive the transfer of Registrable Securities and the termination or expiration of this Agreement.

9. Participation in Underwritten Registrations. No Person may participate in any registration hereunder which is underwritten unless such Person (a) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Person or Persons entitled hereunder to approve such arrangements (including, without limitation, pursuant to any over-allotment or "green shoe" option requested by the underwriters; provided that no holder of Registrable Securities shall be required to sell more than the number of Registrable Securities such holder has requested to include) and (b) completes and executes all questionnaires, powers of attorney, custody agreements, stock powers, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements; provided that no holder of Registrable Securities included in any underwritten registration shall be required to make any representations or warranties to Pubco or the underwriters (other than representations and warranties regarding such holder, such holder's title to the securities, such Person's authority to sell such securities and such holder's intended method of distribution) or to undertake any indemnification obligations to Pubco or the underwriters with respect thereto that are materially more burdensome than those provided in Section 8. Each holder of Registrable Securities shall execute and deliver such other agreements as may be reasonably requested by Pubco and the lead managing underwriter(s) that are consistent with such holder's obligations under Section 4, Section 5 and this Section 9 or that are necessary to give further effect thereto, and Pubco shall execute and deliver such other agreements as may be reasonably requested by the lead managing underwriter(s) (if applicable) in order to effect any registration required hereunder. To the extent that any such agreement is entered into pursuant to, and consistent with, Section 4 and this Section 9, the respective rights and obligations created under such agreement shall supersede the respective rights and obligations of the holders, Pubco and the underwriters created pursuant to this Section 9.

10. Other Agreements.

(a) For so long as any Investor holds Registrable Securities that may be sold pursuant to Rule 144 only if Pubco is in compliance with the current public information requirement under Rule 144(c)(1) (or Rule 144(i)(2), if applicable), Pubco will use its commercially reasonable efforts to make and keep public information available, as those terms are understood and defined in Rule 144 and, in furtherance thereof, (i) remain subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act; and (ii) timely (without giving effect to any extensions pursuant to Rule 12b-25 under the Exchange Act, as applicable) file all reports and other materials required to be filed by Section 13 or 15(d) of the Exchange Act, as applicable (provided, that the failure to file Current Reports on Form 8-K, other than the Form 8-K filed on the Form 10 Disclosure Filing Date, shall not be deemed to violate this Section 10(b) to the extent that Rule 144 remains available for the resale of Registrable Securities). Upon reasonable prior written request, Pubco shall deliver to the Investors a customary written statement as to whether it has complied with such requirements.

(b) Notwithstanding anything in this Agreement to the contrary, and subject to (and without limiting) Section 8(s) of the Subscription Agreements, in the event that Pubco believes that a notice or communication required by this Agreement to be delivered to any Investor contains material, nonpublic information relating to Pubco, its securities, any of its affiliates or any other Person, Pubco shall so indicate to such Investor prior to delivery of such notice or communication, and such indication shall provide such Investor the means to refuse to receive such notice or communication; and in the absence of any such indication, the Investors and their respective affiliates, agents and representatives shall be allowed to presume that all matters relating to such notice or communication do not constitute material, nonpublic information relating to Pubco, its securities, any of its affiliates or any other Person. In the event of a breach of any of the foregoing covenants by Pubco, any of its affiliates, or any of its or their respective officers, directors (or equivalent persons), employees, attorneys, agents or representatives, in addition to any other remedies otherwise available at law or in equity, each of the Investors shall have the right to make a public disclosure in the form of a press release or otherwise, of the applicable material nonpublic information without the prior approval by Pubco or any of its affiliates, officers, directors (or equivalent persons), employees, stockholders, attorneys, agents or representatives, and no Investor (nor any of its affiliates, agents or representatives) shall have any liability to Pubco, any of its affiliates or any of its or their respective officers, directors (or equivalent persons), employees, stockholders, attorneys, agents or representatives for any such disclosure.

(c) Notwithstanding the foregoing and Section 8(s) of the Subscription Agreements, to the extent Pubco reasonably and in good faith determines that it is necessary to disclose material non-public information to an Investor in order to comply with its obligations hereunder (a "Necessary Disclosure"), Pubco shall inform counsel to such Investor (which, with respect to the Deerfield Investors, shall be Katten Muchin Rosenman LLP (Attn: Mark D. Wood and Jonathan D. Weiner)) of such determination without disclosing the applicable material non-public information, and Pubco and such counsel on behalf of the applicable Investor shall endeavor to agree upon a process for making such Necessary Disclosure to the applicable Investor or its representatives that is mutually acceptable to such Investor and Pubco (an "Agreed Disclosure Process"). Thereafter, Pubco shall be permitted to make such Necessary Disclosure (only) in accordance with the Agreed Disclosure Process. In furtherance of (but without limiting) the foregoing or Section 8(s) of the Subscription Agreements, at any time on or after the effective date of the Resale Shelf Registration Statement, any Investor may deliver written notice (an "Opt-Out Notice") to Pubco requesting that such Investor thereafter not receive notices from Pubco otherwise required by Section 10 of this Agreement, other than Suspension Notices to the extent applicable to such Investor; provided, however, that such Investor may later revoke any such Opt-Out Notice in writing. Following receipt of an Opt-Out Notice from any Investor (unless such Opt-Out Notice is subsequently revoked), Pubco shall not deliver any such notices to such Investor, and such Investor shall no longer be entitled to the rights associated with any such notice or conditioned upon the receipt of or response to any such notice.

(d) The stock certificates evidencing the Registrable Securities (and/or book entries representing the Registrable Securities) held by each Investor shall not contain or be subject to any legend restricting the transfer thereof (and the Registrable Securities shall not be subject to any stop transfer or similar instructions or notations) and no Investor shall be required to delivery any documentation affixed with a medallion guarantee in connection therewith: (A) while a Registration Statement covering the sale or resale of such securities is effective under the Securities Act, or (B) if such Investor provides customary paperwork to the effect that it has sold such shares pursuant to Rule 144, or (C) if such Registrable Securities are eligible for sale under Rule 144(b)(1) as set forth in customary non-affiliate paperwork provided by such Investor, or (D) if at any time on or after the date that is one year after the Form 10 Disclosure Filing Date such Investor certifies that it is not an affiliate of Pubco and that such Investor's holding period for purposes of Rule 144 in respect of such Registrable Securities is at least six (6) months, or (E) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission) as determined in good faith by counsel to Pubco or set forth in a legal opinion delivered by nationally recognized counsel to the Initiating Holder (collectively, the "Unrestricted Conditions"). Pubco agrees that following the Registration Date or at such time as any of the Unrestricted Conditions is met or such legend is otherwise no longer required it will, no later than two (2) Business Days following the delivery by an Investor to Pubco or Pubco's transfer agent of a certificate representing any Registrable Securities, issued with a restrictive legend, (or, in the case of Registrable Securities represented by book entries, delivery by an Investor to Pubco or Pubco's transfer agent of a legend removal request) deliver or cause to be delivered to such Investor a certificate or, at the request of such Investor, deliver or cause to be delivered such Registrable Securities to such Investor by crediting the account of such Investor's prime broker with DTC through its Deposit/Withdrawal at Custodian (DWAC) system, in each case, free from all restrictive and other legends and stop transfer or similar instructions or notations and without the requirement for any Investor to deliver any documentation affixed with a medallion guarantee. For purposes hereof, "Registration Date" shall mean the date that the Resale Shelf Registration Statement covering the Registration Statement has been declared effective by the Commission. If any of the Unrestricted Conditions is met at the time of issuance of any Registrable Securities (e.g., upon exercise of warrants), then such securities shall be issued free of all legends. Each Investor shall have the right to pursue any remedies available to it hereunder, or otherwise at law or in equity, including a decree of specific performance and/or injunctive relief, with respect to Pubco's failure to timely deliver shares of Common Stock without legend as required pursuant to the terms hereof.

12. Miscellaneous.

(a) No Inconsistent Agreements. Pubco shall not hereafter enter into any agreement with respect to its securities which is inconsistent with or violates or in any way impairs the rights granted to the Investors in this Agreement.

(b) Entire Agreement. This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreements, understandings, negotiations and discussions among the parties hereto, written or oral, with respect to the subject matter hereof, and amends and restates the Prior Agreement its entirety.

(c) Remedies. Any Person having rights under any provision of this Agreement shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages caused by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law. The parties hereto agree and acknowledge that money damages would not be an adequate remedy for any breach of the provisions of this Agreement and that, in addition to any other rights and remedies existing in its favor, any party shall be entitled to specific performance and/or other injunctive relief from any court of law or equity of competent jurisdiction (without posting any bond or other security) in order to enforce or prevent violation of the provisions of this Agreement.

(d) Amendments and Waivers. Except as otherwise provided herein, the provisions of this Agreement may be amended or waived only with the prior written consent of Pubco and the holders of a majority of the Registrable Securities then outstanding; provided, that (i) such majority shall include the Majority Deerfield Investors for so long as the Deerfield Investors hold at least 5% of the outstanding Common Stock on the date of such amendment or waiver (assuming the exercise of all warrants, and the conversion of all preferred stock and other convertible securities, held by the Deerfield Investors without giving effect to any restrictions or limitations on exercise or conversion thereof), provided that for so long as the Deerfield Investors hold any Registrable Securities, such majority shall include the Majority Deerfield Investors in all cases to amend or waive any provision of Section 1, Section 2(f), Section 4(a), Section 10 and this Section 12(d) hereof and any related definitions (including the definition of “Deerfield Investors” and “Majority Deerfield Investors”) and (ii) such majority shall include the Majority TOI Investors for so long as the TOI Investors hold at least 5% of the outstanding Common Stock on the date of such amendment or waiver, provided, further, that no amendment may materially and disproportionately adversely affect the rights of any holder of Registrable Securities compared to other holders of Registrable Securities without the consent of such adversely affected holder. Any amendment or waiver effected in accordance with this Section 12(d) shall be binding upon each Investor and Pubco. The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of such provisions and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

(e) Successors and Assigns. All covenants and agreements in this Agreement by or on behalf of any of the parties hereto shall bind and inure to the benefit of the respective successors and permitted assigns of the parties hereto whether so expressed or not. In addition, whether or not any express assignment has been made, the provisions of this Agreement which are for the benefit of purchasers or holders of Registrable Securities are also for the benefit of, and enforceable by, any subsequent holder of Registrable Securities and any subsequent holder of securities that are convertible into, or exercisable or exchangeable for, Registrable Securities. Pubco shall not assign its obligations hereunder without the prior written consent of the holders of a majority of the Registrable Securities then outstanding; provided, that such majority shall include the Majority Deerfield Investors for so long as the Majority Deerfield Investors hold at least 5% of the outstanding Common Stock on the date such consent is sought.

(f) Transfer of Rights. An Investor may transfer or assign, in whole or from time to time in part, to one or more Permitted Transferees, its rights and obligations under this Agreement and such rights will be transferred to such transferee effective upon receipt by Pubco of (A) written notice from such Investor stating the name and address of the transferee and identifying the number of Registrable Securities with respect to which rights under this Agreement are being transferred and the nature of the rights so transferred, and (B) except in the case of a transfer to an existing Investor, a written agreement from such transferee to be bound by the terms of this Agreement. A transferee of Registrable Securities who satisfies the conditions set forth in this Section 12(f) shall henceforth be an "Investor" for purposes of this Agreement and in the case of a transfer from a TOI Investor or Deerfield Investor, a transferee shall be considered a TOI Investor or Deerfield Investor as shall be applicable. In the event a holder transfers Registrable Securities included on a Registration Statement and such Registrable Securities remain Registrable Securities following such transfer, at the request of such holder, Pubco shall use its reasonable best efforts to amend or supplement the Resale Shelf Registration Statement as may be necessary in order to enable such transferee to offer and sell such Registrable Securities pursuant to such Resale Shelf Registration Statement; provided that in no event shall Pubco be required to file a post-effective amendment to the Resale Shelf Registration Statement unless Pubco receives a written request from the subsequent transferee, requesting that its shares of Common Stock be included in the Resale Shelf Registration Statement, with all information reasonably requested by Pubco.

(g) Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid, illegal or unenforceable in any respect under any applicable law, such provision shall be ineffective only to the extent of such prohibition, invalidity, illegality or unenforceability, without invalidating the remainder of this Agreement.

(h) Counterparts. This Agreement may be executed simultaneously in counterparts (including by means of facsimile, electronic mail, portable data format (PDF) or other electronic signature pages), any one of which need not contain the signatures of more than one party, but all such counterparts taken together shall constitute one and the same Agreement.

(i) Descriptive Headings; Interpretation. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a part of this Agreement. Unless the context otherwise required: (i) the use of the word "including" herein shall mean "including without limitation," (ii) all references to Sections, Schedules or Exhibits are to Sections, Schedules or Exhibits contained in or attached to this Agreement, and (iii) words in the singular or plural include the singular and plural, and pronouns stated in either the masculine, the feminine or neuter gender shall include the masculine, feminine and neuter.

(j) Governing Law; Jurisdiction. All issues and questions concerning the construction, validity, enforcement and interpretation of this Agreement and the exhibits and schedules hereto shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware. The parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in any Delaware Chancery Court, or if such court does not have subject matter jurisdiction, any court of the United States located in the State of Delaware. Each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court.

All notices, demands or other communications to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt) by delivery in person, by or email or by registered or certified mail (postage prepaid, return receipt requested) to each Investor at the address indicated on the Schedule of Investors attached hereto and to Pubco at the address indicated below (or at such other address as shall be specified in a notice given in accordance with this Section 12(k)):

THE ONCOLOGY INSTITUTE, INC. 2021 INCENTIVE AWARD PLAN

ARTICLE I.
PURPOSE

The Plan's purpose is to enhance the Company's and its Related Entities' ability to attract, retain and motivate persons who make (or are expected to make) important contributions to the Company or its Related Entities by providing these individuals with equity ownership opportunities and/or equity-linked compensatory opportunities. Capitalized terms used in the Plan are defined in Article XI.

ARTICLE II.
ELIGIBILITY

Service Providers are eligible to be granted Awards under the Plan as determined by the Administrator from time to time, subject to the limitations described herein.

ARTICLE III.
ADMINISTRATION AND DELEGATION

3.1 Administration. The Plan is administered by the Administrator. The Administrator has authority to determine which Service Providers receive Awards, grant Awards and set Award terms and conditions, subject to the conditions and limitations in the Plan. The Administrator also has the authority to take all actions and make all determinations under the Plan, to interpret the Plan and Award Agreements and to adopt, amend and repeal Plan administrative rules, guidelines and practices as it deems advisable. The Administrator may correct defects and ambiguities, supply omissions and reconcile inconsistencies in the Plan or any Award Agreement as it deems necessary or appropriate to administer the Plan and any Awards. The Administrator's determinations under the Plan are in its sole discretion and will be final and binding on all persons having or claiming any interest in the Plan or any Award.

3.2 Appointment of Committees. To the extent Applicable Laws permit, the Board or the Administrator may delegate any or all of its powers under the Plan to one or more Committees or committees of officers of the Company or any of its Related Entities. The Board or the Administrator, as applicable, may rescind any such delegation, abolish any such Committee or committee and/or re-vest in itself any previously delegated authority at any time. In no event shall any officer of the Company be delegated the authority to grant Awards to, or amend Awards held by, individuals who are subject to Section 16 of the Exchange Act or officers of the Company (or non-employee Directors) to whom the authority to grant or amend Awards has been delegated hereunder. In the event that the Administrator's authority is delegated to officers or employees of the Company or any of its Related Entities in accordance with the foregoing, all provisions of the Plan relating to the Administrator shall be interpreted by treating any reference to the Administrator as a reference to such officers or employees. Any action undertaken in accordance with the Board's or the Administrator's delegation of authority hereunder shall have the same force and effect as if such action was undertaken directly by the Board or the Administrator and shall be deemed for all purposes of the Plan to have been taken by the Board or the Administrator (as applicable).

ARTICLE IV.
STOCK AVAILABLE FOR AWARDS

4.1 Number of Shares. Subject to adjustment under Article VIII and the terms of this Article IV, the maximum number of Shares that may be issued pursuant to Awards under the Plan shall be equal to the Overall Share Limit. As of the Effective Date, no further awards may be granted under the Prior Plan; however, Prior Plan Awards will remain subject to the terms and conditions of the Prior Plan. Shares issued under the Plan may consist of authorized but unissued Shares, Shares purchased on the open market or treasury Shares.

4.2 Share Recycling. If all or any part of an Award or Prior Plan Award expires, lapses or is terminated, exchanged for or settled in cash, surrendered, repurchased, canceled without having been fully exercised/settled or forfeited, in any case, in a manner that results in the Company acquiring Shares covered by the Award or Prior Plan Award at a price not greater than the price (as adjusted to reflect any Equity Restructuring) paid by the Participant for such Shares or not issuing any Shares covered by the Award or Prior Plan Award, the unused Shares covered by the Award or Prior Plan Award will, as applicable, become or again be available for Award grants under the Plan. In addition, Shares delivered (either by actual delivery or attestation) to the Company by a Participant to satisfy the applicable exercise or purchase price of an Award or Prior Plan Award and/or to satisfy any applicable tax withholding obligation with respect to an Award (including Shares retained by the Company from the Award or Prior Plan Award being exercised or purchased and/or creating the tax obligation) will, as applicable, become or again be available for Award grants under the Plan. The payment of Dividend Equivalents in cash in conjunction with any outstanding Awards or Prior Plan Awards shall not count against the Overall Share Limit. If any Optionholder Earnout Shares or Stockholder Earnout Shares are forfeited by reason of a Participant's Termination of Service (and not because of the failure to satisfy the Share price conditions thereof), then such Optionholder Earnout Shares or Stockholder Earnout Shares, as applicable, shall become available for Award grants under the Plan.

4.3 Incentive Stock Option Limitations. Subject to the Overall Share Limit, no more than a number of Shares equal to seven percent (7%) of the total number of shares of Common Stock outstanding on a fully diluted basis, as determined at the Effective Date may be issued pursuant to Incentive Stock Options granted under the Plan.

4.4 Substitute Awards. In connection with an entity's merger or consolidation with the Company or any Related Entity or the Company's or any Related Entity's acquisition of an entity's property or stock, the Administrator may grant Awards in substitution for any options or other stock or stock-based awards granted before such merger or consolidation by such entity or its affiliate. Substitute Awards may be granted on such terms as the Administrator deems appropriate, notwithstanding limitations on Awards in the Plan. Substitute Awards will not count against the Overall Share Limit (nor shall Shares subject to a Substitute Award be added to the Shares available for Awards under the Plan as provided above), except that Shares acquired by exercise of substitute Incentive Stock Options will count against the maximum number of Shares that may be issued pursuant to the exercise of Incentive Stock Options under the Plan. Additionally, in the event that a company acquired by the Company or any Related Entity or with which the Company or any Related Entity combines has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for grant under the Plan (and Shares subject to such Awards shall not be added to the Shares available for Awards under the Plan as provided above); provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Service Providers prior to such acquisition or combination.

4.5 Non-Employee Director Compensation. Notwithstanding any provision to the contrary in the Plan, the Administrator may establish compensation for non-employee Directors from time to time, subject to the limitations in the Plan. The Administrator will from time to time determine the terms, conditions and amounts of all such non-employee Director compensation in its discretion and pursuant to the exercise of its business judgment, taking into account such factors, circumstances and considerations as it shall deem relevant from time to time; provided that, the sum of any cash compensation, or other compensation, and the value (determined as of the grant date in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, or any successor thereto) of Awards granted to a non-employee Director as compensation for services as a non-employee Director during any fiscal year of the Company may not exceed $625,000. The Administrator may make exceptions to these limits for individual non-employee Directors in extraordinary circumstances, as the Administrator may determine in its discretion, provided that the non-employee Director receiving such additional compensation may not participate in the decision to award such compensation or in other contemporaneous compensation decisions involving non- employee Directors.

ARTICLE V.
STOCK OPTIONS AND STOCK APPRECIATION RIGHTS

5.1 General. The Administrator may grant Options or Stock Appreciation Rights to Service Providers subject to the limitations in the Plan, including any limitations in the Plan that apply to Incentive Stock Options. The Administrator will determine the number of Shares covered by each Option and Stock Appreciation Right, the exercise price of each Option and Stock Appreciation Right and the conditions and limitations applicable to the exercise of each Option and Stock Appreciation Right. A Stock Appreciation Right will entitle the Participant (or other person entitled to exercise the Stock Appreciation Right) to receive from the Company upon exercise of the exercisable portion of the Stock Appreciation Right an amount determined by multiplying the excess, if any, of the Fair Market Value of one Share on the date of exercise over the exercise price per Share of the Stock Appreciation Right by the number of Shares with respect to which the Stock Appreciation Right is exercised, subject to any limitations of the Plan or that the Administrator may impose and payable in cash, Shares valued at Fair Market Value or a combination of the two as the Administrator may determine or provide in the Award Agreement.

5.2 Exercise Price. The Administrator will establish each Option's and Stock Appreciation Right's exercise price and specify the exercise price in the Award Agreement. Unless otherwise determined by the Board, the exercise price will not be less than 100% of the Fair Market Value on the grant date of the Option (subject to Section 5.6) or Stock Appreciation Right. Notwithstanding the foregoing, in the case of an Option or a Stock Appreciation Right that is a Substitute Award, the exercise price per share of the Shares subject to such Option or Stock Appreciation Right, as applicable, shall be determined in accordance with the applicable requirements of Sections 424 and 409A of the Code (and for clarity, may be less than the Fair Market Value per Share on the date of grant if (to the extent applicable) permitted under Sections 424 and/or 409A of the Code).

5.3 Duration. Each Option or Stock Appreciation Right will be exercisable at such times and as specified in the Award Agreement, provided that, subject to Section 5.6, the term of an Option or Stock Appreciation Right will not exceed ten years. Notwithstanding the foregoing and unless determined otherwise by the Company, in the event that on the last business day of the term of an Option (other than an Incentive Stock Option) or Stock Appreciation Right (i) the exercise of the Option or Stock Appreciation Right is prohibited by Applicable Law, as determined by the Company, or (ii) Shares may not be purchased or sold by the applicable Participant due to any Company insider trading policy (including blackout periods) or a "lock-up" agreement undertaken in connection with an issuance of securities by the Company, the term of the Option or Stock Appreciation Right shall be automatically extended until the date that is 30 days after the end of the legal prohibition, black-out period or lock-up agreement, as determined by the Company; provided, however, in no event shall the extension last beyond the ten year term (or any shorter maximum, if applicable) of the applicable Option or Stock Appreciation Right. Notwithstanding the foregoing, to the extent permitted under Applicable Laws, if the Participant, prior to the end of the term of an Option or Stock Appreciation Right, violates the non-competition, non-solicitation, confidentiality or other similar restrictive covenant provisions of any employment contract, confidentiality and nondisclosure agreement or other agreement between the Participant and the Company or any of its Related Entities, the right of the Participant and the Participant's transferees to exercise any Option or Stock Appreciation Right issued to the Participant shall terminate immediately upon such violation, unless the Company otherwise determines prior to such violation and/or sets forth in the Award Agreement.

5.4 Exercise. Options and Stock Appreciation Rights may be exercised by delivering to the Company (or its Agent) a written notice of exercise, in a form the Administrator approves (which may be electronic and provided through the online platform maintained by an Agent), signed by the person authorized to exercise the Option or Stock Appreciation Right, together with, as applicable, payment in full (i) as specified in Section 5.5 for the number of Shares for which the Award is exercised and (ii) as specified in Section 9.5 for any applicable taxes. Unless the Administrator otherwise determines, an Option or Stock Appreciation Right may not be exercised for a fraction of a Share.

5.5 Payment Upon Exercise. Subject to Section 10.8, any Company insider trading policy (including blackout periods) and Applicable Laws, the exercise price of an Option must be paid by online payment through the Agent's electronic platform or by wire transfer of immediately available funds to the Agent (or, in each case, if the Company has no Agent accepting payment, by wire transfer of immediately available funds to the Company) or, solely with the consent of the Administrator, by:

(a) cash, wire transfer of immediately available funds or check payable to the order of the Company, provided that the Administrator may limit the use of one of the foregoing payment forms if one or more of the payment forms below is permitted;

(b) if there is a public market for Shares at the time of exercise, unless the Administrator otherwise determines, (A) delivery (including electronically or telephonically to the extent permitted by the Administrator) of an irrevocable and unconditional undertaking by a broker acceptable to the Administrator to deliver promptly to the Company sufficient funds to pay the exercise price, or (B) the Participant's delivery to the Company of a copy of irrevocable and unconditional instructions to a broker acceptable to the Administrator to deliver promptly to the Company cash or a check sufficient to pay the exercise price; provided that such amount is paid to the Company at such time as may be required by the Administrator;

(c) delivery (either by actual delivery or attestation) of Shares owned by the Participant valued at their Fair Market Value;

(d) surrendering Shares then issuable upon the Option's exercise valued at their Fair Market Value on the exercise date;

(e) delivery of a promissory note or any other property that the Administrator determines is good and valuable consideration; or

(f) any combination of the above payment forms approved by the Administrator.

5.6 Additional Terms of Incentive Stock Options. The Administrator may grant Incentive Stock Options only to employees of the Company, any of its present or future parent or subsidiary corporations, as defined in Sections 424(e) or (f) of the Code, respectively, and any other entities the employees of which are eligible to receive Incentive Stock Options under the Code. If an Incentive Stock Option is granted to a Greater Than 10% Stockholder, the exercise price will not be less than 110% of the Fair Market Value on the Option's grant date, and the term of the Option will not exceed five years. All Incentive Stock Options will be subject to and construed consistently with Section 422 of the Code. By accepting an Incentive Stock Option, the Participant agrees to give prompt notice to the Company of dispositions or other transfers (other than in connection with a Change of Control) of Shares acquired under the Option made within (i) two years from the grant date of the Option or (ii) one year after the transfer of such Shares to the Participant, specifying the date of the disposition or other transfer and the amount the Participant realized, in cash, other property, assumption of indebtedness or other consideration, in such disposition or other transfer. Neither the Company nor the Administrator will be liable to a Participant, or any other party, if an Incentive Stock Option fails or ceases to qualify as an "incentive stock option" under Section 422 of the Code. Any Incentive Stock Option or portion thereof that fails to qualify as an "incentive stock option" under Section 422 of the Code for any reason, including becoming exercisable with respect to Shares having a fair market value exceeding the $100,000 limitation under Treasury Regulation Section 1.422-4, will be a Non-Qualified Stock Option.

ARTICLE VI.
RESTRICTED STOCK; RESTRICTED STOCK UNITS

6.1 General. The Administrator may grant Restricted Stock, or the right to purchase Restricted Stock, to any Service Provider, subject to the Company's right to repurchase all or part of such Shares at their issue price or other stated or formula price from the Participant (or to require forfeiture of such Shares) if conditions the Administrator specifies in the Award Agreement are not satisfied before the end of the applicable restriction period or periods that the Administrator establishes for such Award. In addition, the Administrator may grant Restricted Stock Units to any Service Provider, which may be subject to vesting and forfeiture conditions during the applicable restriction period or periods, as set forth in an Award Agreement. The Administrator will determine and set forth in the Award Agreement the terms and conditions for each Restricted Stock and Restricted Stock Unit Award, subject to the conditions and limitations contained in the Plan.

6.2 Restricted Stock.

(a) Dividends. Participants holding Shares of Restricted Stock will be entitled to all ordinary cash dividends paid with respect to such Shares, unless the Administrator provides otherwise in the Award Agreement. In addition, unless the Administrator provides otherwise, if any dividends or distributions are paid in Shares, or consist of a dividend or distribution to holders of Common Stock of property other than an ordinary cash dividend, the Shares or other property will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid. Notwithstanding anything to the contrary herein, with respect to any award of Restricted Stock, dividends which would be paid prior to vesting shall only be paid out to the Participant holding such Restricted Stock to the extent that the Restricted Stock vesting conditions are subsequently satisfied. All such dividend payments will be made no later than March 15 of the calendar year following the calendar year in which the right to the dividend payment becomes nonforfeitable.

(b) Stock Certificates. The Company may require that the Participant deposit in escrow with the Company (or its designee) any stock certificates issued in respect of Shares of Restricted Stock, together with a stock power endorsed in blank.

6.3 Restricted Stock Units.

(a) Settlement. The Administrator shall provide in the Award Agreement that settlement of Restricted Stock Units will occur upon or as soon as reasonably practicable after the Restricted Stock Units vest or will instead be deferred, on a mandatory basis or at the Participant's election, in a manner intended to comply with Section 409A (to the extent applicable).

(b) Stockholder Rights. A Participant will have no rights of a stockholder with respect to Shares subject to any Restricted Stock Unit unless and until the Shares are delivered in settlement of the Restricted Stock Unit.

ARTICLE VII.
OTHER STOCK OR CASH BASED AWARDS; DIVIDEND EQUIVALENTS

7.1 Other Stock or Cash Based Awards. Other Stock or Cash Based Awards may be granted to Participants, including Awards entitling Participants to receive Shares to be delivered in the future and including annual or other periodic or long-term cash bonus awards (whether based on specified Performance Criteria or otherwise), in each case subject to any conditions and limitations in the Plan. Such Other Stock or Cash Based Awards will also be available as a payment form in the settlement of other Awards, as standalone payments and as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock or Cash Based Awards may be paid in Shares, cash or other property, or any combination of the foregoing, as the Administrator determines. Subject to the provisions of the Plan, the Administrator will determine the terms and conditions of each Other Stock or Cash Based Award, including any purchase price, performance goal(s) (which may be based on the Performance Criteria), transfer restrictions, and vesting conditions, which will be set forth in the applicable Award Agreement. In addition, the Company may adopt subplans or programs under the Plan pursuant to which it makes Awards available in a manner consistent with the terms and conditions of the Plan.

7.2 Dividend Equivalents. An Award may provide a Participant with the right to receive Dividend Equivalents. Dividend Equivalents may be settled in cash or Shares and subject to the same restrictions on transferability and forfeitability as the underlying Award with respect to which the Dividend Equivalents are paid and subject to other terms and conditions as set forth in the Award Agreement.

ARTICLE VIII.
ADJUSTMENTS FOR CHANGES IN COMMON STOCK AND CERTAIN OTHER EVENTS

8.1 Equity Restructuring(a). In connection with any Equity Restructuring, notwithstanding anything to the contrary in this Article VIII, the Administrator will equitably adjust each outstanding Award as it deems appropriate to reflect the Equity Restructuring, which may include adjusting the number and type of securities subject to each outstanding Award and/or the Award's exercise price or grant price (if applicable), granting new Awards to Participants, and/or making a cash payment to Participants. The adjustments provided under this Section 8.1 will be nondiscretionary and final and binding on the affected Participant and the Company; provided that the Administrator will determine whether an adjustment is equitable.

8.2 Corporate Transactions. In the event of any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), reorganization, merger, consolidation, combination, amalgamation, repurchase, recapitalization, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or sale or exchange of Common Stock or other securities of the Company, Change of Control, issuance of warrants or other rights to purchase Common Stock or other securities of the Company outside of the Plan, other similar corporate transaction or event, other unusual or nonrecurring transaction or event affecting the Company or its financial statements or any change in any Applicable Laws or accounting principles, the Administrator, on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event (except that action to give effect to a change in Applicable Law or accounting principles may be made within a reasonable period of time after such change) and either automatically or upon the Participant's request, is hereby authorized to take any one or more of the following actions whenever the Administrator determines that such action is appropriate in order to (x) prevent dilution or enlargement of the benefits or potential benefits intended by the Company to be made available under the Plan or with respect to any Award granted or issued under the Plan, (y) to facilitate such transaction or event or (z) give effect to such changes in Applicable Laws or accounting principles:

(a) To provide for the cancellation of any such Award in exchange for either an amount of cash or other property with a value equal to the amount that could have been obtained upon the exercise or settlement of the vested portion of such Award or realization of the Participant's rights under the vested portion of such Award, as applicable; provided that, if the amount that could have been obtained upon the exercise or settlement of the vested portion of such Award or realization of the Participant's rights, in any case, is equal to or less than zero, then the Award may be terminated without payment;

(b) To provide that such Award shall vest and, to the extent applicable, be exercisable as to all Shares covered thereby, notwithstanding anything to the contrary in the Plan or the provisions of such Award;

(c) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and/or applicable exercise or purchase price, in all cases, as determined by the Administrator;

(d) To make adjustments in the number and type of Shares (or other securities or property) subject to outstanding Awards and/or with respect to which Awards may be granted under the Plan (including, but not limited to, adjustments of the limitations in Article IV on the maximum number and kind of shares which may be issued) and/or in the terms and conditions of (including the grant or exercise price or applicable performance goals), and the criteria included in, outstanding Awards;

(e) To replace such Award with other rights or property selected by the Administrator; and/or

(f) To provide that the Award will terminate and cannot vest, be exercised or become payable after the applicable event.

8.3 Effect of Non-Assumption in a Change of Control. Notwithstanding the provisions of Section 8.2, if a Change of Control occurs and a Participant's Award is not continued, converted, assumed, or replaced with an award (which may include, without limitation, a cash-based award) with substantially the same value and a substantially similar vesting schedule as of such conversion by (a) the Company, or (b) a successor entity or its parent or subsidiary (an "***Assumption***"), and provided that the Participant has not had a Termination of Service, then, immediately prior to the Change of Control, such Award shall become fully vested and exercisable, as applicable, and all forfeiture, repurchase and other restrictions on such Award shall lapse, in which case, such Award shall be canceled upon the consummation of the Change of Control in exchange for the right to receive the Change of Control consideration payable to other holders of Common Stock (i) which may be on such terms and conditions as apply generally to holders of Common Stock under the Change of Control documents (including, without limitation, any escrow, earnout or other deferred consideration provisions) or such other terms and conditions as the Administrator may provide, and (ii) determined by reference to the number of Shares subject to such Award and net of any applicable exercise price; provided that to the extent that any Award constitutes "nonqualified deferred compensation" that may not be paid upon the Change of Control under Section 409A (to the extent applicable to such Award) without the imposition of taxes thereon under Section 409A, the timing of such payments shall be governed by the applicable Award Agreement (subject to any deferred consideration provisions applicable under the Change of Control documents); and provided, further, that if the amount to which the Participant would be entitled upon the settlement or exercise of such Award at the time of the Change of Control is equal to or less than zero, then such Award may be terminated without payment. The Administrator shall have full and final authority to determine whether an Assumption of an Award has occurred in connection with a Change of Control.

8.4 Administrative Stand Still. In the event of any pending stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other extraordinary transaction or change affecting the Shares or the share price of Common Stock, including any Equity Restructuring or any securities offering or other similar transaction, for administrative convenience, the Administrator may refuse to permit the exercise of any Award for up to 60 days before or after such transaction.

8.5 General. Except as expressly provided in the Plan or the Administrator's action under the Plan, no Participant will have any rights due to any subdivision or consolidation of Shares of any class, dividend payment, increase or decrease in the number of Shares of any class or dissolution, liquidation, merger, or consolidation of the Company or other corporation. Except as expressly provided with respect to an Equity Restructuring under Section 8.1 or the Administrator's action under the Plan, no issuance by the Company of Shares of any class, or securities convertible into Shares of any class, will affect, and no adjustment will be made regarding, the number of Shares subject to an Award or the Award's grant or exercise price. The existence of the Plan, any Award Agreements and the Awards granted hereunder will not affect or restrict in any way the Company's right or power to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, (ii) any merger, consolidation dissolution or liquidation of the Company or sale of Company assets or (iii) any sale or issuance of securities, including securities with rights superior to those of the Shares or securities convertible into or exchangeable for Shares. The Administrator may treat Participants and Awards (or portions thereof) differently under this Article VIII.

ARTICLE IX.
GENERAL PROVISIONS APPLICABLE TO AWARDS

9.1 Transferability. Except as the Administrator may determine or provide in an Award Agreement or otherwise for Awards other than Incentive Stock Options, Awards may not be sold, assigned, transferred, pledged or otherwise encumbered, either voluntarily or by operation of law, except for certain beneficiary designations, by will or the laws of descent and distribution, or, subject to the Administrator's consent, pursuant to a domestic relations order, and, during the life of the Participant, will be exercisable only by the Participant. Any permitted transfer of an Award hereunder shall be without consideration, except as required by Applicable Law. References to a Participant, to the extent relevant in the context, will include references to a Participant's authorized transferee that the Administrator specifically approves.

9.2 Documentation. Each Award will be evidenced in an Award Agreement, which may be written or electronic, as the Administrator determines. The Award Agreement will contain the terms and conditions applicable to an Award. Each Award may contain terms and conditions in addition to those set forth in the Plan.

9.3 Discretion. Except as the Plan otherwise provides, each Award may be made alone or in addition or in relation to any other Award. The terms of each Award to a Participant need not be identical, and the Administrator need not treat Participants or Awards (or portions thereof) uniformly.

9.4 Termination of Status. The Administrator will determine how a Participant's Disability, death, retirement or authorized leave of absence or any other change or purported change in a Participant's Service Provider status affects an Award (including whether and when a Termination of Service has occurred) and the extent to which, and the period during which the Participant, the Participant's legal representative, conservator, guardian or Designated Beneficiary may exercise rights under the Award, if applicable.

9.5 Withholding. Each Participant must pay the Company, or make provision satisfactory to the Administrator for payment of, any taxes required by Applicable Law to be withheld in connection with such Participant's Awards by the date of the event creating the tax liability. The Company or one of its Related Entities may deduct an amount sufficient to satisfy such tax obligations based on the applicable statutory withholding rates (or such other rate as may be determined by the Administrator after considering any accounting consequences or costs) from any payment of any kind otherwise due to a Participant. Subject to Section 10.8 and any Company insider trading policy (including blackout periods), Participants may satisfy such tax obligations through the Agent's electronic platform or by wire transfer of immediately available funds to the Agent (or, in each case, if the Company has no Agent accepting payment, by wire transfer of immediately available funds to the Company) or, solely with the consent of the Administrator, by (i) cash, wire transfer of immediately available funds or check made payable to the order of the Company, provided that the Administrator may limit the use of the foregoing payment forms in its discretion, (ii) to the extent permitted by the Administrator, delivery of Shares (in whole or in part), including Shares delivered by attestation and Shares retained from the Award creating the tax obligation, valued at their Fair Market Value on the date of delivery, (iii) if there is a public market for Shares at the time the tax obligations are satisfied, unless the Administrator otherwise determines, (A) delivery (including electronically or telephonically to the extent permitted by the Administrator) of an irrevocable and unconditional undertaking by a broker acceptable to the Administrator to deliver promptly to the Company sufficient funds to satisfy the tax obligations, or (B) delivery by the Participant to the Company of a copy of irrevocable and unconditional instructions to a broker acceptable to the Administrator to deliver promptly to the Company cash or a check sufficient to satisfy the tax withholding; provided that such amount is paid to the Company at such time as may be required by the Administrator, or (iv) to the extent permitted by the Administrator, any combination of the foregoing payment forms approved by the Administrator. Notwithstanding any other provision of the Plan, the number of Shares which may be so delivered or retained pursuant to clause (ii) of the immediately preceding sentence shall be limited to the number of Shares which have a Fair Market Value on the date of delivery or retention no greater than the aggregate amount of such liabilities based on the maximum individual statutory tax rate in the applicable jurisdiction at the time of such withholding (or such other rate as may be required to avoid the liability classification of the applicable award under generally accepted accounting principles in the United States of America), and for clarity, may be less than such maximum individual statutory tax rate if so determined by the Administrator. If any tax withholding obligation will be satisfied under clause (ii) of the immediately preceding sentence by the Company's retention of Shares from the Award creating the tax obligation and there is a public market for Shares at the time the tax obligation is satisfied, the Company may elect to instruct any brokerage firm determined acceptable to the Company for such purpose to sell on the applicable Participant's behalf some or all of the Shares retained and to remit the proceeds of the sale to the Company or its designee, and each Participant's acceptance of an Award under the Plan will constitute the Participant's authorization to the Company and instruction and authorization to such brokerage firm to complete the transactions described in this sentence.

9.6 Amendment of Award; Repricing. The Administrator may amend, modify or terminate any outstanding Award, including by substituting another Award of the same or a different type, changing the exercise or settlement date, and converting an Incentive Stock Option to a Non-Qualified Stock Option. The Participant's consent to such action will be required unless (i) the action does not materially and adversely affect the Participant's rights under the Award, or (ii) the change is permitted under Article VIII or pursuant to Sections 10.6 or 10.15. Notwithstanding the foregoing or anything in the Plan to the contrary, the Administrator may, without the approval of the stockholders of the Company, reduce the exercise price or base price per share of outstanding Options or Stock Appreciation Rights or cancel outstanding Options or Stock Appreciation Rights that have an exercise price or base price in excess of Fair Market Value in exchange for cash, other Awards or Options or Stock Appreciation Rights with an exercise price or base price per share that is less than the exercise price or base price per share of the original Options or Stock Appreciation Rights.

9.7 Conditions on Delivery of Stock. The Company will not be obligated to deliver any Shares under the Plan or remove restrictions from Shares previously delivered under the Plan until (i) all Award conditions have been met or removed to the Company's satisfaction, (ii) as determined by the Company, all other legal matters regarding the issuance and delivery of such Shares have been satisfied, including any applicable securities laws and stock exchange or stock market rules and regulations, and (iii) the Participant has executed and delivered to the Company such representations or agreements as the Administrator deems necessary or appropriate to satisfy any Applicable Laws. The Company's inability to obtain authority from any regulatory body having jurisdiction, which the Administrator determines is necessary to the lawful issuance and sale of any securities, will relieve the Company of any liability for failing to issue or sell such Shares as to which such requisite authority has not been obtained.

9.8 Acceleration. The Administrator may at any time provide that any Award will become immediately vested and fully or partially exercisable, free of some or all restrictions or conditions, or otherwise fully or partially realizable.

9.9 Cash Settlement. Without limiting the generality of any other provision of the Plan, the Administrator may provide, in an Award Agreement or subsequent to the grant of an Award, in its discretion, that any Award may be settled in cash, Shares or a combination thereof.

9.10 Broker-Assisted Sales 9.11. In the event of a broker-assisted sale of Shares in connection with the payment of amounts owed by a Participant under or with respect to the Plan or Awards, including amounts to be paid under the final sentence of Section 9.5: (i) any Shares to be sold through the broker- assisted sale will be sold on the day the payment first becomes due, or as soon thereafter as practicable; (ii) such Shares may be sold as part of a block trade with other Participants in the Plan in which all participants receive an average price; (iii) the applicable Participant will be responsible for all broker's fees and other costs of sale, and by accepting an Award, each Participant agrees to indemnify and hold the Company and its Related Entities harmless from any losses, costs, damages, or expenses relating to any such sale; (iv) to the extent the Company, its Related Entities or their designee receives proceeds of such sale that exceed the amount owed, the Company or its Related Entity will pay such excess in cash to the applicable Participant as soon as reasonably practicable; (v) the Company, its Related Entities and their designees are under no obligation to arrange for such sale at any particular price; and (vi) in the event the proceeds of such sale are insufficient to satisfy the Participant's applicable obligation, the Participant may be required to pay immediately upon demand to the Company, its Related Entities or their designee an amount in cash sufficient to satisfy any remaining portion of the Participant's obligation.

ARTICLE X.
MISCELLANEOUS

10.1 No Right to Employment or Other Status. No person will have any claim or right to be granted an Award, and the grant of an Award will not be construed as giving a Participant the right to continued employment or any other relationship with the Company or any of its Related Entities. The Company and its Related Entities expressly reserve the right at any time to dismiss or otherwise terminate their respective relationships with a Participant free from any liability or claim under the Plan or any Award, except as expressly provided in an Award Agreement or in the Plan.

10.2 No Rights as Stockholder; Certificates. Subject to the Award Agreement, no Participant or Designated Beneficiary will have any rights as a stockholder with respect to any Shares to be distributed under an Award until becoming the record holder of such Shares. Notwithstanding any other provision of the Plan, unless the Administrator otherwise determines or Applicable Laws require, the Company will not be required to deliver to any Participant certificates evidencing Shares issued in connection with any Award and instead such Shares may be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator). The Company may place legends on stock certificates issued under the Plan that the Administrator deems necessary or appropriate to comply with Applicable Laws.

10.3 Effective Date and Term of Plan. The Plan will become effective on the closing of the transactions contemplated by the Merger Agreement (the "***Effective Date***"). Notwithstanding anything to the contrary in the Plan, an Incentive Stock Option may not be granted under the Plan after 10 years from the earlier of (i) the date the Board adopted the Plan or (ii) the date on which the Company's stockholders approve the Plan, but Incentive Stock Options previously granted may remain outstanding after that date in accordance with the Plan. If the Plan is not approved by the Company's stockholders, the Plan will not become effective and no Awards will be granted under the Plan.

10.4 Amendment of Plan. The Board may amend, suspend or terminate the Plan at any time; provided that no amendment, other than (a) as permitted by the applicable Award Agreement, (b) as provided under Article VIII or Sections 10.6 or 10.15, or (c) an amendment to increase the Overall Share Limit, may materially and adversely affect any Award outstanding at the time of such amendment without the affected Participant's consent. No Awards may be granted under the Plan during any suspension period or after the Plan's termination. Awards outstanding at the time of any Plan suspension or termination will continue to be governed by the Plan and the Award Agreement, as in effect before such suspension or termination. The Board will obtain stockholder approval of any Plan amendment to the extent necessary to comply with Applicable Laws.

10.5 Provisions for Foreign Participants. The Administrator may modify Awards granted to Participants who are foreign nationals or employed outside the United States or establish subplans or procedures under the Plan to address differences in laws, rules, regulations or customs of such foreign jurisdictions with respect to tax, securities, currency, employee benefit or other matters.

10.6 Section 409A.

(a) General. To the extent that the Administrator determines that any Award granted under the Plan is subject to Section 409A, the Award Agreement evidencing such Award shall incorporate the terms and conditions required by Section 409A. To the extent applicable, the Plan and the Award Agreements shall be interpreted as compliant with Section 409A or as exempt from Section 409A, such that no adverse tax consequences, interest, or penalties under Section 409A apply. Notwithstanding anything in the Plan or any Award Agreement to the contrary, the Administrator may, without a Participant's consent, amend this Plan or Awards, adopt policies and procedures, or take any other actions (including amendments, policies, procedures and retroactive actions) as are necessary or appropriate to preserve the intended tax treatment of Awards, including any such actions intended to (A) exempt this Plan or any Award from Section 409A, or (B) comply with Section 409A, including regulations, guidance, compliance programs and other interpretative authority that may be issued after an Award's grant date. The Company makes no representations or warranties as to an Award's tax treatment under Section 409A or otherwise. The Company will have no obligation under this Section 10.6 or otherwise to avoid the taxes, penalties or interest under Section 409A with respect to any Award and will have no liability to any Participant or any other person if any Award, compensation or other benefits under the Plan are subject to taxes, penalties or interest under Section 409A. Notwithstanding any contrary provision of the Plan or any Award Agreement, any payment of "nonqualified deferred compensation" under the Plan that may be made in installments shall be treated as a right to receive a series of separate and distinct payments.

(b) Separation from Service. If an Award is subject to and constitutes "nonqualified deferred compensation" under Section 409A, any payment or settlement of such Award upon a termination of a Participant's Service Provider relationship will, to the extent necessary to avoid taxes under Section 409A, be made only upon the Participant's "separation from service" (within the meaning of Section 409A), whether such "separation from service" occurs upon or after the termination of the Participant's Service Provider relationship. For purposes of this Plan or any Award Agreement relating to any such payments or benefits, references to a "termination," "termination of employment" or like terms means a "separation from service."

(c) Payments to Specified Employees. Notwithstanding any contrary provision in the Plan or any Award Agreement, any payment(s) of "nonqualified deferred compensation" required to be made under an Award subject to Section 409A to a "specified employee" (as defined under Section 409A and as the Administrator determines) due to his or her "separation from service" will, to the extent necessary to avoid taxes under Section 409A(a)(2)(B)(i) of the Code, be delayed for the six-month period immediately following such "separation from service" (or, if earlier, until the specified employee's death) and will instead be paid (as set forth in the Award Agreement) on the day immediately following such six-month period or as soon as administratively practicable thereafter (without interest). Any payments of "nonqualified deferred compensation" under such Award payable more than six months following the Participant's "separation from service" (or following death) will be paid at the time or times the payments are otherwise scheduled to be made.

10.7 Limitations on Liability. Notwithstanding any other provisions of the Plan, no individual acting as a director, officer, other employee or agent of the Company or any Related Entity will be liable to any Participant, former Participant, spouse, beneficiary, or any other person for any claim, loss, liability, or expense incurred in connection with the Plan or any Award, and such individual will not be personally liable with respect to the Plan because of any contract or other instrument executed in his or her capacity as an Administrator, director, officer, other employee or agent of the Company or any Related Entity. The Company will indemnify and hold harmless each director, officer, other employee and agent of the Company or any Related Entity that has been or will be granted or delegated any duty or power relating to the Plan's administration or interpretation, against any cost or expense (including attorneys' fees) or liability (including any sum paid in settlement of a claim with the Administrator's approval) arising from any act or omission concerning this Plan unless arising from such person's own fraud or bad faith.

10.8 Lock-Up Period. The Company may, at the request of any underwriter representative or otherwise, in connection with registering the offering of any Company securities under the Securities Act, prohibit Participants from, directly or indirectly, selling or otherwise transferring any Shares or other Company securities during a period of up to 180 days following the effective date of a Company registration statement filed under the Securities Act, or such longer period as determined by the underwriter.

10.9 Data Privacy. As a condition for receiving any Award, each Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this section by and among the Company and its Related Entities and affiliates exclusively for implementing, administering and managing the Participant's participation in the Plan. The Company and its Related Entities and affiliates may hold certain personal information about a Participant, including the Participant's name, address and telephone number; birthdate; social security number, insurance number or other identification number; salary; nationality; job title(s); any Shares held in the Company or its Related Entities and affiliates; and Award details, to implement, manage and administer the Plan and Awards (the "***Data***"). The Company and its Related Entities and affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage a Participant's participation in the Plan, and the Company and its Related Entities and affiliates may transfer the Data to third parties assisting the Company with Plan implementation, administration and management. These recipients may be located in the Participant's country, or elsewhere, and the Participant's country may have different data privacy laws and protections than the recipients' country. By accepting an Award, each Participant authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, to implement, administer and manage the Participant's participation in the Plan, including any required Data transfer to a broker or other third party with whom the Company or the Participant may elect to deposit any Shares. The Data related to a Participant will be held only as long as necessary to implement, administer, and manage the Participant's participation in the Plan. A Participant may, at any time, view the Data that the Company and its Related Entities hold regarding such Participant, request additional information about the storage and processing of the Data regarding such Participant, recommend any necessary corrections to the Data regarding the Participant or refuse or withdraw the consents in this Section 10.9 in writing, without cost, by contacting the local human resources representative. If the Participant refuses or withdraws the consents in this Section 10.9, the Company may cancel Participant's ability to participate in the Plan and, in the Administrator's discretion, the Participant may forfeit any outstanding Awards. For more information on the consequences of refusing or withdrawing consent, Participants may contact their local human resources representative.

10.10 Severability. If any portion of the Plan or any action taken under it is held illegal or invalid for any reason, the illegality or invalidity will not affect the remaining parts of the Plan, and the Plan will be construed and enforced as if the illegal or invalid provisions had been excluded, and the illegal or invalid action will be null and void.

10.11 Governing Documents. If any contradiction occurs between the Plan and any Award Agreement or other written agreement between a Participant and the Company (or any Related Entity) that the Administrator has approved, the Plan will govern, unless it is expressly specified in such Award Agreement or other written document that a specific provision of the Plan will not apply. For clarity, the foregoing sentence shall not limit the applicability of any additive language contained in an Award Agreement or other written agreement which provides supplemental or additional terms not inconsistent with the Plan.

10.12 Governing Law. The Plan and all Awards will be governed by and interpreted in accordance with the laws of the State of Delaware, disregarding any state's choice-of-law principles requiring the application of a jurisdiction's laws other than the State of Delaware.

10.13 Claw-back Provisions. All Awards (including, without limitation, any proceeds, gains or other economic benefit actually or constructively received by a Participant upon any receipt or exercise of any Award or upon the receipt or resale of any Shares underlying the Award) shall be subject to the provisions of any claw-back policy implemented by the Company, including, without limitation, any claw-back policy adopted to comply with Applicable Laws (including the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder) as and to the extent set forth in such claw- back policy or the Award Agreement.

10.14 Titles and Headings. The titles and headings in the Plan are for convenience of reference only and, if any conflict, the Plan's text, rather than such titles or headings, will control.

10.15 Conformity to Securities Laws. Participant acknowledges that the Plan is intended to conform to the extent necessary with Applicable Laws. Notwithstanding anything herein to the contrary, the Plan and all Awards will be administered only in conformance with Applicable Laws. To the extent Applicable Laws permit, the Plan and all Award Agreements will be deemed amended as necessary to conform to Applicable Laws.

10.16 Unfunded Status of Awards. The Plan is intended to be an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Related Entity.

10.17 Relationship to Other Benefits. No payment under the Plan will be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Related Entity except as expressly provided in writing in such other plan or an agreement thereunder.

11.2 "***Agent***" means the brokerage firm, bank or other financial institution, entity or person(s), if any, engaged, retained, appointed or authorized to act as the agent of the Company or a Participant with regard to the Plan.

(c) Any other transaction, including the sale by the Company of new shares of its capital stock or a transfer of existing shares of capital stock of the Company, the result of which is that a third party that is not an affiliate of the Company or its stockholders (or a group of third parties not affiliated with the Company or its stockholders) immediately prior to such transaction acquires or holds capital stock of the Company representing a majority of the Company's outstanding voting power immediately following such transaction; provided that the following events shall not constitute a "Change of Control":

(i) a transaction (other than a sale of all or substantially all of the Company's assets) in which the holders of the voting securities of the Company immediately prior to the merger or consolidation hold, directly or indirectly, at least a majority of the voting securities in the successor corporation or its parent immediately after the merger or consolidation;

THE ONCOLOGY INSTITUTE, INC.
2021 EMPLOYEE STOCK PURCHASE PLAN

ARTICLE I.
PURPOSE

The purpose of this Plan is to assist Eligible Employees of the Company and its Designated Subsidiaries in acquiring a stock ownership interest in the Company.

The Plan consists of two components: (i) the Section 423 Component and (ii) the Non-Section 423 Component. The Section 423 Component is intended to qualify as an "employee stock purchase plan" under Section 423 of the Code and shall be administered, interpreted and construed in a manner consistent with the requirements of Section 423 of the Code. The Non-Section 423 Component authorizes the grant of rights which need not qualify as rights granted pursuant to an "employee stock purchase plan" under Section 423 of the Code. Rights granted under the Non-Section 423 Component shall be granted pursuant to separate Offerings containing such sub-plans, appendices, rules or procedures as may be adopted by the Administrator and designed to achieve tax, securities laws or other objectives for Eligible Employees and Designated Subsidiaries but shall not be intended to qualify as an "employee stock purchase plan" under Section 423 of the Code. Except as otherwise determined by the Administrator or provided herein, the Non-Section 423 Component will operate and be administered in the same manner as the Section 423 Component. Offerings intended to be made under the Non-Section 423 Component will be designated as such by the Administrator at or prior to the time of such Offering.

For purposes of this Plan, the Administrator may designate separate Offerings under the Plan in which Eligible Employees will participate. The terms of these Offerings need not be identical, even if the dates of the applicable Offering Period(s) in each such Offering are identical, provided that the terms of participation are the same within each separate Offering under the Section 423 Component (as determined under Section 423 of the Code). Solely by way of example and without limiting the foregoing, the Company could, but shall not be required to, provide for simultaneous Offerings under the Section 423 Component and the Non-Section 423 Component of the Plan.

ARTICLE II.
DEFINITIONS AND CONSTRUCTION

Wherever the following terms are used in the Plan they shall have the meanings specified below, unless the context clearly indicates otherwise.

2.1 "***Administrator***" means the entity that conducts the general administration of the Plan as provided in Article XI.

2.2 "***Agent***" means the brokerage firm, bank or other financial institution, entity or person(s), if any, engaged, retained, appointed or authorized to act as the agent of the Company or an Employee with regard to the Plan.

(i) a transaction (other than a sale of all or substantially all of the Company's assets) in which the holders of the voting securities of the Company immediately prior to the merger or consolidation hold, directly or indirectly, at least a majority of the voting securities in the successor corporation or its parent immediately after the merger or consolidation;

(iv) a reincorporation of the Company solely to change its jurisdiction; or

(v) a transaction undertaken for the primary purpose of creating a holding company that will be owned in substantially the same proportion by the persons who held the Company's securities immediately before such transaction.

Notwithstanding the foregoing, if a Change of Control would give rise to a payment or settlement event with respect to any Award that constitutes "nonqualified deferred compensation," the transaction or event constituting the Change of Control must also constitute a "change in control event" (as defined in Treasury Regulation Section 1.409A-3(i)(5)) in order to give rise to the payment or settlement event for such Award, to the extent required by Section 409A of the Code.

The Administrator shall have full and final authority, which shall be exercised in its discretion, to determine conclusively whether a Change of Control has occurred pursuant to the above definition, the date of the occurrence of such Change of Control and any incidental matters relating thereto; provided that any exercise of authority in conjunction with a determination of whether a Change of Control is a "change in control event" as defined in Treasury Regulation Section 1.409A-3(i)(5) shall be consistent with such regulation.

2.9 "***Compensation***" of an Eligible Employee means, unless otherwise determined by the Administrator, the base salary, wages (including overtime), cash incentive compensation, bonuses, commissions and compensation in respect of periods of absence from work, in each case, paid by the Company or any Designated Subsidiary to such Eligible Employee; and excluding any education or tuition reimbursements, travel expenses, business and moving reimbursements, income received in connection with any stock options, stock appreciation rights, restricted stock, restricted stock units or other compensatory equity awards, fringe benefits, other special payments and all contributions made by the Company or any Designated Subsidiary for the Employee's benefit under any employee benefit plan now or hereafter established.

2.10 "***Designated Beneficiary***" means the beneficiary or beneficiaries the Participant designates, in a manner the Administrator determines, to receive amounts due or exercise the Participant's rights if the Participant dies or becomes incapacitated. Without a Participant's effective designation, "Designated Beneficiary" will mean the Participant's estate.

2.11 "***Designated Subsidiary***" means any Subsidiary designated by the Administrator in accordance with Section 11.2(b), such designation to specify whether such participation is in the Section 423 Component or Non-Section 423 Component. If the Plan is not approved by the Company's stockholders, the Plan will not become effective and no Awards will be granted under the Plan.

2.13 "***Eligible Employee***" means an Employee who does not, immediately after any rights under this Plan are granted, own (directly or through attribution) stock possessing 5% or more of the total combined voting power or value of all classes of Shares and other securities of the Company, a Parent or a Subsidiary (as determined under Section 423(b)(3) of the Code). For purposes of the foregoing, the rules of Section 424(d) of the Code with regard to the attribution of stock ownership shall apply in determining the stock ownership of an individual, and stock that an Employee may purchase under outstanding options shall be treated as stock owned by the Employee. Notwithstanding the foregoing, the Administrator may provide in an Offering Document that an Employee shall not be eligible to participate in an Offering Period under the Section 423 Component if: (a) such Employee is a highly compensated employee within the meaning of Section 423(b)(4)(D) of the Code; (b) such Employee has not met a service requirement designated by the Administrator pursuant to Section 423(b)(4)(A) of the Code (which service requirement may not exceed two years); (c) such Employee's customary employment is for 20 hours per week or less; (d) such Employee's customary employment is for less than five months in any calendar year; and/or (e) such Employee is a citizen or resident of a foreign jurisdiction and the grant of a right to purchase Shares under the Plan to such Employee would be prohibited under the laws of such foreign jurisdiction or the grant of a right to purchase Shares under the Plan to such Employee in compliance with the laws of such foreign jurisdiction would cause the Plan to violate the requirements of Section 423 of the Code, as determined by the Administrator in its sole discretion; *provided*, that any exclusion in clauses (a), (b), (c), (d) or (e) shall be applied in an identical manner under each Offering Period to all Employees, in accordance with Treasury Regulation Section 1.423-2(e).

Further notwithstanding the foregoing, with respect to the Non-Section 423 Component, the first sentence in this definition shall apply in determining who is an "Eligible Employee," except (i) the Administrator may further limit eligibility within the Company or within a Designated Subsidiary so as to only designate certain Employees of the Company or of a Designated Subsidiary as "Eligible Employees", and (ii) to the extent the restrictions in the first sentence in this definition are not consistent with any applicable local law, such applicable local law shall control.

2.14 "***Employee***" means any individual who renders services to the Company or any Designated Subsidiary in the status of an employee, and, with respect to the Section 423 Component, a person who is an employee of the Company or any Designated Subsidiary within the meaning of Section 3401(c) of the Code. For purposes of an individual's participation in, or other rights under the Plan, all determinations by the Company shall be final, binding and conclusive, notwithstanding that any court of law or governmental agency subsequently makes a contrary determination. For purposes of the Plan, the employment relationship shall be treated as continuing intact while the individual is on sick leave or other leave of absence approved by the Company or Designated Subsidiary and meeting the requirements of Treasury Regulation Section 1.421-1(h)(2). To the extent permitted by Treasury Regulation Section 1.423-2(a)(1), the terms of each separate Offering under the Section 423 Component need not be identical, provided that the terms of the Section 423 Component and an Offering thereunder together satisfy Treasury Regulation Section 1.423-2(a)(2) and (a)(3).

2.25 "***Purchase Period***" shall refer to one or more specified periods within an Offering Period, as designated in the applicable Offering Document; *provided*, *however*, that, if no Purchase Period is designated by the Administrator in the applicable Offering Document, the Purchase Period for each Offering Period covered by such Offering Document shall be the same as the applicable Offering Period.

2.26 "***Purchase Price***" means the purchase price designated by the Administrator in the applicable Offering Document (which purchase price, for purposes of the Plan, shall not be less than 85% of the Fair Market Value of a Share on the Enrollment Date or on the Purchase Date, whichever is lower); *provided*, *however*, that, if no purchase price is designated by the Administrator in the applicable Offering Document, the purchase price for the Offering Periods covered by such Offering Document shall be 85% of the Fair Market Value of a Share on the Enrollment Date or on the Purchase Date, whichever is lower; *provided*, *further*, that the Purchase Price may be adjusted by the Administrator pursuant to Article VIII and shall not be less than the par value of a Share.

2.27 "***Section 423 Component***" means those Offerings under the Plan, together with the sub-plans, appendices, rules or procedures, if any, adopted by the Administrator as a part of this Plan or any Offering(s), in each case, pursuant to which rights to purchase Shares during an Offering Period may be granted to Eligible Employees that are intended to satisfy the requirements for rights to purchase Shares granted pursuant to an "employee stock purchase plan" that are set forth under Section 423 of the Code.

In addition, with respect to the Non-Section 423 Component, Subsidiary shall include any and any business, corporation, partnership, limited liability company or other entity designated by the Board, which the Company or a Subsidiary controls, directly or indirectly, through one or more intermediaries.

ARTICLE III.
SHARES SUBJECT TO THE PLAN

3.1 Number of Shares. Subject to Article VIII, the aggregate number of Shares that may be issued pursuant to rights granted under the Plan shall be a number of Shares equal to one percent (1%) of the aggregate number of shares of Common Stock outstanding on a fully diluted basis, as determined at the Effective Date, plus, on the first day of each calendar year beginning on January 1, 2022 and ending on and including January 1, 2031, the number of Shares available for issuance under the Plan shall be increased by that number of Shares equal to the lesser of (a) 1% of the aggregate number of shares of Common Stock outstanding calculated on a fully diluted basis, on the final day of the immediately preceding calendar year and (b) such smaller number of Shares as determined by the Board (the "Overall Share Limit"). For this purpose, the number of shares of Common Stock outstanding will be calculated as if all options and stock appreciation rights issued and outstanding were exercised in full, and all restricted stock units were issued and outstanding shares of Common Stock. If any right granted under the Plan shall for any reason terminate without having been exercised, the Shares not purchased under such right shall again become available for issuance under the Plan. Subject to the Overall Share Limit and Article VIII, the number of Shares that may be issued or transferred pursuant to the rights granted under the Section 423 Component of the Plan shall not exceed an aggregate of one percent (1%) of the aggregate number of shares of Common Stock outstanding on a fully diluted basis, as determined at the Effective Date.

3.2 Shares Distributed. Any Shares distributed pursuant to the Plan may consist, in whole or in part, of authorized and unissued Shares, treasury shares or Shares purchased on the open market.

ARTICLE IV.
OFFERING PERIODS; OFFERING DOCUMENTS; PURCHASE DATES

4.1 Offering Periods. The Administrator may from time to time grant or provide for the grant of rights to purchase Shares under the Plan to Eligible Employees during one or more periods (each, an "***Offering Period***") selected by the Administrator. The terms and conditions applicable to each Offering Period shall be set forth in an "***Offering Document***" adopted by the Administrator from time to time, which Offering Document shall be in such form and shall contain such terms and conditions as the Administrator shall deem appropriate and shall be incorporated by reference into and made part of the Plan. The Administrator shall establish in each Offering Document one or more Purchase Periods within such Offering Period during which rights granted under the Plan shall be exercised and purchases of Shares carried out in accordance with such Offering Document and the Plan. The provisions of separate Offerings or Offering Periods under the Plan may be partially or wholly concurrent and need not be identical.

4.2 Offering Documents. Each Offering Document with respect to an Offering Period shall specify (through incorporation of the provisions of this Plan by reference or otherwise):

(a) the length of the Offering Period, which period shall not exceed 27 months;

(b) the length of the Purchase Period(s) within the Offering Period, which period(s), in the absence of a contrary designation by the Administrator, shall not exceed 27 months;

(c) in connection with each Offering Period that contains more than one Purchase Period, the maximum aggregate number of Shares which may be purchased by any Eligible Employee during each Purchase Period (if applicable), which, in the absence of a contrary designation by the Administrator, shall be 100,000 Shares (and which, for the Section 423 Component Offering Periods, shall be subject to the limitations described in Section 5.5 below);

(d) the maximum number of Shares that may be purchased by any Eligible Employee during such Offering Period (if applicable), which, in the absence of a contrary designation by the Administrator, shall be 20,000 Shares (and which, for the Section 423 Component Offering Periods, shall be subject to the limitations described in Section 5.5 below); and

(e) such other provisions as the Administrator determines are appropriate, subject to the Plan.

ARTICLE V.
ELIGIBILITY AND PARTICIPATION

5.1 Eligibility. Any Eligible Employee who shall be employed by the Company or a Designated Subsidiary on a given Enrollment Date for an Offering Period shall be eligible to participate in the Plan during such Offering Period, subject to the applicable requirements of this Article V and, for the Section 423 Component, the limitations imposed by Section 423(b) of the Code.

5.2 Enrollment in Plan.

(a) Except as otherwise set forth herein or in an Offering Document or determined by the Administrator, an Eligible Employee may become a Participant in the Plan for an Offering Period by delivering a subscription agreement to the Company by such time prior to the Enrollment Date for such Offering Period (or such other date specified in the Offering Document) designated by the Administrator and in such form as the Company provides.

(b) Subject to such minimum and maximum limitations as the Administrator may set for each Offering Period, each subscription agreement shall designate either (i) a whole percentage of such Eligible Employee's Compensation or (ii) or a fixed dollar amount, in either case, to be withheld by the Company or the Designated Subsidiary employing such Eligible Employee on each payday during the Offering Period as payroll deductions under the Plan; *provided* that, in no event shall the actual amount withheld on any payday hereunder exceed the net amount payable to the Eligible Employee on such payday after taxes and any other applicable deductions therefrom (and if amounts to be withheld hereunder would otherwise result in a negative payment to the Eligible Employee on such payday, the amount to be withheld hereunder shall instead be reduced by the least amount necessary to avoid a negative payment amount for the Eligible Employee on such payday, as determined by the Administrator). In absence of any designation by the Administrator in the Offering Documents, the designated percentage or fixed dollar amount may not be less than 1% and may not be more than 15% of the Participant's Compensation for any payroll period. The payroll deductions made for each Participant shall be credited to an account for such Participant under the Plan and shall be deposited with the general funds of the Company.

(c) Unless otherwise provided in the terms of an Offering Document, a Participant may increase or decrease the percentage of Compensation or the fixed dollar amount designated in his or her subscription agreement, subject to the limits set by the Administrator in the Offering Document, or may suspend his or her payroll deductions, in any case, at any time during an Offering Period; *provided*, *however*, that the Administrator may limit or eliminate the type or number of changes a Participant may make to his or her payroll deduction elections during each Offering Period in the applicable Offering Document (and in the absence of any specific designation by the Administrator, a Participant shall be allowed to decrease, increase or suspend his or her payroll deduction elections, in each case, once during each Purchase Period). Any such change or suspension of payroll deductions shall be effective with the first full payroll period starting at least two calendar weeks after the Company's receipt of the new subscription agreement (or such shorter or longer period as may be specified by the Administrator in the applicable Offering Document). If a Participant suspends his or her payroll deductions during an Offering Period: (i) such Participant's cumulative unapplied payroll deductions prior to the suspension (if any) shall be refunded to such Participant as soon as practicable after such suspension (but no later than 30 days thereafter), and (ii) such Participant shall be deemed to have withdrawn from the Offering Period for all purposes upon such Purchase Date (and shall be eligible to enroll in any Offering Period commencing on or after such Purchase Date if he or she remains an Eligible Employee as of the start of any such subsequent Offering Period and timely submits a valid election to participate). For clarity, if a Participant who suspends participation in an Offering Period ceases to be an Eligible Employee or he or she withdraws from participation in such Offering Period, in either case, prior to the Purchase Date next-following his or her suspension of participation in the Offering Period, in any case, such Participant's cumulative unapplied payroll deductions shall be returned to him or her in accordance with Article VII.

(d) Except as otherwise set forth in herein or in an Offering Document or as otherwise determined by the Administrator, a Participant may participate in the Plan only by means of payroll deduction and may not make contributions by lump sum payment for any Offering Period.

5.3 Payroll Deductions. Except as otherwise provided herein or in the applicable Offering Document, payroll deductions for a Participant shall commence on the first payday following the Enrollment Date and shall end on the last payday in the Offering Period to which the Participant's authorization is applicable, unless sooner terminated by the Participant as provided in Article VII or suspended by the Participant or the Administrator as provided in Section 5.2 and Section 5.6, respectively. Notwithstanding any other provisions of the Plan to the contrary, in any non-U.S. jurisdiction where participation in the Plan through payroll deductions is prohibited, the Administrator may provide that an Eligible Employee may elect to participate through contributions to the Participant's account under the Plan in a form acceptable to the Administrator in lieu of or in addition to payroll deductions; *provided*, *however*, that, for any Offering under the Section 423 Component, the Administrator shall take into consideration any limitations under Section 423 of the Code when applying an alternative method of contribution.

5.4 Effect of Enrollment. A Participant's completion of a subscription agreement will enroll such Participant in the Plan for each subsequent Offering Period on the terms contained therein until the Participant either submits a new subscription agreement, withdraws from participation under the Plan as provided in Article VII or otherwise becomes ineligible to participate in the Plan.

5.5 Limitation on Purchase of Shares. An Eligible Employee may be granted rights under the Section 423 Component only if such rights, together with any other rights granted to such Eligible Employee under "employee stock purchase plans" of the Company, any Parent or any Subsidiary, as specified by Section 423(b)(8) of the Code, do not permit such employee's rights to purchase stock of the Company or any Parent or Subsidiary to accrue at a rate that exceeds $25,000 of the fair market value of such stock (determined as of the first day of the Offering Period during which such rights are granted) for each calendar year in which such rights are outstanding at any time. This limitation shall be applied in accordance with Section 423(b)(8) of the Code.

5.6 Suspension of Payroll Deductions. Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 5.5 (with respect to the Section 423 Component) or the other limitations set forth in this Plan, a Participant's payroll deductions may be suspended by the Administrator at any time during an Offering Period. The balance of the amount credited to the account of each Participant that has not been applied to the purchase of Shares by reason of Section 423(b)(8) of the Code, Section 5.5 (with respect to the Section 423 Component) or the other limitations set forth in this Plan shall be paid to such Participant in one lump sum in cash within 30 days after the Purchase Date.

5.7 Foreign Employees. In order to facilitate participation in the Plan, the Administrator may provide for such special terms, rules and procedures applicable to Participants who are citizens or residents of a foreign jurisdiction, or who are employed by a Designated Subsidiary outside of the United States, as the Administrator may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Except as permitted by Section 423 of the Code, with respect to the Section 423 Component, such special terms may not be more favorable than the terms of rights granted under the Section 423 Component to Eligible Employees who are residents of the United States. Such special terms may be set forth in an addendum to the Plan in the form of an appendix or sub-plan (which appendix or sub-plan may be designed to govern Offerings under the Section 423 Component or the Non-Section 423 Component, as determined by the Administrator). To the extent that the terms and conditions set forth in an appendix or sub-plan conflict with any provisions of the Plan, the provisions of the appendix or sub-plan shall govern except as otherwise set forth therein. The adoption of any such appendix or sub-plan shall be pursuant to Section 11.2(f) and any other applicable provision herein. Without limiting the foregoing, the Administrator is specifically authorized to adopt rules and procedures, with respect to Participants who are foreign nationals or employed in non-U.S. jurisdictions, regarding the exclusion of particular Subsidiaries from participation in the Plan, eligibility to participate, the definition of Compensation, handling of payroll deductions or other contributions by Participants, payment of interest, conversion of local currency, data privacy security, payroll tax, withholding procedures, establishment of bank or trust accounts to hold payroll deductions or contributions.

5.8 Leave of Absence. During leaves of absence approved by the Company meeting the requirements of Treasury Regulation Section 1.421-1(h)(2) under the Code, unless otherwise set forth in the terms of an Offering Document, a Participant may continue participation in the Plan by making cash payments to the Company on his or her normal payday equal to the Participant's authorized payroll deduction.

ARTICLE VI.
GRANT AND EXERCISE OF RIGHTS

6.1 Grant of Rights. On the Enrollment Date of each Offering Period, each Eligible Employee participating in such Offering Period shall be granted a right to purchase the maximum number of Shares specified under Section 4.2, subject to the limits in Section 5.5, and shall have the right to buy, on each Purchase Date during such Offering Period (at the applicable Purchase Price), such number of whole Shares as is determined by dividing (a) such Participant's payroll deductions accumulated prior to such Purchase Date and retained in the Participant's account as of the Purchase Date, by (b) the applicable Purchase Price (rounded down to the nearest Share). The right shall expire on the last day of the applicable Offering Period, or if earlier, the date on which the Participant withdraws in accordance with Section 7.1 or Section 7.3.

6.2 Exercise of Rights. On each Purchase Date, each Participant's accumulated payroll deductions and any other additional payments specifically provided for herein or in the applicable Offering Document will be applied to the purchase of whole Shares, up to the maximum number of Shares permitted pursuant to the terms of the Plan and the applicable Offering Document, at the Purchase Price. No fractional Shares shall be issued upon the exercise of rights granted under the Plan, unless the Offering Document specifically provides otherwise. Any cash in lieu of fractional Shares remaining after the purchase of whole Shares upon exercise of a purchase right will be credited to a Participant's account and carried forward and applied toward the purchase of whole Shares for the next following Offering Period. Shares issued pursuant to the Plan may be evidenced in such manner as the Administrator may determine and may be issued in certificated form or issued pursuant to book-entry procedures.

6.3 Pro Rata Allocation of Shares. If the Administrator determines that, on a given Purchase Date, the number of Shares with respect to which rights are to be exercised may exceed (a) the number of Shares that were available for issuance under the Plan on the Enrollment Date of the applicable Offering Period, or (b) the number of Shares available for issuance under the Plan on such Purchase Date, the Administrator may in its sole discretion provide that the Company shall make a pro rata allocation of the Shares available for purchase on such Enrollment Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all Participants for whom rights to purchase Shares are to be exercised pursuant to this Article VI on such Purchase Date, and shall either (i) continue all Offering Periods then in effect, or (ii) terminate any or all Offering Periods then in effect pursuant to Article IX. The Company may make pro rata allocation of the Shares available on the Enrollment Date of any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional Shares for issuance under the Plan by the Company's stockholders subsequent to such Enrollment Date. The balance of the amount credited to the account of each Participant that has not been applied to the purchase of Shares shall be paid to such Participant without interest in one lump sum in cash as soon as reasonably practicable after the Purchase Date, or such earlier date as determined by the Administrator.

6.4 Withholding. At the time a Participant's rights under the Plan are exercised, in whole or in part, or at the time some or all of the Shares issued under the Plan is disposed of, the Participant must make adequate provision for the Company's federal, state, or other tax withholding obligations, if any, that arise upon the exercise of the right or the disposition of the Shares. At any time, the Company may, but shall not be obligated to, withhold from the Participant's compensation or Shares received pursuant to the Plan the amount necessary for the Company to meet applicable withholding obligations, including any withholding required to make available to the Company any tax deductions or benefits attributable to sale or early disposition of Shares by the Participant.

6.5 Conditions to Issuance of Shares. The Company shall not be required to issue or deliver any certificate or certificates for, or make any book entries evidencing, Shares purchased upon the exercise of rights under the Plan prior to fulfillment of all of the following conditions: (a) the admission of such Shares to listing on all stock exchanges, if any, on which the Shares are then listed; (b) the completion of any registration or other qualification of such Shares under any state or federal law or under the rulings or regulations of the Securities and Exchange Commission or any other governmental regulatory body, that the Administrator shall, in its absolute discretion, deem necessary or advisable; (c) the obtaining of any approval or other clearance from any state or federal governmental agency that the Administrator shall, in its absolute discretion, determine to be necessary or advisable; (d) the payment to the Company of all amounts that it is required to withhold under federal, state or local law upon exercise of the rights, if any; and (e) the lapse of such reasonable period of time following the exercise of the rights as the Administrator may from time to time establish for reasons of administrative convenience.

ARTICLE VII.
WITHDRAWAL; CESSATION OF ELIGIBILITY

7.1 Withdrawal. A Participant may withdraw all but not less than all of the payroll deductions credited to his or her account and not yet used to exercise his or her rights under the Plan at any time by giving written notice to the Company in a form acceptable to the Company no later than two calendar weeks prior to the end of the then-applicable Purchase Period (or such shorter or longer period as may be specified by the Administrator in the applicable Offering Document). All of the Participant's payroll deductions credited to his or her account during such Purchase Period and not yet used to exercise rights under the Plan shall be paid to such Participant as soon as reasonably practicable after receipt of notice of withdrawal, such Participant's rights for the Offering Period shall be automatically terminated, and no further payroll deductions for the purchase of Shares shall be made for such Offering Period. If a Participant withdraws from an Offering Period (including by virtue of a suspension as described in Section 5.2(c) above), payroll deductions shall not resume at the beginning of any subsequent Offering Period unless the Participant is an Eligible Employee and timely delivers to the Company a new subscription agreement by the applicable enrollment deadline for any such subsequent Offering Period, as determined by the Administrator.

7.2 Future Participation. A Participant's withdrawal from an Offering Period shall not have any effect upon his or her eligibility to participate in any similar plan that may hereafter be adopted by the Company or a Designated Subsidiary or in any subsequent Offering Period that commences on or after the Participant's withdrawal from any Offering Period.

7.3 Cessation of Eligibility. Upon a Participant's ceasing to be an Eligible Employee for any reason, he or she shall be deemed to have elected to withdraw from the Plan pursuant to this Article VII and the payroll deductions credited to such Participant's account during the then-current Purchase Period shall be paid to such Participant or, in the case of his or her death, to the Participant's Designated Beneficiary, within 30 days following such Participant's ceasing to be an Eligible Employee, and such Participant's rights for the Offering Period shall be automatically terminated. For clarity, if a Participant transfers employment from the Company or any Designated Subsidiary participating in either the Section 423 Component or Non-Section 423 Component to any Designated Subsidiary that is neither participating in the Section 423 Component nor the Non-Section 423 Component, then, in any case, such transfer shall be treated as a termination of employment under the Plan and the Participant shall be deemed to have withdrawn from the Plan pursuant to this Article VII and the payroll deductions credited to such Participant's account during the then-current Purchase Period shall be paid to such Participant within 30 days following such Participant's transfer of employment, and such Participant's participation in the Offering Period shall be automatically terminated. If a Participant transfers employment from the Company or any Designated Subsidiary participating in the Section 423 Component to any Designated Subsidiary participating in the Non-Section 423 Component, such transfer shall not be treated as a termination of employment under the Plan, but the Participant shall immediately cease to participate in the Section 423 Component; however, any contributions made for the then-current Purchase Period in which such transfer occurs shall be transferred to the Non-Section 423 Component, and such Participant shall immediately join the then-current Offering under the Non-Section 423 Component upon the same terms and conditions in effect for the Participant's participation in the Section 423 Component, except for such modifications otherwise applicable for Participants in such Offering. A Participant who transfers employment from any Designated Subsidiary participating in the Non-Section 423 Component to the Company or any Designated Subsidiary participating in the Section 423 Component shall not be treated as terminating the Participant's employment under the Plan and shall remain a Participant in the Non-Section 423 Component until the earlier of (i) the end of the current Offering Period under the Non-Section 423 Component or (ii) the Enrollment Date of the first Offering Period in which the Participant is eligible to participate following such transfer. Notwithstanding the foregoing, the Administrator may establish different rules to govern transfers of employment between entities participating in the Section 423 Component and the Non-Section 423 Component, consistent with the applicable requirements of Section 423 of the Code (to the extent applicable) and other Applicable Law.

ARTICLE VIII.
ADJUSTMENTS UPON CHANGES IN SHARES

8.1 Changes in Capitalization. Subject to Section 8.3, in the event that the Administrator determines that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), Change of Control, reorganization, merger, amalgamation, consolidation, combination, repurchase, redemption, recapitalization, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or sale or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event, as determined by the Administrator, affects the Shares such that an adjustment is determined by the Administrator to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended by the Company to be made available under the Plan or with respect to any outstanding purchase rights under the Plan, the Administrator shall make equitable adjustments, if any, and, solely with respect to the Section 423 Component of the Plan, subject to stockholder approval if required to comply with Section 423 of the Code, to reflect such change with respect to (a) the aggregate number and type of Shares (or other securities or property) that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Section 3.1 and the limitations established in each Offering Document pursuant to Section 4.2 on the maximum number of Shares that may be purchased); (b) the class(es) and number of Shares and price per Share subject to outstanding rights; and (c) the Purchase Price with respect to any outstanding rights.

8.2 Other Adjustments. Subject to Section 8.3, in the event of any transaction or event described in Section 8.1 or any unusual or nonrecurring transactions or events affecting the Company, any affiliate of the Company, or the financial statements of the Company or any affiliate, or of changes in Applicable Law or accounting principles, the Administrator, in its discretion, and on such terms and conditions as it deems appropriate, is hereby authorized to take any one or more of the following actions whenever the Administrator determines that such action is appropriate in order to prevent the dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any right under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles:

(a) To provide for either (i) termination of any outstanding right in exchange for an amount of cash, if any, equal to the amount that would have been obtained upon the exercise of such right had such right been currently exercisable or (ii) the replacement of such outstanding right with other rights or property selected by the Administrator in its sole discretion;

(b) To provide that the outstanding rights under the Plan shall be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar rights covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices;

(c) To make adjustments in the number and type of Shares (or other securities or property) subject to outstanding rights under the Plan and/or in the terms and conditions of outstanding rights and rights that may be granted in the future;

(d) To provide that Participants' accumulated payroll deductions may be used to purchase Shares prior to the next occurring Purchase Date on such date as the Administrator determines in its sole discretion and the Participants' rights under the ongoing Offering Period(s) shall be terminated; and

(e) To provide that all outstanding rights shall terminate without being exercised.

8.3 No Adjustment Under Certain Circumstances. Unless determined otherwise by the Administrator, no adjustment or action described in this Article VIII or in any other provision of the Plan shall be authorized to the extent that such adjustment or action would cause the Section 423 Component of the Plan to fail to satisfy the requirements of Section 423 of the Code.

8.4 No Other Rights. Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan or pursuant to action of the Administrator under the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of Shares subject to outstanding rights under the Plan or the Purchase Price with respect to any outstanding rights.

ARTICLE IX.
AMENDMENT, MODIFICATION AND TERMINATION

9.1 Amendment, Modification and Termination. The Administrator may amend, suspend or terminate the Plan at any time and from time to time; *provided*, *however*, that approval of the Company's stockholders shall be required to amend the Plan to increase the aggregate number, or change the type, of shares that may be sold pursuant to rights under the Plan under Section 3.1 (other than an adjustment as provided by Article VIII) or as may otherwise be required under Section 423 of the Code.

9.2 Certain Changes to Plan. Without stockholder consent and without regard to whether any Participant rights may be considered to have been adversely affected (and, with respect to the Section 423 Component of the Plan, to the extent permitted by Section 423 of the Code), the Administrator shall be entitled to change or terminate the Offering Periods, limit the frequency and/or number of changes a Participant may make in the amount withheld from Compensation during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the Company's processing of payroll withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Shares for each Participant properly correspond with amounts withheld from the Participant's Compensation, and establish such other limitations or procedures as the Administrator determines in its sole discretion to be advisable that are consistent with the Plan.

9.3 Actions In the Event of Unfavorable Financial Accounting Consequences. In the event the Administrator determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Administrator may, in its discretion and, to the extent necessary or desirable, modify or amend the Plan to reduce or eliminate such accounting consequence including, but not limited to:

(a) altering the Purchase Price for any Offering Period including an Offering Period underway at the time of the change in Purchase Price;

(b) shortening any Offering Period so that the Offering Period ends on a new or earlier Purchase Date, including an Offering Period underway at the time of the Administrator action;

(c) allocating Shares; and

(d) such other changes and modifications as the Administrator determines are necessary or appropriate.

Such modifications or amendments shall not require stockholder approval or the consent of any Participant.

9.4 Payments Upon Termination of Plan. Upon termination of the Plan, the balance in each Participant's Plan account shall be refunded as soon as practicable after such termination, without any interest thereon, or if the Administrator so determines, the then-current Offering Period may be shortened so that the purchase of Shares occurs prior to the termination of the Plan.

ARTICLE X.
TERM OF PLAN

The Plan shall become effective on the Effective Date and shall continue until terminated by the Board in accordance with Section 9.1. No right may be granted under the Plan prior to the Effective Date. No rights may be granted under the Plan during any period of suspension of the Plan or after termination of the Plan.

ARTICLE XI.
ADMINISTRATION

11.1 Administrator. Unless otherwise determined by the Board, the Administrator of the Plan shall be the Compensation Committee of the Board (or another committee or a subcommittee of the Board to which the Board delegates administration of the Plan). The Board may at any time vest in the Board any authority or duties for administration of the Plan. The Administrator may delegate administrative tasks under the Plan to the services of an Agent or Employees to assist in the administration of the Plan, including establishing and maintaining an individual securities account under the Plan for each Participant.

11.2 Authority of Administrator. The Administrator shall have the power, subject to, and within the limitations of, the express provisions of the Plan:

(a) To determine when and how rights to purchase Shares shall be granted and the provisions of each offering of such rights (which need not be identical).

(b) To designate from time to time which Subsidiaries of the Company shall be Designated Subsidiaries, which designation may be made without the approval of the stockholders of the Company.

(c) To impose a mandatory holding period pursuant to which Participants may not dispose of or transfer Shares purchased under the Plan for a period of time determined by the Administrator in its discretion.

(d) To construe and interpret the Plan and rights granted under it, and to establish, amend and revoke rules and regulations for its administration. The Administrator, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan, in a manner and to the extent it shall deem necessary or expedient to make the Plan fully effective.

(e) To amend, suspend or terminate the Plan as provided in Article IX.

(f) Generally, to exercise such powers and to perform such acts as the Administrator deems necessary or expedient to promote the best interests of the Company and its Subsidiaries and to carry out the intent that the Plan be treated as an "employee stock purchase plan" within the meaning of Section 423 of the Code for the Section 423 Component.

(g) To adopt annexes or sub-plans applicable to particular Designated Subsidiaries or locations, which annexes or sub-plans may be designed to be outside the scope of Section 423 of the Code. The rules of such annexes or sub-plans may take precedence over other provisions of this Plan, with the exception of Section 3.1, but unless otherwise superseded by the terms of such annex or sub-plan, the provisions of this Plan shall govern the operation of such annex or sub-plan.

11.3 Decisions Binding. The Administrator's interpretation of the Plan, any rights granted pursuant to the Plan, any subscription agreement and all decisions and determinations by the Administrator with respect to the Plan are final, binding, and conclusive on all parties.

ARTICLE XII.
MISCELLANEOUS

12.1 Restriction upon Assignment. A right granted under the Plan shall not be transferable other than by will or the Applicable Laws of descent and distribution, and shall be exercisable during the Participant's lifetime only by the Participant. Except in the case of a Participant's death, a right under the Plan may not be exercised to any extent except by the Participant. The Company shall not recognize and shall be under no duty to recognize any assignment or alienation of the Participant's interest in the Plan, the Participant's rights under the Plan or any rights thereunder.

12.2 Rights as a Stockholder. With respect to Shares subject to a right granted under the Plan, no Participant or Designated Beneficiary shall be deemed to be a stockholder of the Company, and no Participant or Designated Beneficiary shall have any of the rights or privileges of a stockholder, until such Shares have been issued to the Participant or the Designated Beneficiary following exercise of the Participant's rights under the Plan. No adjustments shall be made for dividends (ordinary or extraordinary, whether in cash securities, or other property) or distribution or other rights for which the record date occurs prior to the date of such issuance, except as otherwise expressly provided herein or as determined by the Administrator.

12.3 Interest. No interest shall accrue on the payroll deductions or contributions of a Participant under the Plan.

12.4 Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

12.5 Equal Rights and Privileges. Subject to Section 5.7, all Eligible Employees will have equal rights and privileges under the Section 423 Component so that the Section 423 Component of this Plan qualifies as an "employee stock purchase plan" within the meaning of Section 423 of the Code. Subject to Section 5.7, any provision of the Section 423 Component that is inconsistent with Section 423 of the Code will, without further act or amendment by the Company, the Board or the Administrator, be reformed to comply with the equal rights and privileges requirement of Section 423 of the Code. Eligible Employees participating in the Non-Section 423 Component need not have the same rights and privileges as other Eligible Employees participating in the Non-Section 423 Component or as Eligible Employees participating in the Section 423 Component.

12.6 Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

12.7 Reports. Statements of account shall be given to Participants at least annually, which statements shall set forth the amounts of payroll deductions, the Purchase Price, the number of Shares purchased and the remaining cash balance, if any.

12.8 No Employment Rights. Nothing in the Plan shall be construed to give any person (including any Eligible Employee or Participant) the right to employment or service (or to remain in the employ or service) with the Company or any Parent or Subsidiary or affect the right of the Company or any Parent or Subsidiary to terminate the employment or service of any person (including any Eligible Employee or Participant) at any time, with or without cause.

12.9 Notice of Disposition of Shares. Each Participant shall give prompt notice to the Company of any disposition or other transfer of any Shares purchased upon exercise of a right under the Section 423 Component of the Plan if such disposition or transfer is made: (a) within two years from the Enrollment Date of the Offering Period in which the Shares were purchased or (b) within one year after the Purchase Date on which such Shares were purchased. Such notice shall specify the date of such disposition or other transfer and the amount realized, in cash, other property, assumption of indebtedness or other consideration, by the Participant in such disposition or other transfer.

12.10 Limitations on Liability. Notwithstanding any other provisions of the Plan, no individual acting as a director, officer, other employee or agent of the Company or any Subsidiary will be liable to any Participant, former Participant, Designated Beneficiary or any other person for any claim, loss, liability, or expense incurred in connection with the Plan or any Offering Period, and such individual will not be personally liable with respect to the Plan because of any contract or other instrument executed in his or her capacity as an Administrator, director, officer, other employee or agent of the Company or any Subsidiary. The Company will indemnify and hold harmless each director, officer, other employee and agent of the Company or any Subsidiary that has been or will be granted or delegated any duty or power relating to the Plan's administration or interpretation, against any cost or expense (including attorneys' fees) or liability (including any sum paid in settlement of a claim with the Administrator's approval) arising from any act or omission concerning this Plan unless arising from such person's own fraud or bad faith.

12.11 Data Privacy. As a condition for participation in the Plan, each Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this section by and among the Company and its Subsidiaries and affiliates exclusively for implementing, administering and managing the Participant's participation in the Plan. The Company and its Subsidiaries and affiliates may hold certain personal information about a Participant, including the Participant's name, address and telephone number; birthdate; social security, insurance number or other identification number; salary; nationality; job title(s); any Shares held in the Company or its Subsidiaries and affiliates; and participation details, to implement, manage and administer the Plan and any Offering Period(s) (the "***Data***"). The Company and its Subsidiaries and affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage a Participant's participation in the Plan and any Offering Period(s), and the Company and its Subsidiaries and affiliates may transfer the Data to third parties assisting the Company with Plan implementation, administration and management. These recipients may be located in the Participant's country, or elsewhere, and the Participant's country may have different data privacy laws and protections than the recipients' country. By participating in any Offering Period under the Plan, each Participant authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, to implement, administer and manage the Participant's participation in the Plan, including any required Data transfer to a broker or other third party with whom the Company or the Participant may elect to deposit any Shares. The Data related to a Participant will be held only as long as necessary to implement, administer, and manage the Participant's participation in the Plan. A Participant may, at any time, view the Data that the Company holds regarding such Participant, request additional information about the storage and processing of the Data regarding such Participant, recommend any necessary corrections to the Data regarding the Participant or refuse or withdraw the consents in this Section 12.11 in writing, without cost, by contacting the local human resources representative. If the Participant refuses or withdraws the consents in this Section 12.11, and the Company may cancel Participant's ability to participate in the Plan or any Offering Period(s). For more information on the consequences of refusing or withdrawing consent, Participants may contact their local human resources representative.

12.12 Severability. If any portion of the Plan or any action taken under it is held illegal or invalid for any reason, the illegality or invalidity will not affect the remaining parts of the Plan, and the Plan will be construed and enforced as if the illegal or invalid provisions had been excluded, and the illegal or invalid action will be null and void.

12.13 Titles and Headings. The titles and headings in the Plan are for convenience of reference only and, if any conflict, the Plan's text, rather than such titles or headings, will control.

12.14 Conformity to Securities Laws. Participant acknowledges that the Plan is intended to conform to the extent necessary with Applicable Laws. Notwithstanding anything herein to the contrary, the Plan and all Offering Periods will be administered only in conformance with Applicable Laws. To the extent Applicable Laws permit, the Plan and all Offering Periods will be deemed amended as necessary to conform to Applicable Laws.

12.15 Relationship to Other Benefits. No payment under the Plan will be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except as expressly provided in writing in such other plan or an agreement thereunder.

12.16 Governing Law. The Plan and any agreements hereunder shall be administered, interpreted and enforced in accordance with the laws of the State of Delaware, disregarding any state's choice of law principles requiring the application of a jurisdiction's laws other than the State of Delaware.

12.17 Electronic Forms. To the extent permitted by Applicable Law and in the discretion of the Administrator, an Eligible Employee may submit any form or notice as set forth herein by means of an electronic form approved by the Administrator. Before the commencement of an Offering Period, the Administrator shall prescribe the time limits within which any such electronic form shall be submitted to the Administrator with respect to such Offering Period in order to be a valid election.

12.18 Section 409A. The Section 423 Component of the Plan and the rights to purchase Shares granted pursuant to Offerings thereunder are intended to be exempt from the application of Section 409A of the Code and the U.S. Department of Treasury Regulations and other interpretive guidance issued thereunder (collectively, "***Section 409A***"). Neither the Non-Section 423 Component nor any right to purchase Shares granted pursuant to an Offering thereunder is intended to constitute or provide for "nonqualified deferred compensation" within the meaning of Section 409A. Notwithstanding any provision of the Plan to the contrary, if the Administrator determines that any right to purchase Shares granted under the Plan may be or become subject to Section 409A or that any provision of the Plan may cause a right to purchase Shares granted under the Plan to be or become subject to Section 409A, the Administrator may adopt such amendments to the Plan and/or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions as the Administrator determines are necessary or appropriate to avoid the imposition of taxes under Section 409A, either through compliance with the requirements of Section 409A or with an available exemption therefrom.

ARTICLE I.
EXCHANGE; CLOSING

Section 1.01. Exchange. Upon the terms, and subject to the satisfaction (or waiver) of the conditions set forth in Article IV, at the Closing (as defined below), each Holder and the Company hereby agree to exchange the number of Exchanged Common Shares set forth opposite such

Holder's name on Schedule B for the number of Preferred Shares set forth opposite such Holder's name on Schedule B (the "**Exchange**"). The Company hereby acknowledges and agrees that the specific Owned Common Shares exchanged hereunder, including the date or dates of issuance thereof, shall be as designated by each Holder prior to the Effective Time.

Section 1.02. Closing and Settlement.

(a) Subject to the satisfaction (or waiver) of the conditions set forth in Article IV, the closing of the Exchange (the "**Closing**") shall occur immediately prior to the consummation of the Mergers and the PIPE Transactions (the "**Effective Time**"). At the Closing:

(i) each Holder shall deliver or cause to be delivered to the Company or its transfer agent a duly executed stock power, transfer agent instructions or other customary documents of conveyance or transfer, which shall transfer such Holder's Exchanged Common Shares to the Company, or shall otherwise transmit (or cause its prime broker to transmit for such Holder's account) such Holder's Exchanged Common Shares to the Company through The Depository Trust Company's Deposit/Withdrawal at Custodian (DWAC) system, in each case, free and clear of any mortgage, lien, pledge, charge, security interest, encumbrance, title retention agreement, option, equity or other adverse claim, limitation or restriction thereto (collectively, "**Liens**") other than Permitted Liens (as defined below); and

(ii) (A) the Company shall issue to each Holder or its designee such Holder's Preferred Shares, and (B) the Company shall deliver to each Holder (or its designee) stock certificates, duly executed on behalf of the Company, representing such Holder's Preferred Shares.

(c) Effective as of the Effective Time, each Holder shall, automatically and irrevocably, without any further action by any party, surrender all voting rights in respect of the Exchanged Common Shares (but not, for the avoidance of doubt, any other Owned Common Shares, any Conversion Shares that are issued following the Closing upon conversion or exercise, as applicable, of any Preferred Shares or other securities held by the Holder as of the Effective Time). From and after the Closing, (i) the Holder shall not vote, and shall not be entitled to vote, any of the Exchanged Common Shares at any meeting of stockholders, or in connection with any written consent of stockholders, with respect to any matter and (ii) the Exchanged Common Shares shall not be considered present or entitled to vote or otherwise accounted for in connection with any meeting or vote that occurs following the Closing (including for purposes of determining the presence or absence of a quorum or the minimum vote required to approve any matter) regardless of whether the record date in respect of such meeting or written consent preceded the date of this

Agreement. The Company acknowledges and confirms that it has not set a record date for any special meeting or any other meeting of stockholders (or for purposes of determining stockholders entitled to consent to any matter in writing) to be held following the consummation of the Mergers, and covenants and agrees that it shall use its reasonable best efforts to not fix a record date for any such meeting of its stockholders with respect to which a record date has not already been set until the Exchange has become effective, unless the Exchange shall not have become effective as a result of a Holder's willful breach of this Agreement.

Section 1.03. Registration Rights Agreement. Notwithstanding anything to the contrary contained herein, the Conversion Shares issuable upon the conversion of the Preferred Shares, shall be entitled to the rights, privileges and benefits, and shall be subject to the limitations, applicable to the Exchanged Common Shares pursuant to the Existing RRA, as the same shall be amended and restated in accordance with the A&R RRA. Without limiting the foregoing, the Company acknowledges and agrees that the Conversion Shares shall constitute "Registrable Securities" within the meaning of the A&R RRA.

Section 1.04. Continuing Lockup Restrictions. Each Holder acknowledges and agrees that, commencing on the date of the Closing (the "**Closing Date**"), the Preferred Shares issued in exchange for shares of Class B Common Stock issued to the Sponsor (the "**Founder Shares**"), together with any Conversion Shares (as defined below) issued upon the conversion of such Preferred Shares, shall be subject to the lock-up provisions set forth in the Amended and Restated Bylaws of the Company, the form of which is attached hereto as Exhibit B (the "**A&R Bylaws**") and which are to be adopted by the Company and effective as of the consummation of the Mergers. The parties hereto acknowledge and agree that nothing contained in this Agreement is intended to limit, expand or otherwise modify or affect the restrictions on transfer set forth in the A&R Bylaws. For the avoidance of doubt, the restrictions on transfer set forth in the A&R Bylaws shall not be applicable to any Preferred Shares issued hereunder in exchange for any Exchanged Common Shares other than the Founder Shares (or any Conversion Shares issued upon the conversion of such Preferred Shares).

ARTICLE II.

with respect to or otherwise affecting the matters covered herein. Upon delivery of the Exchanged Common Shares to the Company, such Holder will convey, or cause to be conveyed, to the Company good, valid and marketable title to the Exchanged Common Shares, free and clear of all Liens other than Permitted Liens.

Section 2.02. Representations and Warranties of the Company. The Company hereby represents and warrants to each Holder as of the date of this Agreement and as of the Effective Time as follows:

(a) Incorporation and Authority.

(i) The Company is duly organized, validly existing and in good standing under the Laws of the State of Delaware. The Company has all requisite corporate or other applicable organizational power to (i) enter into, consummate the transactions contemplated by, and carry out its obligations under this Agreement, the Certificate of Designation, and each other agreement, document, instrument, schedule or certificate contemplated by this Agreement to be executed by the Company in connection with or as a condition to each Holder's obligation to consummate the transactions contemplated hereunder (the "**Ancillary Documents**"), including the issuance of the Preferred Shares hereunder and the issuance of the Conversion Shares in accordance with the Certificate of Designation, and (ii) own, lease and operate its properties and carry on its business as presently conducted, and the Company is duly qualified to do business and is in good standing in all jurisdictions where its ownership or leasing of property or the conduct of its business requires it to be so qualified, except for any failure under clause (ii) that would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect (as defined below).

(ii) The execution and delivery by the Company of this Agreement and each Ancillary Document, and the consummation by the Company of the transactions contemplated by this Agreement and the Ancillary Documents have been duly authorized by all requisite corporate or other similar organizational action on the part of the Company. Without limiting the foregoing, no stockholder approval is required in connection with the execution and delivery of this Agreement or any Ancillary Document, or the consummation of the transactions contemplated hereby or thereby (including the issuance of the Preferred Shares and all of the Conversion Shares issuable upon conversion thereof), including any stockholder approval that would be necessary to remain in compliance with the rules of the Nasdaq Stock Market LLC ("**Nasdaq**") or required under the rules and regulations of the SEC or the General Corporation Law of the State of Delaware. This Agreement has been, and each Ancillary Document will be, duly executed and delivered by the Company. Assuming due authorization, execution and delivery by the other parties hereto, this Agreement constitutes, and each of the Ancillary Documents will constitute, the legal, valid and binding obligations of the Company, enforceable against the Company in accordance

with their respective terms, subject in each case to the effect of any applicable bankruptcy, reorganization, insolvency, moratorium or similar Laws now or hereafter in effect relating to or affecting creditors' rights and remedies generally and subject, as to enforceability, to the effect of general equitable principles (regardless of whether enforcement is sought in a proceeding in equity or at law).

(iii) Neither the execution and delivery by the Company of this Agreement and each Ancillary Document, nor the consummation of the transactions contemplated hereby or thereby, nor compliance by the Company with any of the provisions hereof or thereof will (a) violate or conflict with the organizational documents of the Company, (b) conflict with or violate any Law applicable to the Company or by which any of its properties or assets is bound or subject or (c) result in any breach of, or constitute a default (or event which, with the giving of notice or lapse of time or both, would constitute a default) under, or give to any person any rights of termination, acceleration or cancellation of or result in the creation of any Lien on any of the assets or properties of the Company, any note, bond, mortgage, indenture, deed of trust, license, lease, agreement or other instrument or obligation to which the Company or any of its subsidiaries is a party or by which any of them or any of their respective properties or assets is bound or subject, except, in the case of clauses (b) and (c), for any such conflicts, violations, breaches, defaults, terminations, accelerations, cancellations or creations as, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect. The execution and delivery of this Agreement and the issuance (directly or indirectly) of Preferred Shares and the Conversion Shares is not, and will not be, subject to, or trigger, any preemptive rights, rights of first refusal, rights of first offer, notice rights, approval/consent rights, voting rights, review rights or similar rights of any third party and will not trigger any price reset or anti-dilution rights.

(iv) Except for the filing of the Announcing Form 8-K (as defined below), compliance with any applicable state securities or blue sky laws and the filing of the Certificate of Designation with the Secretary of State of the State of Delaware, no consent or approval of, or filing or registration with, any Governmental Entity is necessary for the execution, delivery and performance by the Company of this Agreement or the Ancillary Documents, other than such other consents, approvals, filings or registrations that, if not obtained, made or given, would not, individually or in the aggregate, be material to the Company and its subsidiaries, taken as a whole.

This Agreement, together with the Certificate of Designation, constitute the entire agreement, and supersede all other prior and contemporaneous agreements and understandings, both oral and written (including the Letter Agreement), among the Holders and the Company with respect to the subject matter hereof.

Section 5.02. Amendments and Waivers. No provision of this Agreement may be waived or amended except in a written instrument signed by the Company and the Holders. No waiver of any breach or default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent breach or default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

Section 5.05. Effect of Headings. The section and subsection headings herein are for convenience only and not part of this Agreement and shall not affect the interpretation thereof.

Section 5.06. Further Assurances. Section 5.09. Governing Law. This Agreement will be governed by and construed in accordance with the Laws of the State of Delaware. The parties hereby irrevocably and unconditionally consent to submit to the exclusive jurisdiction of the state and federal courts located in the State of Delaware for any actions, suits or proceedings arising out of or relating to this Agreement and the transactions contemplated hereby. The parties hereby irrevocably and unconditionally consent to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such action, suit or proceeding and irrevocably waive, to the fullest extent permitted by Law, any objection that they may now or hereafter have to the laying of the venue of any such action, suit or proceeding in any such court or that any such action, suit or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such action, suit or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 5.11 shall be deemed effective service of process on such party.

INDEMNIFICATION AND ADVANCEMENT AGREEMENT

This Indemnification and Advancement Agreement ("Agreement") is made as of _____ __, 20__ by and between The Oncology Institute, Inc., a Delaware corporation (the "Company"), and _____, [a member of the Board of Directors/an officer/an employee/an agent/a fiduciary] of the Company ("Indemnitee"). This Agreement supersedes and replaces any and all previous Agreements between the Company and Indemnitee covering indemnification and advancement.

RECITALS

WHEREAS, the Board of Directors of the Company (the "Board") believes that highly competent persons have become more reluctant to serve publicly-held corporations as directors, officers, or in other capacities unless they are provided with adequate protection through insurance or adequate indemnification and advancement of expenses against inordinate risks of claims and actions against them arising out of their service to and activities on behalf of the corporation;

WHEREAS, the Board has determined that, in order to attract and retain qualified individuals, the Company will attempt to maintain on an ongoing basis, at its sole expense, liability insurance to protect persons serving the Company and its subsidiaries from certain liabilities. Although the furnishing of such insurance has been a customary and widespread practice among United States-based corporations and other business enterprises, the Company believes that, given current market conditions and trends, such insurance may be available to it in the future only at higher premiums and with more exclusions. At the same time, directors, officers, and other persons in service to corporations or business enterprises are being increasingly subjected to expensive and time-consuming litigation relating to, among other things, matters that traditionally would have been brought only against the Company or business enterprise itself. The Bylaws and Certificate of Incorporation of the Company require indemnification of the officers and directors of the Company. Indemnitee may also be entitled to indemnification pursuant to the General Corporation Law of the State of Delaware (the "DGCL"). The Bylaws, Certificate of Incorporation, and the DGCL expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts may be entered into between the Company and members of the board of directors, officers and other persons with respect to indemnification and advancement of expenses;

WHEREAS, the uncertainties relating to such insurance, to indemnification, and to advancement of expenses may increase the difficulty of attracting and retaining such persons;

WHEREAS, the Board has determined that the increased difficulty in attracting and retaining such persons is detrimental to the best interests of the Company and its stockholders and that the Company should act to assure such persons that there will be increased certainty of such protection in the future;

WHEREAS, it is reasonable, prudent and necessary for the Company contractually to obligate itself to indemnify, and to advance expenses on behalf of, such persons to the fullest extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern that they will not be so indemnified;

WHEREAS, this Agreement is a supplement to and in furtherance of the Bylaws, Certificate of Incorporation and any resolutions adopted pursuant thereto, as well as any rights of Indemnitee under any directors' and officers' liability insurance policy, and is not a substitute therefor, nor diminishes or abrogates any rights of Indemnitee thereunder; and

WHEREAS, Indemnitee does not regard the protection available under the Bylaws, Certificate of Incorporation, DGCL and insurance as adequate in the present circumstances, and may not be willing to serve or continue to serve as an officer or director without adequate additional protection, and the Company desires Indemnitee to serve or continue to serve in such capacity. Indemnitee is willing to serve, continue to serve and to take on additional service for or on behalf of the Company on the condition that Indemnitee be so indemnified and be advanced expenses.

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:

Section 1. Services to the Company. Indemnitee agrees to serve as [a/an] [director/officer/employee/agent/fiduciary] of the Company. Indemnitee may at any time and for any reason resign from such position (subject to any other contractual obligation or any obligation imposed by operation of law). This Agreement does not create any obligation on the Company to continue Indemnitee in such position and is not an employment contract between the Company (or any of its subsidiaries or any Enterprise) and Indemnitee.

Section 2. Definitions. As used in this Agreement:

(a) "Agent" means any person who is authorized by the Company or an Enterprise to act for or represent the interests of the Company or an Enterprise, respectively.

(b) A "Change in Control" occurs upon the earliest to occur after the date of this Agreement of any of the following events:

i. Acquisition of Stock by Third Party. Any Person (as defined below) is or becomes the Beneficial Owner (as defined below), directly or indirectly, of securities of the Company representing fifteen percent (15%) or more of the combined voting power of the Company's then outstanding securities unless the change in relative beneficial ownership of the Company's securities by any Person results solely from a reduction in the aggregate number of outstanding shares of securities entitled to vote generally in the election of directors;

ii. Change in Board of Directors. During any period of two (2) consecutive years (not including any period prior to the execution of this Agreement), individuals who at the beginning of such period constitute the Board, and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in Sections 2(b)(i), 2(b)(iii) or 2(b)(iv)) whose election by the Board or nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority of the members of the Board;

iii. Corporate Transactions. The effective date of a merger or consolidation of the Company with any other entity, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the combined voting power of the voting securities of the surviving entity outstanding immediately after such merger or consolidation and with the power to elect at least a majority of the board of directors or other governing body of such surviving entity;

iv. Liquidation. The approval by the stockholders of the Company of a complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets; and

v. Other Events. There occurs any other event of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A (or a response to any similar item on any similar schedule or form) promulgated under the Exchange Act (as defined below), whether or not the Company is then subject to such reporting requirement.

vi. For purposes of this Section 2(b), the following terms have the following meanings:

1 "Exchange Act" means the Securities Exchange Act of 1934, as amended from time to time.

2 "Person" has the meaning as set forth in Sections 13(d) and 14(d) of the Exchange Act; provided, however, that Person excludes (i) the Company, (ii) any trustee or other fiduciary holding securities under an employee benefit plan of the Company, and (iii) any corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company.

3 "Beneficial Owner" has the meaning given to such term in Rule 13d-3 under the Exchange Act; provided, however, that Beneficial Owner excludes any Person otherwise becoming a Beneficial Owner by reason of the stockholders of the Company approving a merger of the Company with another entity.

(c) "Corporate Status" describes the status of a person who is or was acting as a director, officer, employee, fiduciary, or Agent of the Company or an Enterprise.

(d) "Disinterested Director" means a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

(e) "Enterprise" means any other corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other entity for which Indemnitee is or was serving at the request of the Company as a director, officer, employee, or Agent.

(f) "Expenses" includes all reasonable attorneys' fees, retainers, court costs, transcript costs, fees of experts and other professionals, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, any federal, state, local or foreign taxes imposed on Indemnitee as a result of the actual or deemed receipt of any payments under this Agreement, ERISA excise taxes and penalties, and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, or otherwise participating in, a Proceeding. Expenses also include (i) Expenses incurred in connection with any appeal resulting from any Proceeding, including without limitation the premium, security for, and other costs relating to any cost bond, supersedeas bond, or other appeal bond or its equivalent, and (ii) for purposes of Section 14(d) only, Expenses incurred by Indemnitee in connection with the interpretation, enforcement or defense of Indemnitee's rights under this Agreement, the Bylaws, the Certificate of Incorporation or any directors' and officers' liability insurance policies maintained by the Company, by litigation or otherwise. Expenses, however, do not include amounts paid in settlement by Indemnitee or the amount of judgments or fines against Indemnitee.

(g) "Independent Counsel" means a law firm, or a member of a law firm, that is experienced in matters of corporation law and neither presently is, nor in the past five years has been, retained to represent: (i) the Company or Indemnitee in any matter material to either such party (other than with respect to matters concerning the Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements), or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term "Independent Counsel" does not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee's rights under this Agreement.

(h) The term "Proceeding" includes any threatened, pending or completed action, suit, claim, counterclaim, cross claim, arbitration, mediation, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, whether brought in the right of the Company or otherwise and whether of a civil, criminal, administrative, legislative, or investigative (formal or informal) nature, including any appeal therefrom, in which Indemnitee was, is or will be involved as a party, potential party, non-party witness or otherwise by reason of Indemnitee's Corporate Status or by reason of any action taken by Indemnitee (or a failure to take action by Indemnitee) or of any action (or failure to act) on Indemnitee's part while acting pursuant to Indemnitee's Corporate Status, in each case whether or not serving in such capacity at the time any liability or Expense is incurred for which indemnification, reimbursement, or advancement of Expenses can be provided under this Agreement. A Proceeding also includes a situation the Indemnitee believes in good faith may lead to or culminate in the institution of a Proceeding.

Section 3. Indemnity in Third-Party Proceedings. The Company will indemnify Indemnitee in accordance with the provisions of this Section 3 if Indemnitee is, or is threatened to be made, a party to or a participant in any Proceeding, other than a Proceeding by or in the right of the Company to procure a judgment in its favor. Pursuant to this Section 3, the Company will indemnify Indemnitee to the fullest extent permitted by applicable law against all Expenses, judgments, fines and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, judgments, fines and amounts paid in settlement) actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal Proceeding had no reasonable cause to believe that Indemnitee's conduct was unlawful.

Section 4. Indemnity in Proceedings by or in the Right of the Company. The Company will indemnify Indemnitee in accordance with the provisions of this Section 4 if Indemnitee is, or is threatened to be made, a party to or a participant in any Proceeding by or in the right of the Company to procure a judgment in its favor. Pursuant to this Section 4, the Company will indemnify Indemnitee to the fullest extent permitted by applicable law against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company. The Company will not indemnify Indemnitee for Expenses under this Section 4 related to any claim, issue or matter in a Proceeding for which Indemnitee has been finally adjudged by a court to be liable to the Company, unless, and only to the extent that, the Delaware Court of Chancery or any court in which the Proceeding was brought determines upon application by Indemnitee that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification.

Section 5. Indemnification for Expenses of a Party Who is Wholly or Partly Successful. To the fullest extent permitted by applicable law, the Company will indemnify Indemnitee against all Expenses actually and reasonably incurred by Indemnitee in connection with any Proceeding the extent that Indemnitee is successful, on the merits or otherwise. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company will indemnify Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with or related to each successfully resolved claim, issue or matter to the fullest extent permitted by law. For purposes of this Section 5 and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, will be deemed to be a successful result as to such claim, issue or matter.

Section 6. Indemnification For Expenses of a Witness. To the fullest extent permitted by applicable law, the Company will indemnify Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with any Proceeding to which Indemnitee is not a party but to which Indemnitee is a witness, deponent, interviewee, or otherwise asked to participate.

Section 7. Partial Indemnification. If Indemnitee is entitled under any provision of this Agreement to indemnification by the Company for some or a portion of Expenses, but not, however, for the total amount thereof, the Company will indemnify Indemnitee for the portion thereof to which Indemnitee is entitled.

Section 8. Additional Indemnification. Notwithstanding any limitation in Sections 3, 4, or 5, the Company will indemnify Indemnitee to the fullest extent permitted by applicable law (including but not limited to, the DGCL and any amendments to or replacements of the DGCL adopted after the date of this Agreement that expand the Company's ability to indemnify its officers and directors) if Indemnitee is a party to or threatened to be made a party to any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor).

Section 9. Exclusions. Notwithstanding any provision in this Agreement, the Company is not obligated under this Agreement to make any indemnification payment to Indemnitee in connection with any Proceeding:

(a) for which payment has actually been made to or on behalf of Indemnitee under any insurance policy or other indemnity provision, except to the extent provided in Section 16(b) and except with respect to any excess beyond the amount paid under any insurance policy or other indemnity provision; or

(b) for (i) an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 15(b) of the Exchange Act (as defined in Section 2(b) hereof) or similar provisions of state statutory law or common law, (ii) any reimbursement of the Company by the Indemnitee of any bonus or other incentive-based or equity-based compensation or of any profits realized by the Indemnitee from the sale of securities of the Company, as required in each case under the Exchange Act (including any such reimbursements that arise from an accounting restatement of the Company pursuant to Section 304 of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"), or the payment to the Company of profits arising from the purchase and sale by Indemnitee of securities in violation of Section 306 of the Sarbanes-Oxley Act) or (iii) any reimbursement of the Company by Indemnitee of any compensation pursuant to any compensation recoupment or clawback policy adopted by the Board or the compensation committee of the Board, including but not limited to any such policy adopted to comply with stock exchange listing requirements implementing Section 10D of the Exchange Act; or

(c) initiated by Indemnitee, including any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, employees or other indemnitees, unless (i) the Proceeding or part of any Proceeding is to enforce Indemnitee's rights to indemnification or advancement, of Expenses, including a Proceeding (or any part of any Proceeding) initiated pursuant to Section 14 of this Agreement, (ii) the Board authorized the Proceeding (or any part of any Proceeding) prior to its initiation or (iii) the Company provides the indemnification, in its sole discretion, pursuant to the powers vested in the Company under applicable law.

Section 10. Advances of Expenses.

(a) The Company will advance, to the extent not prohibited by law, the Expenses incurred by Indemnitee in connection with any Proceeding (or any part of any Proceeding) not initiated by Indemnitee or any Proceeding (or any part of any Proceeding) initiated by Indemnitee if (i) the Proceeding or part of any Proceeding is to enforce Indemnitee's rights to obtain indemnification or advancement of Expenses from the Company or Enterprise, including a proceeding initiated pursuant to Section 14 or (ii) the Board authorized the Proceeding (or any part of any Proceeding) prior to its initiation. The Company will advance the Expenses within thirty (30) days after the receipt by the Company of a statement or statements requesting such advances from time to time, whether prior to or after final disposition of any Proceeding.

(b) Advances will be unsecured and interest free. Indemnitee undertakes to repay the amounts advanced (without interest) to the extent that it is ultimately determined that Indemnitee is not entitled to be indemnified by the Company, thus Indemnitee qualifies for advances upon the execution of this Agreement and delivery to the Company. No other form of undertaking is required other than the execution of this Agreement. The Company will make advances without regard to Indemnitee's ability to repay the Expenses and without regard to Indemnitee's ultimate entitlement to indemnification under the other provisions of this Agreement.

Section 11. Procedure for Notification of Claim for Indemnification or Advancement.

(a) Indemnitee will notify the Company in writing of any Proceeding with respect to which Indemnitee intends to seek indemnification or advancement of Expenses hereunder as soon as reasonably practicable following the receipt by Indemnitee of written notice thereof. Indemnitee will include in the written notification to the Company a description of the nature of the Proceeding and the facts underlying the Proceeding and provide such documentation and information as is reasonably available to Indemnitee and is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification following the final disposition of such Proceeding. Indemnitee's failure to notify the Company will not relieve the Company from any obligation it may have to Indemnitee under this Agreement, and any delay in so notifying the Company will not constitute a waiver by Indemnitee of any rights under this Agreement. The Secretary of the Company will, promptly upon receipt of such a request for indemnification or advancement, advise the Board in writing that Indemnitee has requested indemnification or advancement.

(b) The Company will be entitled to participate in the Proceeding at its own expense.

(c) The Company shall not settle any Proceeding (in whole or in part) if such settlement would impose any Expenses, judgment, liability, fine, penalty or limitation on Indemnitee in respect of which Indemnitee is not entitled to be indemnified hereunder without Indemnitee's prior written consent, which shall not be unreasonably withheld, conditioned or delayed.

Section 12. Procedure Upon Application for Indemnification.

(a) Unless a Change of Control has occurred, the determination of Indemnitee's entitlement to indemnification will be made:

i. by a majority vote of the Disinterested Directors, even though less than a quorum of the Board;

ii. by a committee of Disinterested Directors designated by a majority vote of the Disinterested Directors, even though less than a quorum of the Board;

iii. if there are no such Disinterested Directors or, if such Disinterested Directors so direct, by written opinion provided by Independent Counsel selected by the Board; or

iv. if so directed by the Board, by the stockholders of the Company.

(b) If a Change in Control has occurred, the determination of Indemnitee's entitlement to indemnification will be made by written opinion provided by Independent Counsel selected by Indemnitee (unless Indemnitee requests such selection be made by the Board)

(c) The party selecting Independent Counsel pursuant to subsection (a)(iii) or (b) of this Section 12 will provide written notice of the selection to the other party. The notified party may, within ten (10) days after receiving written notice of the selection of Independent Counsel, deliver to the selecting party a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Section 2 of this Agreement, and the objection will set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected will act as Independent Counsel. If such written objection is so made and substantiated, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or the Delaware Court has determined that such objection is without merit. If, within thirty (30) days after the later of submission by Indemnitee of a written request for indemnification pursuant to Section 11(a) hereof and the final disposition of the Proceeding, Independent Counsel has not been selected or, if selected, any objection to has not been resolved, either the Company or Indemnitee may petition the Delaware Court for the appointment as Independent Counsel of a person selected by such court or by such other person as such court designates. Upon the due commencement of any judicial proceeding or arbitration pursuant to Section 14(a) of this Agreement, Independent Counsel will be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

(d) If the Company disputes a portion of the amounts for which indemnification is requested, the undisputed portion shall be paid and only the disputed portion withheld pending resolution of any such dipsute.

(e) Indemnitee will cooperate with the person, persons or entity making the determination with respect to Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. The Company will advance and pay any Expenses incurred by Indemnitee in so cooperating with the person, persons or entity making the indemnification determination irrespective of the determination as to Indemnitee's entitlement to indemnification and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom. The Company promptly will advise Indemnitee in writing of the determination that Indemnitee is or is not entitled to indemnification, including a description of any reason or basis for which indemnification has been denied and providing a copy of any written opinion provided to the Board by Independent Counsel.

(f) If it is determined that Indemnitee is entitled to indemnification, the Company will make payment to Indemnitee within thirty (30) days after such determination.

Section 13. Presumptions and Effect of Certain Proceedings.

(a) In making a determination with respect to entitlement to indemnification hereunder, the person or persons or entity making such determination will, to the fullest extent not prohibited by law, presume Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 11(a) of this Agreement, and the Company will, to the fullest extent not prohibited by law, have the burden of proof to overcome that presumption. Neither the failure of the Company (including by its directors or Independent Counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its directors or Independent Counsel) that Indemnitee has not met such applicable standard of conduct, will be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(b) If the determination of the Indemnitee's entitlement to indemnification has not made pursuant to Section 12 within sixty (60) days after the later of (i) receipt by the Company of Indemnitee's request for indemnification pursuant to Section 11(a) and (ii) the final disposition of the Proceeding for which Indemnitee requested Indemnification (the "Determination Period"), the requisite determination of entitlement to indemnification will, to the fullest extent not prohibited by law, be deemed to have been made and Indemnitee will be entitled to such indemnification, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law. The Determination Period may be extended for a reasonable time, not to exceed an additional thirty (30) days, if the person, persons or entity making the determination with respect to entitlement to indemnification in good faith requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto; and provided, further, the Determination Period may be extended an additional fifteen (15) days if the determination of entitlement to indemnification is to be made by the stockholders pursuant to Section 12(a)(iv) of this Agreement.

(c) The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, will not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which Indemnitee reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that Indemnitee's conduct was unlawful.

(d) For purposes of any determination of good faith, Indemnitee will be deemed to have acted in good faith if Indemnitee acted based on the records or books of account of the Company, its subsidiaries, or an Enterprise, including financial statements, or on information supplied to Indemnitee by the directors or officers of the Company, its subsidiaries, or an Enterprise in the course of their duties, or on the advice of legal counsel for the Company, its subsidiaries, or an Enterprise or on information or records given or reports made to the Company or an Enterprise by an independent certified public accountant or by an appraiser, financial advisor or other expert selected with reasonable care by or on behalf of the Company, its subsidiaries, or an Enterprise. Further, Indemnitee will be deemed to have acted in a manner "not opposed to the best interests of the Company," as referred to in this Agreement if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan. The provisions of this Section 13(d) is not exclusive and does not limit in any way the other circumstances in which the Indemnitee may be deemed to have met the applicable standard of conduct set forth in this Agreement.

(e) The knowledge and/or actions, or failure to act, of any director, officer, trustee, partner, managing member, fiduciary, agent or employee of the Enterprise may not be imputed to Indemnitee for purposes of determining Indemnitee's right to indemnification under this Agreement.

Section 14. Remedies of Indemnitee.

(a) Indemnitee may commence litigation against the Company in the Delaware Court of Chancery to obtain indemnification or advancement of Expenses provided by this Agreement in the event that (i) a determination is made pursuant to Section 12 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) the Company does not advance Expenses pursuant to Section 10 of this Agreement, (iii) the determination of entitlement to indemnification is not made pursuant to Section 12 of this Agreement within the Determination Period, (iv) the Company does not indemnify Indemnitee pursuant to Section 5 or 6 or the second to last sentence of Section 12(d) of this Agreement within thirty (30) days after receipt by the Company of a written request therefor, (v) the Company does not indemnify Indemnitee pursuant to Section 3, 4, 7, or 8 of this Agreement within thirty (30) days after a determination has been made that Indemnitee is entitled to indemnification, or (vi) in the event that the Company or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or Proceeding designed to deny, or to recover from, the Indemnitee the benefits provided or intended to be provided to the Indemnitee hereunder. Indemnitee must commence such Proceeding seeking an adjudication or an award in arbitration within one hundred and eighty (180) days following the date on which Indemnitee first has the right to commence such Proceeding pursuant to this Section 14(a); provided, however, that the foregoing clause does not apply in respect of a Proceeding brought by Indemnitee to enforce Indemnitee's rights under Section 5 of this Agreement. The Company will not oppose Indemnitee's right to seek any such adjudication or award in arbitration.

(b) If a determination is made pursuant to Section 12 of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Section 14 will be conducted in all respects as a *de novo* trial, or arbitration, on the merits and Indemnitee may not be prejudiced by reason of that adverse determination. In any judicial proceeding or arbitration commenced pursuant to this Section 14 the Company will have the burden of proving Indemnitee is not entitled to indemnification or advancement of Expenses, as the case may be, and will not introduce evidence of the determination made pursuant to Section 12 of this Agreement.

(c) If a determination is made pursuant to Section 12 of this Agreement that Indemnitee is entitled to indemnification, the Company will be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 14, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(d) The Company is, to the fullest extent not prohibited by law, precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 14 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and will stipulate in any such court or before any such arbitrator that the Company is bound by all the provisions of this Agreement.

(e) It is the intent of the Company that, to the fullest extent permitted by law, the Indemnitee not be required to incur legal fees or other Expenses associated with the interpretation, enforcement or defense of Indemnitee's rights under this Agreement by litigation or otherwise because the cost and expense thereof would substantially detract from the benefits intended to be extended to the Indemnitee hereunder. The Company, to the fullest extent permitted by law, will (within thirty (30) days after receipt by the Company of a written request therefor) advance to Indemnitee such Expenses which are incurred by Indemnitee in connection with any action concerning this Agreement, Indemnitee's right to indemnification or advancement of Expenses from the Company, or concerning any directors' and officers' liability insurance policies maintained by the Company, and will indemnify Indemnitee against any and all such Expenses unless the court determines that each of the Indemnitee's claims in such action were made in bad faith or were frivolous or are prohibited by law.

Section 15. Non-exclusivity; Survival of Rights; Insurance; Subrogation.

(a) The indemnification and advancement of Expenses provided by this Agreement are not exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Certificate of Incorporation, the Bylaws, any agreement, a vote of stockholders or a resolution of directors, or otherwise. The indemnification and advancement of Expenses provided by this Agreement may not be limited or restricted by any amendment, alteration or repeal of this Agreement in any way with respect to any action taken or omitted by Indemnitee in Indemnitee's Corporate Status occurring prior to any amendment, alteration or repeal of this Agreement. To the extent that a change in Delaware law, whether by statute or judicial decision, permits greater indemnification or advancement of Expenses than would be afforded currently under the Bylaws, Certificate of Incorporation, or this Agreement, it is the intent of the parties hereto that Indemnitee enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy is cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or employment of any other right or remedy.

(b) The Company hereby acknowledges that Indemnitee may have certain rights to indemnification, advancement of Expenses and/or insurance provided by one or more other Persons with whom or which Indemnitee may be associated. The relationship between the Company and such other Persons, other than an Enterprise, with respect to the Indemnitee's rights to indemnification, advancement of Expenses, and insurance is described by this subsection, subject to the provisions of subsection (d) of this Section 15 with respect to a Proceeding concerning Indemnitee's Corporate Status with an Enterprise.

i. The Company hereby acknowledges and agrees:

1) the Company is the indemnitor of first resort with respect to any request for indemnification or advancement of Expenses made pursuant to this Agreement concerning any Proceeding;

2) the Company is primarily liable for all indemnification and indemnification or advancement of Expenses obligations for any Proceeding, whether created by law, organizational or constituent documents, contract (including this Agreement) or otherwise;

3) any obligation of any other Persons with whom or which Indemnitee may be associated to indemnify Indemnitee and/or advance Expenses to Indemnitee in respect of any proceeding are secondary to the obligations of the Company's obligations;

4) the Company will indemnify Indemnitee and advance Expenses to Indemnitee hereunder to the fullest extent provided herein without regard to any rights Indemnitee may have against any other Person with whom or which Indemnitee may be associated or insurer of any such Person; and

ii. the Company irrevocably waives, relinquishes and releases (A) any other Person with whom or which Indemnitee may be associated from any claim of contribution, subrogation, reimbursement, exoneration or indemnification, or any other recovery of any kind in respect of amounts paid by the Company to Indemnitee pursuant to this Agreement and (B) any right to participate in any claim or remedy of Indemnitee against any Person, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Person, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right.

iii. In the event any other Person with whom or which Indemnitee may be associated or their insurers advances or extinguishes any liability or loss for Indemnitee, the payor has a right of subrogation against the Company or its insurers for all amounts so paid which would otherwise be payable by the Company or its insurers under this Agreement. In no event will payment by any other Person with whom or which Indemnitee may be associated or their insurers affect the obligations of the Company hereunder or shift primary liability for the Company's obligation to indemnify or advance of Expenses to any other Person with whom or which Indemnitee may be associated.

iv. Any indemnification or advancement of Expenses provided by any other Person with whom or which Indemnitee may be associated is specifically in excess over the Company's obligation to indemnify and advance Expenses or any valid and collectible insurance (including but not limited to any malpractice insurance or professional errors and omissions insurance) provided by the Company.

(c) To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, officers, employees, or agents of the Company, the Company will obtain a policy or policies covering Indemnitee to the maximum extent of the coverage available for any such director, officer, employee or agent under such policy or policies, including coverage in the event the Company does not or cannot, for any reason, indemnify or advance Expenses to Indemnitee as required by this Agreement. If, at the time of the receipt of a notice of a claim pursuant to this Agreement, the Company has director and officer liability insurance in effect, the Company will give prompt notice of such claim or of the commencement of a Proceeding, as the case may be, to the insurers in accordance with the procedures set forth in the respective policies. The Company will thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of the Indemnitee, all amounts payable as a result of such Proceeding in accordance with the terms of such policies. Indemnitee agrees to assist the Company efforts to cause the insurers to pay such amounts and will comply with the terms of such policies, including selection of approved panel counsel, if required.

(d) The Company's obligation to indemnify or advance Expenses hereunder to Indemnitee for any Proceeding concerning Indemnitee's Corporate Status with an Enterprise will be reduced by any amount Indemnitee has actually received as indemnification or advancement of Expenses from such Enterprise. The Company and Indemnitee intend that any such Enterprise (and its insurers) be the indemnitor of first resort with respect to indemnification and advancement of Expenses for any Proceeding related to or arising from Indemnitee's Corporate Status with such Enterprise. The Company's obligation to indemnify and advance Expenses to Indemnitee is secondary to the obligations the Enterprise or its insurers owe to Indemnitee. Indemnitee agrees to take all reasonably necessary and desirable action to obtain from an Enterprise indemnification and advancement of Expenses for any Proceeding related to or arising from Indemnitee's Corporate Status with such Enterprise.

(e) In the event of any payment made by the Company under this Agreement, the Company will be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee from any Enterprise or insurance carrier. Indemnitee will execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

Section 16. Duration of Agreement. This Agreement continues until and terminates upon the later of: (a) ten (10) years after the date that Indemnitee ceases to have a Corporate Status or (b) one (1) year after the final termination of any Proceeding then pending in respect of which Indemnitee is granted rights of indemnification or advancement of Expenses hereunder and of any Proceeding commenced by Indemnitee pursuant to Section 14 of this Agreement relating thereto. The indemnification and advancement of Expenses rights provided by or granted pursuant to this Agreement are binding upon and be enforceable by the parties hereto and their respective successors and assigns (including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business or assets of the Company), continue as to an Indemnitee who has ceased to be a director, officer, employee or agent of the Company or of any other Enterprise, and inure to the benefit of Indemnitee and Indemnitee's spouse, assigns, heirs, devisees, executors and administrators and other legal representatives.

Section 17. Severability. If any provision or provisions of this Agreement is held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) will not in any way be affected or impaired thereby and remain enforceable to the fullest extent permitted by law; (b) such provision or provisions will be deemed reformed to the extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (c) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) will be construed so as to give effect to the intent manifested thereby.

Section 18. Interpretation. Any ambiguity in the terms of this Agreement will be resolved in favor of Indemnitee and in a manner to provide the maximum indemnification and advancement of Expenses permitted by law. The Company and Indemnitee intend that this Agreement provide to the fullest extent permitted by law for indemnification and advancement in excess of that expressly provided, without limitation, by the Certificate of Incorporation, the Bylaws, , any directors' and officers' insurance maintained by the Company, vote of the Company stockholders or disinterested directors, or applicable law.

Section 19. Enforcement.

(a) The Company expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve as a director or officer of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving or continuing to serve as a director or officer of the Company.

(b) This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof; provided, however, that this Agreement is a supplement to and in furtherance of the Certificate of Incorporation, the Bylaws, any directors' and officers' insurance maintained by the Company and applicable law, and is not a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder.

Section 20. Modification and Waiver. No supplement, modification or amendment of this Agreement is binding unless executed in writing by the parties hereto. No waiver of any of the provisions of this Agreement will be deemed or constitutes a waiver of any other provisions of this Agreement nor will any waiver constitute a continuing waiver.

Section 21. Notice by Indemnitee. Indemnitee agrees promptly to notify the Company in writing upon being served with any summons, citation, subpoena, complaint, indictment, information or other document relating to any Proceeding or matter which may be subject to indemnification or advancement of Expenses covered hereunder. The failure of Indemnitee to so notify the Company does not relieve the Company of any obligation which it may have to the Indemnitee under this Agreement or otherwise.

Section 22. Notices. All notices, requests, demands and other communications under this Agreement will be in writing and will be deemed to have been duly given if (a) delivered by hand to the other party, (b) sent by reputable overnight courier to the other party or (c) sent by facsimile transmission or electronic mail, with receipt of oral confirmation that such communication has been received:

or to any other address as may have been furnished to Indemnitee by the Company.

Section 23. Contribution. To the fullest extent permissible under applicable law, if the indemnification provided for in this Agreement is unavailable to Indemnitee for any reason whatsoever, the Company, in lieu of indemnifying Indemnitee, will contribute to the amount incurred by Indemnitee, whether for judgments, fines, penalties, excise taxes, amounts paid or to be paid in settlement and/or for Expenses, in connection with any claim relating to an indemnifiable event under this Agreement, in such proportion as is deemed fair and reasonable in light of all of the circumstances of such Proceeding in order to reflect (i) the relative benefits received by the Company and Indemnitee as a result of the event(s) and/or transaction(s) giving cause to such Proceeding; and/or (ii) the relative fault of the Company (and its directors, officers, employees and agents) and Indemnitee in connection with such event(s) and/or transaction(s).

Section 24. Applicable Law and Consent to Jurisdiction. Section 25. Identical Counterparts. This Agreement may be executed in one or more counterparts, each of which will for all purposes be deemed to be an original but all of which together constitutes one and the same Agreement. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

The Practice's failure to pay the Management Fee or reimbursable expenses when due will be considered a material breach of this Agreement.

(a) The parties have determined the Management Fee to be equal to the fair market value of the Management Services, without consideration of the proximity of the Practice to any referral sources or the volume or value of any referrals from Management or any of its affiliates to the Practice or from the Practice to Management or any of its affiliates, that is reimbursed under any government or private health care payment or insurance program.

(b) Payment of the Management Fee is not conditioned upon a requirement that Practice make referrals to, be in a position to make or influence referrals to, or otherwise generate business for Management or any of its affiliates or a requirement that Management or any of its affiliates make referrals to, be in a position to make or influence referrals to, or otherwise generate business for the Practice. The Management Fee does not include any discount, rebate, kickback or other reduction in charge.

(c) Remittances to the Practice of monies collected will be made net of that portion of the Management Fee then due and owing to Management pursuant to this Agreement.

6.2 Expense Reimbursement. In addition to the Management Fee, the Practice will reimburse Management for all operating expenses (including reasonable travel, meals and lodging expenses) incurred by Management in connection with the provision of the Management Services; *provided that* such expenses are included in the agreed upon budget for the Practice and Subsidiaries and are otherwise commercially reasonable. Remittances to the Practice of monies collected will be made net of amounts for which Management is then due to reimbursement from the Practice pursuant to this Agreement.

6.3 Deficit Funding Loan Agreement. If Practice or Subsidiaries do not have sufficient cash to pay for their liabilities or financial obligations (including any portion of the Management Fee or reimbursable expenses owed to Management hereunder), then Management may, in its sole discretion, loan to Practice upon request funds for the purpose of enabling the Practice to pay its liabilities and meet its financial obligations ("Advances"). Funded Advances will be added to the amounts owed by the Practice to Management pursuant to that certain Deficit Funding Loan Agreement of even date herewith ("Deficit Funding Loan Agreement") and will bear interest as set forth in the Deficit Funding Loan Agreement. The Practice will repay funded Advances in accordance with the terms of the Deficit Funding Loan Agreement.

6.4 Application of Payments. Practice hereby directs Management, and Management agrees, to make payments from the Operating Account monthly for the following purposes, in the order or priority set forth below:

(a) First, to pay all taxes of the Practice when due;

(b) Second, to pay compensation due to Practice's employees (in accordance with the Practice's budget mutually agreed upon by the parties) and to the Support Personnel;

(c) Third, to pay any refunds or other amounts owed to patients or third parties;

(d) Fourth, Management will be paid its reimbursable expenses in accordance with the terms set forth herein and any other cumulative direct costs and expenses of operating Practice's business;

(e) Fifth, Management will be paid its Management Fee in accordance with the terms set forth herein; and

(f) Finally, Management will be paid for any Advances in accordance with the terms set forth herein and in the Deficit Funding Loan Agreement.

7. CONDUCT OF MEDICAL PRACTICE; NO REFERRALS.

7.1 Practice and, as applicable, the Subsidiaries shall be solely and exclusively in control of all aspects of the practice of medicine and the provision of professional medical services to its patients, including all medical training and medical supervision of licensed personnel, and Management shall neither have nor exercise any control or discretion over the methods by which Practice and the applicable Subsidiaries shall practice medicine. Management's sole function is to provide the Management Services to Practice and the applicable Subsidiaries in a competent, efficient and reasonably satisfactory manner. The rendition of all professional medical services, including but not limited to, diagnosis, treatment and the prescription of medicine and drugs, and the supervision and preparation of medical records and reports shall be the sole responsibility of Practice and the applicable Subsidiaries. Notwithstanding anything herein to the contrary, Management will not: (a) assign or designate specific clinical providers to treat specific patients; (b) assume responsibility for the care and treatment of patients: (c) engage in any activity that constitutes the practice of medicine in any State or that would require Management or its owners to have professional licensure under applicable laws; or (d) provide the Practice or any Subsidiary with any inducement or remuneration in exchange for recommending to patients any services provided by Management.

7.2 Management is not and shall not be responsible for the referral of patients to Practice, the Subsidiaries or physicians or for otherwise developing a greater number of patient referrals to Practice, the Subsidiaries or physicians. The parties hereby acknowledge and agree that no benefits to the parties hereunder require or are in any way contingent upon the admission, recommendation, referral or any other arrangement for the provision of any item or service offered by Practice, the Subsidiaries or any of the physicians. Management shall neither have nor exercise any control or direction over the number, type, or recipient of patient referrals to Practice or the Subsidiaries, and nothing in this Agreement shall be construed as directing or influencing such referrals. Management has not guaranteed to Practice or the Subsidiaries that the arrangements contemplated hereunder will guarantee any amount of income to Practice or the Subsidiaries. None of Management's activities contemplated under this Agreement or otherwise shall constitute obligations of Management to generate patient flow or business to Practice. Further, there is absolutely no intent for Management in any manner to be compensated to generate patients for Practice or the Subsidiaries. Rather, Practice and the Subsidiaries have engaged Management to manage the business aspects of Practice and the Subsidiaries in order to enable Practice and the Subsidiaries to focus on delivering patient care.

8. PATIENT RECORDS.

All patient records and charts created in connection with the professional medical services provided by Practice and the Subsidiaries are Practice's and Subsidiaries', as applicable, sole property. Notwithstanding the foregoing, Management shall have a continuing right to inspect and copy (at Management's expense) all records pertaining to Practice's and the Subsidiaries' patients, subject to all applicable federal and state laws. The parties and their employees and agents shall maintain and safeguard the confidentiality of all records, charts and other information generated in connection with the professional services provided hereunder in accordance with all applicable federal and State laws, including, but not limited to, the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder by the United States Department of Health and Human Services ("HIPAA"). To this end, the parties agree to abide by the HIPAA Business Associate Addendum attached hereto as Exhibit E.

9. INSURANCE.

9.1 Management will purchase and maintain, on behalf of the Practice, or will assist the Practice in purchasing and maintaining all insurance policies that are reasonable and customary for enterprises engaged in the activities a medical practice providing similar services to the Practice is engaged in (including without limitation professional liability insurance for the Practice and the Clinical Professionals, comprehensive general liability insurance, extended coverage insurance and workers' compensation insurance), naming the Practice and the Clinical Professionals as named insureds and Management as an additional insured under all such policies. Management shall, on behalf of each applicable Subsidiary, obtain and procure such liability insurance as reasonably necessary for such Subsidiary's activities, all costs of which shall be paid by the applicable Subsidiary.

9.2 Management shall obtain and maintain, at its sole expense, insurance policies that are reasonable and customary for enterprises engaged in the provision of management services (including without limitation general liability, workers compensation, cyber liability, directors and officers insurance).

10. INDEMNIFICATION.

Each party shall indemnify, defend and hold harmless the other party from any and all liability, loss, claim, lawsuit, injury, cost, damage or expense whatsoever (including reasonable attorneys' fees and court costs) arising out of, incident to or in any manner occasioned by the performance or nonperformance of any duty or responsibility under this Agreement and the HIPAA Business Associate Addendum attached hereto by such indemnifying party, but only to the extent, and only in such amount, that such liability, loss, claim, lawsuit, injury, cost, damage or expense is not covered and paid by third party insurance. The foregoing indemnification provision shall in all instances be deemed to be subordinate to any third party insurance coverage that may cover all or any portion of any indemnified claim. This section shall survive the termination or expiration of this Agreement.

11. TERMINATION.

11.1 Events of Termination. In addition to the expiration of this Agreement in accordance with Section 2 above, this Agreement may be terminated upon the occurrence of any of the following events:

(a) Mutual Written Agreement. Mutual written agreement of the parties.

(b) Material Breach. In the event of a material breach of this Agreement by either party, the other party shall provide written notice upon the defaulting party (the "Default Notice") specifying the nature of the breach. In the event such breach is not cured to the reasonable satisfaction of the non-defaulting party within thirty (30) days after service of the Default Notice, this Agreement shall automatically terminate at the election of the non-defaulting party upon the giving of a written notice of termination to the defaulting party not later than sixty (60) days after service of the Default Notice.

(c) Insolvency. If either party shall apply for or consent to the appointment of a receiver, trustee or liquidator of itself or of all or a substantial part of its assets, file a voluntary petition in bankruptcy, or admit in writing its inability to pay its debts as they become due, make a general assignment for the benefit of creditors, file a petition or an answer seeking reorganization or arrangement with creditors or take advantage of any insolvency law, or if an order, judgment or decree shall be entered by a court of competent jurisdiction or an application of a creditor, adjudicating such party to be bankrupt or insolvent, or approving a petition seeking reorganization of such party or appointing a receiver, trustee or liquidator of such party or of all or a substantial part of its assets, and such order, judgment or decree shall continue unstayed and in effect for a period of thirty (30) consecutive days, then the other party may terminate this Agreement upon ten (10) days prior written notice to such party.

(d) Immediate Termination. Notwithstanding any other provision hereof, this Agreement may be terminated by Management for cause, upon one (1) days' prior written notice to Practice, upon the occurrence of any of the following events:

(i) In the event of the termination or suspension of the license to practice medicine in the applicable State of any physician employee of Practice who is not immediately removed by Practice from providing patient care services at a Medical Offices;

(ii) In the event of the conviction of any physician employee of Practice of any crime punishable as a felony under State law or of any other crime involving moral turpitude or immoral conduct, and such physician employee is not immediately removed by Practice from providing patient care services at the Medical Offices;

(iii) In the event that any act or omission on the part of Practice (or its physician employees) results in the cancellation of Practice's malpractice insurance, and Practice does not obtain (or Management is unable to obtain on behalf of Practice) new or substitute malpractice insurance consistent with Section 9 above effective as of the cancellation date of such prior malpractice insurance;

(iv) In the event of any withdrawal by Practice or a Subsidiary from the Operating Accounts, the Non-Government Lockbox Accounts or the Government Lockbox Accounts, or any change by Practice in the written instructions relating to such accounts, in contravention of Section 5.7 of this Agreement;

(v) In the event of termination of the Deficit Funding Loan Agreement; or

(vi) In the event of the attempted assignment or other unauthorized delegation of any of Practice's rights or obligations under this Agreement.

(e) Termination For Health Care Regulations. In the event that legal counsel for either party determines that more likely than not this Agreement is in violation of any federal statute, rule or regulation, or any State statute, rule or regulation, including, but not limited to, any medical and state health care programs, fraud and abuse or state laws governing referral fees and fee-splitting, then the parties agree to negotiate, in good faith, amendments to this Agreement to conform to such statute, rule or regulation. If the parties are unable to negotiate such amendment in good faith within sixty (60) days, then, in such event, this Agreement may be immediately terminated by either party upon written notice to the other party.

11.2 Effect of Termination. Promptly (but in any event within ten (10) calendar days) after the termination or expiration of this Agreement, the Practice will pay to Management all Management Fees earned or accrued under this Agreement through the termination date, and reimburse all reimbursable expenses incurred before the termination date. Repayment of any Advances will made as set forth in the Deficit Funding Loan Agreement. Termination of this Agreement shall not release or discharge either party from any obligation, debt or liability which shall have previously accrued and remain to be performed upon the date of termination. All obligations and rights expressly extended beyond the Term, including but not limited to Sections 5.7(h), 8, 10, 11.2, 13-28, will survive the expiration or termination of this Agreement.

12. ASSIGNMENT.

Nothing contained in this Agreement shall be construed to permit assignment by Practice of any rights or duties under this Agreement, and such assignment is expressly prohibited without prior written consent of Management. Any attempted assignment by either party shall be null and void and of no force or effect. Management may freely assign this Agreement or any rights under this Agreement, or delegate any duties under this Agreement without the Practice's consent: (i) to a parent, subsidiary, or affiliate of Management, (ii) as a collateral assignment to one or more lenders or agents for any lenders, or (iii) to any Person: (A) into which Management merges or consolidates, (B) acquiring all or substantially all of Management's assets, or (C) acquiring control of Management by equity or membership interest purchase.

13. CONFIDENTIALITY

Neither party shall disclose this Agreement or the terms thereof to a third party, except as otherwise required by law, without the prior written consent of the other party, other than to such party's legal and financial advisors.

14. RESTRICTIVE COVENANTS.

14.1 Proprietary Information. Practice recognizes that due to the nature of this Agreement, Practice (and its physician employees) will have access to information of a proprietary nature owned by Management, including, but not limited to, any and all documents bearing a Management form number or other identifying mark of Management, any and all computer programs (whether or not completed or in use), any and all operating manuals or similar materials that constitute the non-medical systems, policies and procedures, methods of doing business developed by Management, administrative, financial affairs and other information utilized by Management. Consequently, Practice acknowledges and agrees that Management has a proprietary interest in all such information and that all such information constitutes confidential and proprietary information and the trade secret property of Management. Practice hereby expressly and knowingly waives any and all rights, title and interest in and to such trade secrets and confidential information and agree to return all copies of such trade secrets and confidential information related thereto to Management at Practice's expense, upon the expiration or earlier termination of this Agreement.

14.2 Nondisclosure. Each party further acknowledges and agrees that each party is entitled to prevent each party's competitors from obtaining and utilizing its trade secrets and confidential information. Therefore, each party agrees to hold the other party's trade secrets and confidential information in the strictest confidence and to not disclose them or allow them to be disclosed, directly or indirectly, to any person or entity other than those persons or entities who are employed by or affiliated with either party, without the prior written consent of the other party. During the term of this Agreement, neither party shall disclose to anyone, other than persons or entities who are employed by or affiliated with either party, any confidential or proprietary information or trade secret information obtained by a party from the other party, except as otherwise required by law. After the expiration or earlier termination of this Agreement, neither party (and each of their contractors and employees) shall not disclose to anyone any confidential or proprietary information or trade secret information obtained from the other party, except as otherwise required by law or upon the prior written consent of the other party.

14.3 Noncompete. During the Restricted Period (as defined below), the Practice will not, directly or indirectly, own, manage, operate, join, control, finance or participate in, or participate in the ownership, management, operation, control or financing of, or be connected as an owner, investor, partner, joint venturer, director, limited liability company manager, employee, independent contractor, consultant or other agent of, any person or enterprise that provides any professional practice management services similar to the Management Services anywhere in or with respect to the geographic area within 20 miles of any Medical Office or with respect to which the Practice has taken concrete steps to expand. Nothing in this Section prohibits the Practice or the Clinical Professionals from providing professional clinical services. "Restricted Period" shall mean the shorter of (i) the period from the date of this Agreement until the second anniversary of the termination of this Agreement or (ii) the longest time period after the date of this Agreement that is permitted by applicable Law if two years after the termination of this Agreement is not permitted. Notwithstanding anything to the contrary herein, this Section is intended to apply to the Practice only and is not intended to supersede, amend or modify the terms of any non- compete restrictions set forth in any agreement between any equityholder of the Practice and Management or an affiliate of Management.

14.4 Covenant Not to Solicit. Until the second anniversary of the expiration or termination of this Agreement, Practice will not, directly or indirectly:

(a) solicit or induce or attempt to solicit or induce (including by recruiting, interviewing or identifying or targeting as a candidate for recruitment) any member of the board of directors or equivalent governing body, officer or personnel (whether engaged as an employee or independent contractor) of Management (excluding such Practice) who is acting in such capacity or acted in such capacity at any time within the 12-month period immediately precedingthe date of such solicitation, inducement or attempt (a "Business Associate") to terminate, restrictor hinder such Business Associate's association with any Management entity or affiliate or interfere in any way with the relationship between such Business Associate and any Managemententity or affiliate; *provided, however, that* after the termination or expiration of this Agreement, general solicitations published in a journal, newspaper or other publication or posted on an internetjob site and not specifically directed toward Business Associates will not constitute a breach of thecovenants in this Section,

(b) hire or otherwise retain the services of any Business Associate as equityholder, director, limited liability company manager, partner, officer, employee, independent contractor, licensee, consultant, advisor, agent or in any other capacity, or attempt or assist anyone else to do so, or

(c) interfere with the relationship between any Management entity or affiliate and any person who is a partner, joint venturer, investor, lender, consultant, agent or other person having a business relationship with the Management entity or affiliate, or attempt or assist anyone else to do so.

Notwithstanding anything to the contrary herein, this Section is intended to apply to the Practice only and is not intended to supersede, amend or modify the terms of any non-solicitation restrictions set forth in any agreement between any equityholder of the Practice and Management or an affiliate of Management.

14.5 Non-Disparagement. After the date of this Agreement, neither party will directly or indirectly, make any disparaging, derogatory, negative or knowingly false statement about the other party, affiliate, subsidiary or any of their respective directors, managers, officers, equityholders, employees, agents, successors and permitted assigns, or any of their respective businesses, operations, financial condition or prospects, except as required by applicable law.

14.6 Equitable Relief. Each party acknowledges and agrees that (i) the restrictive covenants contained in this Section and the territorial, time, activity and other limitations set forth herein are commercially reasonable and do not impose a greater restraint than is necessary to protect the goodwill and legitimate business interests of the other party, its affiliates, subsidiaries and its businesses. Each party acknowledges and agrees that a breach of this Section 14 will result in irreparable harm to the other party and the other party cannot be reasonably or adequately compensated in damages, and therefore, the other party shall be entitled to equitable remedies, including, but not limited to, injunctive relief, to prevent a breach and to secure enforcement thereof in addition to any other relief or award to which such party may be entitled.

15. FORCE MAJEURE.

Notwithstanding any provision contained herein to the contrary, neither party shall be deemed to be in default hereunder for failing to perform or provide the services or obligations pursuant to this Agreement if such failure is the result of any labor dispute, act of God, inability to obtain labor or materials, governmental restrictions or any other event which is beyond the reasonable control of such party; provided, however, that if such event continues for a period in excess of thirty (30) days, either party shall have the right to terminate this Agreement by providing the other party with a written notice of its desire to terminate this Agreement at least thirty (30) days prior to the effective date of any such termination.

16. DISPUTE RESOLUTION.

In the event that any material controversy or dispute arises between the parties hereto with respect to the enforcement or interpretation of this Agreement, or of any specific terms and provisions set forth herein, the parties shall use their best efforts and due diligence to reach an agreement for the resolution of such controversy or dispute. In the event that the parties are unable to resolve any such controversy or dispute within thirty (30) days, such controversy or dispute shall be submitted to a disinterested third party mediator chosen by the parties for nonbinding mediation prior to either party's instituting any formal legal action at law. However, the foregoingprovisions of this Section 16 shall not be interpreted to restrict either party's right to pursue equitable relief from a court of competent jurisdiction at any time or to terminate this Agreement in accordance with Section 11 above.

17. GOVERNING LAW.

This Agreement shall be governed by and interpreted under the laws of the State of California, except for clinical matters relating to the corporate practice of law and other restrictions, which shall be governed by the law of the applicable State. Any legal action, suit or proceeding brought by a party that in any way arises out of this Agreement ("Proceeding") must be litigated exclusively in the state or federal courts of California (the "Identified Courts"). Each party hereby irrevocably and unconditionally: (i) submits to the jurisdiction of the Identified Courts for any Proceeding; (ii) shall not commence any Proceeding, except in the Identified Courts; (iii) waives, and shall not plead or make, any objection to the venue of any Proceeding in the Identified Courts; (iv) waives, and shall not plead or make, any claim that any Proceeding brought in the Identified Courts has been brought in an improper or otherwise inconvenient forum; and (v) waives, and shall not plead or make, any claim that the Identified Courts lack personal jurisdiction over it.

This Agreement and the exhibits attached hereto constitute the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior documents, representations and understandings of the parties which may relate to the subject matter of this Agreement. No other understanding, oral or otherwise, regarding the subject matter of this Agreement shall bind either party. This Agreement will inure to the benefit of and bind the parties and their respective successors and permitted assigns. Nothing in this Agreement, express or implied, may be construed to give any Person other than the parties and their respective successors and permitted assigns any right, remedy, claim, obligation or liability arising from or related to this Agreement. This Agreement and all of its provisions and conditions are for the sole and exclusive benefit of the parties and their respective successors and permitted assigns.

19. AMENDMENT.

2019 NON-QUALIFIED STOCK OPTION PLAN

TABLE OF CONTENTS
(continued)

2019 NON-QUALIFIED STOCK OPTION PLAN

TOI Parent, Inc. hereby adopts in its entirety the TOI Parent, Inc. 2019 Non-Qualified Stock Option Plan (the "**Plan**"), as of January 2, 2019 ("**Plan Adoption Date**"). Capitalized terms used but otherwise not defined elsewhere in the Plan are defined in Section 17.

1. PURPOSE

The purpose of the Plan is to provide an incentive to directors, consultants, advisors and key employees of TOI Parent, Inc., a Delaware corporation (the "**Company**"), and its Subsidiaries to continue their association with the Company and its Subsidiaries by providing opportunities for such persons to participate in the ownership of the Company and in its further growth, and to offer an additional inducement in obtaining the services of such persons. The Plan provides for the grant of options (the "**Options**") to acquire Stock that are not intended to qualify as "incentive stock options" under the Internal Revenue Code of 1986, as amended (the "**Code**"). Capitalized terms not defined elsewhere in the document are defined in Section 17.

2. ADMINISTRATION OF THE PLAN

(a) The Plan shall be administered by a committee (the "**Committee**") consisting of the Board or such individual directors who shall from time to time be designated by the Board. Each member of the Committee shall, at any time that the Company has a class of equity securities registered under Section 12 of the Exchange Act, be a "disinterested person" within the meaning of Rule 16b-3 under the Exchange Act and an "outside director" within the meaning of Section 162(m) of the Code.

(b) The Committee shall, from time to time, report to the Board the names of employees or other persons to whom Options are granted, the number of shares covered by each Option and the terms and conditions of each such Option.

(c) The Committee shall have the authority, in its sole and absolute discretion, to adopt, amend and rescind such rules and regulations as, in its opinion, may be advisable in the administration of the Plan, and to construe and interpret the Plan, the rules and regulations, and the instruments evidencing Options granted under the Plan and to make all other determinations deemed necessary or advisable for the administration of the Plan. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Option in the manner and to the extent it deems necessary to carry out the intent of the Plan including, but not limited to, the right to determine: the persons who shall be granted Options; the times when an Option shall be granted; whether or not modifications are necessary in order for the Options to comply with requirements of Code Section 409A; the number of shares of Stock to be subject to each Option; the term of each Option; the date each Option shall vest and become exercisable; whether an Option shall be exercisable in whole, in part or in installments and, if in installments, the number of shares of Stock to be subject to each installment, whether the installments shall be cumulative, the date each installment shall become exercisable and the term of each installment; whether to accelerate the date of exercise of any Option or installment; whether shares of Stock may be issued upon the exercise of an Option as partly paid and, if so, the dates when future installments of the exercise price shall become due and the amounts of such installments; the exercise price of each Option; the form of payment of the exercise price; whether to restrict the sale or other disposition of the shares of Stock acquired upon the exercise of an Option and, if so, whether and under what conditions to waive any such restriction; whether and under what conditions to subject all or a portion of the grant or exercise of an Option to the fulfillment of certain restrictions or contingencies as specified in the Option Agreement, including without limitation, restrictions or contingencies relating to entering into a covenant not to compete with the Company or its Subsidiaries and affiliates, to financial objectives for the Company or its Subsidiaries and affiliates or a division of any of the foregoing, a product line or other category, and/or to the period of continued employment of the Optionee with the Company or its Subsidiaries and affiliates, and to determine, in each case, whether such limitations, restrictions or contingencies have been met; whether an Optionee is disabled; the amount, if any, necessary to satisfy the obligation of the Company to withhold taxes or other amounts; the fair market value of a share of Stock; and to construe the Option Agreements and the Plan. Any controversy or claim arising out of or relating to the Plan, any Option granted under the Plan or any Option Agreement shall be determined unilaterally by the Committee in its sole and absolute discretion. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Option in the manner and to the extent it deems necessary to carry out the intent of the Plan. All decisions, determinations and interpretations of the Committee shall be final, binding and conclusive on all Optionees. No member or former member of the Committee shall be liable for any action, failure to act or determination made in good faith with respect to the Plan, any Option Agreement or any Option hereunder.

(d) The Plan is intended to grant non-qualified options that are *not* deferred compensation within the meaning of Section 409A of the Code, and it shall be interpreted and administered consistent with this intent. In the event that, after the issuance of an Option under the Plan, Section 409A of the Code or regulations thereunder are issued or amended, or the Internal Revenue Service or Treasury Department issues additional guidance interpreting Section 409A of the Code or if for any other reason it is determined by the Committee that a previously granted Option may not be exempt from or comply with Section 409A of the Code or regulations thereunder, the Committee may modify the terms of any such previously issued Option to the extent the Committee determines that such modification is necessary to exempt the option from or cause the Option to comply with the requirements of Section 409A of the Code.

3. OPTION SHARES

Options may be granted under the Plan to acquire shares of Stock. The total number of shares of Stock for which Options may be granted under the Plan (the "**Option Pool**") shall not exceed, in the aggregate, One Thousand, Three Hundred and Sixty-Four (1,364); provided, however, such aggregate number of shares shall be subject to adjustment in accordance with the provisions of Section 16. In the event that any outstanding Option shall expire for any reason or shall terminate or cease to be exercisable by reason of the death or termination of employment of the Optionee, the surrender of such Option, or any other cause, the shares of Stock allocable to the unexercised portion of such Option shall be returned to the Option Pool and shall again become available for the granting of Options under the Plan.

4. AUTHORITY TO GRANT OPTIONS

The Committee may from time to time in its sole discretion grant to such eligible directors, employees or other persons as it shall determine an Option or Options to buy a stated number of shares of Stock under the terms and conditions of the Plan. Subject only to any applicable limitations set forth elsewhere in the Plan, the number of shares of Stock to be covered by any Option shall be as determined by the Committee.

5. OPTION AGREEMENTS

Each Option granted hereunder shall be for such number of shares of Stock, and otherwise subject to such terms and conditions, as the Committee shall determine and specify in a written option agreement (an "**Option Agreement**"), which may be in the form of the Option Agreement attached hereto as Exhibit A or such other form not inconsistent with the Plan as the Committee may determine. Each Option Agreement shall be signed by the Optionee and by a duly authorized officer of the Company.

6. ELIGIBILITY

Employees and directors of the Company and its Subsidiaries and other individuals, whether or not employees, who render services to the Company or a Subsidiary, and who have contributed or may be expected to contribute materially to the success of the Company or a Subsidiary shall be eligible to be granted Options under the Plan.

7. EXERCISE PRICE

The exercise price of each Option shall be determined by the Committee, in its sole discretion, and shall be set forth in the applicable Option Agreement but in no event shall the exercise price be less than the fair market value of a share of Stock on the date of grant.

8. DURATION AND EXERCISABILITY OF OPTIONS

Subject to Section 12 of the Plan, the duration of any Option shall be established by the Committee and shall be set forth in the Option Agreement, but no Option shall be exercisable after the expiration of ten (10) years from the date such Option is granted. Options will vest and be exercisable at such time or times and subject to such terms and conditions as determined by the Committee.

9. RESTRICTIONS ON EXERCISE OF OPTIONS

If an Optionee has materially breached his or her covenants regarding non-competition, non-solicitation, non-disparagement or confidentiality in his or her employment agreement, Option Agreement or any other agreement between the Optionee and the Company or any of its Subsidiaries, then such Optionee cannot exercise such Optionee's Option until and unless the Committee notifies such Optionee in writing that such material breach has been cured (if curable) to its satisfaction. In determining if such material breach has actually occurred and if the restriction on exercise should be removed, the Committee shall consider the facts presented on behalf of the Company and such Optionee. The decision of the Committee as to such material breach and the extent of any restriction on exercise shall be final, binding, and conclusive.

10. EXERCISE OF OPTIONS

(a) Vested Options may be exercised by the delivery of (i) written notice to the Company setting forth the number of shares of Stock with respect to which the Option is to be exercised, (ii) payment of the exercise price of such shares and any federal, state, or local taxes required to be withheld with respect to such shares (collectively, the "**Exercise Payment**"), and (iii) a joinder agreement in form and substance satisfactory to the Company, pursuant to which the Optionee agrees to be bound by the Stockholders Agreement and, if applicable, a spousal consent by which the Optionee's spouse consents and agrees to the terms of the Stockholders Agreement. The Exercise Payment shall be paid to Company by Optionee in cash, or by certified check payable to the order of the Company, in United States dollars, or in such other form as may be approved by the Committee in its sole discretion. The exercise notice shall be delivered in person to the Secretary of the Company or shall be sent by registered mail return receipt requested, to the Secretary of the Company, in which case delivery shall be deemed made on the date such notice is received.

(b) As promptly as practicable after the receipt by the Company of (i) written notice from the Optionee setting forth the number of shares of Stock with respect to which such Option is to be exercised, (ii) payment of the Exercise Payment for such shares, and (iii) execution and delivery of any joinder agreement necessary for the Optionee and, if applicable his or her spouse, to become a party to, or to consent to, as applicable, the Stockholders Agreement, the Company shall cause to be delivered to such Optionee certificates representing the number of paid-up, non-assessable shares with respect to which such Option has been so exercised.

(c) Notwithstanding the foregoing, if an Optionee submits a notice of exercise pending the Company's determination regarding whether the Company has Cause to terminate Optionee, then the Company may suspend such exercise until the date of the Company's determination. If the Company terminates the Optionee for Cause, then the notice of exercise will be rescinded and the Exercise Payment returned to the Optionee. If the Company does not terminate the Optionee for Cause, then the notice of exercise will be promptly processed.

11. NON-TRANSFERABILITY OF OPTIONS

Options shall not be transferable by the Optionee other than by will or the laws of descent and distribution and Options may be exercised, during the lifetime of the Optionee, only by the Optionee or, in the event of the Optionee's legal incapacity, by his or her legal representatives. Except to the extent provided above, Options may not be assigned, transferred, pledged, hypothecated or disposed of in any way (whether by operation of law or otherwise) and shall not be subject to execution, attachment or similar process, and any attempted assignment, transfer, pledge, hypothecation or disposition shall be null and void and of no force or effect.

12. TERMINATION OF EMPLOYMENT OR INVOLVEMENT OF THE OPTIONEE WITH THE COMPANY

For purposes of the Plan, a Person serving as an independent contractor or Board member of the Company or any Subsidiary of the Company shall be considered "employed" by the Company and termination of such relationship shall be considered termination of such person's employment. Unless otherwise specifically provided in an Option Agreement, no portion of an Option will vest after the Optionee's employment with the Company and its Subsidiaries is terminated for any reason.

Except as may be otherwise set forth in an Option Agreement:

(a) Each Option shall expire on the earlier of (i) the expiration date specified in the Option Agreement and (ii) ten (10) years from the date such Option is granted, but shall be subject to earlier termination as provided below in this Section 12 or in the Option Agreement.

(b) If an Optionee's employment with the Company and its Subsidiaries is terminated by reason of death or permanent disability (as defined in Section 22(e)(3) of the Code, as amended ("**Permanent Disability**"), then Optionee's Option shall expire on the date of such termination of employment with respect to the unvested portion thereof and, with respect to the vested portion of the Option on the date which is ninety (90) days from the date of such termination of employment.

(c) If an Optionee's employment with the Company and its Subsidiaries is terminated by reason of (i) retirement after reaching age 65, (ii) resignation by Optionee for any reason or (iii) by the Company and its Subsidiaries without Cause, then Optionee's Option shall expire on the date of such termination of employment with respect to the unvested portion thereof and, with respect to the vested portion of the Option on the date which is thirty (30) days from the date of such termination of employment.

(d) If an Optionee's employment with the Company and its Subsidiaries is terminated by the Company for Cause, then the Optionee's Option shall be deemed to have expired on the day immediately prior to the date of such termination of employment with respect to the vested and the unvested portion of the Option.

13. REQUIREMENTS OF LAW

The Company shall not be required to sell or issue any shares of Stock upon the exercise of any Option if the issuance of such shares shall constitute or result in a violation by the Optionee or the Company of any provisions of any law, statute or regulation of any government authority. Specifically, in connection with the Securities Act and any applicable state securities or "blue sky" law (a "**Blue Sky Law**"), upon exercise of any Option the Company shall not be required to issue such shares unless the Committee has received evidence satisfactory to it to the effect that such issuance is exempt from the registration requirements of the Securities Act and the Blue Sky Laws and the holder of such Option will not transfer such shares except pursuant to a registration statement in effect under the Securities Act and Blue Sky Laws or unless an opinion of counsel satisfactory to the Company has been received by the Company to the effect that such registration and compliance is not required. Any such determination by the Committee shall be final, binding and conclusive. The Company shall not be obligated to take any action in order to cause the exercise of an Option or the issuance of shares of Stock pursuant thereto to comply with any law or regulations of any governmental authority, including, without limitation, the Securities Act or applicable Blue Sky Law.

Notwithstanding any other provision of the Plan to the contrary, the Company may refuse to permit any transfer of shares of Stock or of any Option if in the opinion of its legal counsel such transfer would violate any federal or state securities laws or subject the Company to liability thereunder. Any sale, assignment, transfer, pledge or other disposition of shares of Stock received upon exercise of any Option (or any other shares or securities derived therefrom) or of any Option which is not in accordance with the provisions of this Section 13 shall be void and of no effect and shall not be recognized by the Company.

The Committee may cause any certificate representing shares of Stock acquired upon exercise of an Option (and any other shares or securities derived therefrom) to bear a legend to the effect that the securities represented by such certificate have not been registered under the Securities Act, as amended, or any applicable state securities laws, and may not be sold, assigned, transferred, pledged or otherwise disposed of except in accordance with the Plan and applicable agreements binding the holder and the Company or any of its stockholders.

14. NO RIGHTS AS STOCKHOLDER

No Optionee shall have any rights as a stockholder with respect to shares covered by his or her Option until the date of issuance of a stock certificate for such shares. Except as otherwise provided in Section 16, no adjustment for dividends or otherwise shall be made if the record date therefor is prior to the date of issuance of such certificate to the Optionee.

15. NO EMPLOYMENT OBLIGATION

The granting of an Option shall not impose upon the Company or any Subsidiary any obligation to employ or continue to employ any Optionee, or to engage or retain the services of any person, and the right of the Company or any Subsidiary to terminate the employment or services of any person or reduce the rate of compensation for such person shall not be diminished or affected by reason of the fact that an Option has been granted to him or her. The existence of an Option shall not be taken into account in determining any damages relating to termination of employment or services for any reason.

16. CHANGES IN THE COMPANY'S CAPITAL STRUCTURE

(a) The existence of outstanding Options shall not affect in any way the right or power of the Company or its stockholders to make or authorize any or all subdivisions, splits, combinations or consolidations of shares of capital stock of the Company (including, the Stock) or the payment of a dividend in cash, shares of Stock or other securities of the Company, adjustments, recapitalizations, reclassifications, reorganizations or other changes in the Company's capital structure or its business or any merger or consolidation of the Company or any issuance of bonds, debentures, preferred or preference stock, whether or not convertible into or exchangeable or exercisable for shares of Stock or other securities, ranking prior to or pari passu with the Stock or affecting the rights thereof, or warrants, rights or options to acquire the same, or the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business of the Company or any other corporate act or proceeding, whether of a similar character or otherwise.

(b) Subject to the provisions of Section 16(d) of the Plan, the number of shares of Stock in the Option Pool (less the number of shares theretofore delivered upon exercise of Options) and the number of shares of Stock covered by any outstanding Option and the price per share payable upon exercise thereof (provided that in no event shall the option price be less than the par value of such shares) shall be appropriately adjusted by the Board in the event that all of the outstanding shares of Stock are changed into or exchanged for a different number or kind of shares or other securities of the Company or of another corporation by reason of any reorganization, merger, consolidation, recapitalization, reclassification, stock split, combination of shares of Stock, or dividends payable in Stock. The decision of the Board as to the adjustment, if any, required by the provisions of this Section 16 shall be final, binding and conclusive and may provide for the elimination of fractional shares of Stock which might otherwise be subject to Options without payment therefor.

(c) If the Company merges or consolidates with a wholly-owned Subsidiary for the purpose of reincorporating itself under the laws of another jurisdiction, the Optionees will be entitled to acquire shares of the stock of the reincorporated company upon the same terms and conditions as were in effect immediately prior to such reincorporation (unless such reincorporation involves a change in the number of shares or the capitalization of the Company, in which case proportional adjustments shall be made as provided in Section 16(b)), and the Plan, unless otherwise rescinded by the Board, will remain the Plan of the reincorporated Company.

(d) Unless otherwise determined by the Board in its sole discretion and except as otherwise provided in Section 16(c) of the Plan, if while unexercised Options remain outstanding under the Plan (i) there takes place a Sale of the Company (as defined in the Stockholders Agreement), or (ii) in other circumstances in which the Board in its sole and absolute discretion deems it appropriate for the provisions of this paragraph to apply, then the Board may, at its option and in its sole and absolute discretion and without the consent of any Optionee, take any one or more of the following actions with respect to outstanding Options: (a) accelerate the vesting of any outstanding Options, (b) cancel any Options in exchange for options to purchase common stock or other equity of any successor company, (c) cancel any Options in exchange for cash and/or substitute consideration with a value equal to the value of the consideration the Optionee would have received in connection with such event had the Option been exercised (to the extent it has vested and not been exercised) and no disposition of the shares so acquired upon such exercise had been made prior to such event, less the Exercise Price payable upon exercise thereof, (d) provide notice to an Optionee that upon such Sale of the Company or other event all Options granted to such Optionee and not theretofore exercised shall terminate and be void, in which event the Optionee shall have the right to exercise all Options then currently exercisable in accordance with the terms of the applicable Option Agreement within five (5) days after the date of such notice, and/or (e) any such other or further action as may be determined to be appropriate by the Board, in its sole discretion. Upon receipt of any consideration referred to above by the Optionee, the Option shall immediately terminate and be of no further force and effect, including with respect to the vested and unvested portion thereof.

The value of the stock or other consideration the Optionee would have received if the Option had been exercised shall be determined in good faith by the Board. In addition, in the case of any such merger, consolidation, liquidation, sale, disposition, Sale of the Company or other circumstance, the Board may, in its sole discretion, accelerate the vesting of any Option.

(e) Upon dissolution or liquidation of the Company, the Option shall terminate, but the Optionee (if at such time in the employment of the Company or any Subsidiary) shall have the right, immediately prior to such dissolution or liquidation, to purchase shares of Stock pursuant to the Option to the extent such Option is then vested.

(f) No fraction of a share of Stock shall be purchasable or deliverable upon the exercise of an Option, but in the event any adjustment hereunder of the number of shares covered by the Option shall cause such number to include a fraction of a share, such fraction shall be adjusted to the nearest smaller whole number of shares.

(g) Except as expressly provided herein, the issue by the Company of shares of Stock, or other securities of any class or series, or securities convertible into or exchangeable or exercisable for shares of Stock or other securities of any class or series, for cash or property or for labor or services either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Company convertible into such shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number, class or price of shares of Stock then subject to outstanding Options.

The Committee may, in its sole and absolute discretion, amend any Option, or waive any restrictions or conditions applicable to any Option or the exercise of the Option; provided that the Committee may not decrease the exercise price for any outstanding Option after the date of grant except as permitted by Section 409A. Notwithstanding any other provision of this Section 18, no amendment shall adversely affect an outstanding Option, and no termination shall terminate outstanding Options, without the consent of the holder of such Options.

19. CERTAIN RIGHTS OF THE COMPANY

The Committee may, in its sole and absolute discretion, also require a key employee or other person, as a condition to receiving any Option, to enter into a noncompetition, nonsolicitation and/or confidentiality agreement or other agreement in such form as the Committee may, from time to time in its sole and absolute discretion, determine.

Subject to the terms and conditions set forth herein and the terms and conditions of the TOI Parent, Inc. 2019 Non-Qualified Stock Option Plan (the "**Plan**") (with capitalized terms used but not defined herein having the meanings given to them in the Plan or in the Stockholders Agreement, as applicable), TOI Parent, Inc., a Delaware corporation (the "**Company**" which term shall include, unless the context otherwise clearly requires, all Subsidiaries (as defined in the Plan) of the Company), hereby grants the following option to purchase shares of the Company's common stock, par value $0.001 per share (the "**Stock**") to the Optionee, and the Optionee hereby accepts such grant and agrees to be bound by the terms and conditions hereinafter set forth:

1. Name of Person to Whom the Option is Granted (the "**Optionee**"):_____.

2. Date of Grant of Option: [•], 2019 (the "**Grant Date**").

3. An Option to acquire _____ (____) shares of Stock (the "**Option Shares**").

4. Option Exercise Price (per share of Stock): $_____(the "**Exercise Price**").

5. Term of Option: Subject to earlier termination under Section 9 below, this Option expires at 5:00 p.m. eastern time on [•], [___][1].

6. Grant. The Company hereby grants to the Optionee a stock option (this "**Option**") to purchase from the Company the number of shares of Stock set forth in Section 3 on the first page of this Option, upon the terms and conditions set forth in the Plan and upon the additional terms and conditions contained herein. This Option is a non-qualified stock option and is not intended to qualify as an "incentive stock option" pursuant to Section 422 of the Internal Revenue Code of 1986, as amended (the "**Code**").

7. Option Price. To the extent vested, this Option may be exercised at the exercise price per share of Stock set forth in Section 4 on the first page hereof, subject to adjustment as provided herein and in the Plan.

[1] 10 years after Grant Date.

8. Vesting of the Option. Subject to the terms and conditions of this Agreement, the vesting of the Optionee's right to exercise this Option for all of the Option Shares pursuant to this Option shall be subject to either a Time Vesting Requirement or a Performance Vesting Requirement, each as set forth below.

(a) Time Vesting Requirement. [__] shares[2] of the Option Shares (the "**Time Vesting Options**") shall vest and be exercisable as follows: (i) twenty-five percent (25%) of the Time Vesting Options shall vest on the first (1st) anniversary of the Grant Date and (ii) the remaining seventy-five percent (75%) of the Time Vesting Options shall vest in equal monthly installments with the initial monthly vesting period ending at the end of the first month after the first anniversary of the Grant Date and the last monthly vesting period ending on the fourth (4th) anniversary of the Grant Date, in the case of each of clause (i) and clause (ii) so long as the Optionee has remained continuously employed by the Company or one of its Subsidiaries from the date hereof through the date of such vesting anniversary. Notwithstanding the foregoing, if Optionee has remained continuously employed by the Company or one of its Subsidiaries from the date hereof through the Sale of the Company, any portion of the Time Vesting Options subject to the vesting requirements of this Section 8(a) which has not vested shall immediately vest and be exercisable immediately prior to the Sale of the Company.

(b) Performance Vesting Requirement. [ ] shares[3] of the Option Shares (the "**Performance Vesting Options**") shall vest and be exercisable upon a Sale of the Company only if the Optionee is, and has been, continuously employed by the Company or its Subsidiaries from the Grant Date through the date of such Sale of the Company (the "**Performance Option Employment Condition**"). If the Performance Option Employment Condition is satisfied and in connection with a Sale of the Company the Investors have received Net Proceeds on their Aggregate Equity Investment representing a multiple of at least four times (4.0x) the Aggregate Equity Investment, one hundred percent (100%) of the Performance Vesting Options shall vest and become exercisable upon the date of the Sale of the Company. Without limiting the foregoing, if the Performance Option Employment Condition is satisfied and in connection with a Sale of the Company the Investors have received Net Proceeds on their Aggregate Equity Investment representing a multiple between [two times] ([2.]0x) and [four] times ([4.]0x) their Aggregate Equity Investment, then the following vesting schedule shall apply:

Multiple on Aggregate Equity Investment	Percentage of Performance Vesting Options that shall vest upon a Sale of the Company
[2.0]x	[__]%
[2.5]x	[__]%
[3.0]x	[__]%
[4.0]x	[__]%

[2] Note to Draft: Breakdown between time and performance vesting options will vary on a case-by-case basis.

[3] Note to Draft: Breakdown between time and performance vesting options will vary on a case-by-case basis.

For the avoidance of doubt, no Performance Vesting Options shall vest if in connection with a Sale of the Company if the Investors have received Net Proceeds on their Aggregate Equity Investment representing a multiple of less than [two times (2.0x)] the Aggregate Equity Investment. and all of such Performance Vesting Options shall be automatically forfeited to the Company without any consideration whatsoever for the forfeited Performance Vesting Options.

(c) Notwithstanding anything to the contrary contained herein, vesting of this Option shall cease immediately after a Sale of the Company, and any portion of this Option that has not vested on or prior to the date of a Sale of the Company shall be automatically forfeited immediately after a Sale of the Company.

9. Termination of Employment. Notwithstanding anything to the contrary contained in this Option, if an Optionee is terminated by the Company at any time prior to a Sale of the Company, no Option Shares shall continue to vest.

10. Term and Exercisability of Option.

(a) This Option shall expire on the earlier of (a) the date determined pursuant to Section 5 on the first page of this Option and (b) immediately after a Sale of the Company, and shall be exercisable in accordance with and subject to the terms and conditions set forth in the Plan (including but not limited to Section 12 of the Plan) and those terms and conditions, if any, set forth in Section 8 of this Option. If the Optionee dies before this Option has been exercised in full, the personal representative of the Optionee may exercise this Option in accordance with the Plan.

(b) Notwithstanding anything contained in the Plan or this Option Agreement to the contrary, to the extent that any of the payments and benefits provided for under the Plan, this Option Agreement or any other agreement or arrangement (including payments contingent upon the occurrence of a Sale of the Company) between the Company or any of its Subsidiaries and the Optionee (collectively, the "**Payments**") would constitute a "parachute payment" within the meaning of Section 280G of the Code, then the Company and its Subsidiaries shall each use commercially reasonable efforts to obtain the stockholder consent required to approve of such Payment to preclude such Payment from being subject to the excise tax imposed pursuant to Section 4999 of the Code (the "**Excise Tax**"); provided, however, that in such event the Optionee shall reasonably cooperate with the Company and shall take all actions and execute such documents and instruments as shall be reasonably necessary to accomplish such preclusion of the Excise Tax. In the event that (i) the stockholder consent is not obtained or (ii) the Optionee does not take the actions set forth in the proviso to the foregoing sentence, the amount of the Payments shall be reduced to the amount that would result in no portion of the Payments being subject to the Excise Tax.

11. Method of Exercise. To the extent that the right to purchase shares of Stock has vested hereunder, this Option may be exercised from time to time by written notice to the Company substantially in the form attached hereto as Exhibit A, stating the number of shares of Stock with respect to which this Option is being exercised, and accompanied by (a) payment in full of the Exercise Payment for the number of shares of Stock to be delivered, by means of payment acceptable to the Company in accordance with Section 10 of the Plan and (b) an executed Joinder Agreement and a Spousal Consent, if applicable, pursuant to Section 17 of this Option. Subject to the Plan and to Section 14 hereof, as soon as practicable after its receipt of such items, the Company shall deliver to the Optionee (or other person entitled to receive the shares of Stock issuable upon exercise of this Option), at the principal executive offices of the Company or such other place as may be mutually acceptable, a certificate or certificates for such shares out of theretofore authorized but unissued shares or reacquired shares of Stock, as the Company may elect; provided, however, that the time of such delivery may be postponed by the Company for such period as may be required for it with reasonable diligence to comply with any applicable requirements of law. If the Optionee (or other person entitled to exercise this Option) fails to pay for and accept delivery of all of the shares specified in such notice upon tender of delivery thereof, his or her right to exercise this Option with respect to such shares not paid for may be terminated by the Company.

12. Forfeiture; Restrictions on Exercise. In addition to the restrictions set forth herein, this Option is subject to forfeiture upon the occurrence of the events specified in Sections 12 and 16 of the Plan. The stock issued upon the exercise of this Option may be subject to further restrictions set forth in Section 9 of the Plan and in the Stockholders Agreement.

13. Nonassignability of Option Rights. This Option shall not be assignable or transferable by the Optionee except by will or by the laws of descent and distribution. During the life of the Optionee, this Option shall be exercisable only by the Optionee or, in the event of the Optionee's legal incapacity, by the Optionee's legal representative.

14. Compliance with Securities Act. The Company shall not be obligated to sell or issue any shares of Stock or other securities pursuant to the exercise of this Option unless the shares of Stock or other securities with respect to which this Option is being exercised are at that time effectively registered or exempt from registration under the Securities Act of 1933, as amended, and applicable state securities laws. In the event shares or other securities shall be issued which shall not be so registered, the Optionee hereby represents, warrants and agrees that he or she will receive such shares or other securities for investment and not with a view to their resale or distribution, and will execute an appropriate investment letter satisfactory to the Company and its counsel as a condition precedent to any exercise of this Option in whole or in part.

15. Legends. The Optionee hereby acknowledges that the stock certificate or certificates evidencing shares of Stock or other securities issued pursuant to any exercise of this Option will bear a legend setting forth the restrictions on their transferability described in Section 13 hereof, in Section 13 of the Plan, and under any applicable agreements between the Optionee and the Company or any of its stockholders.

16. Rights as Stockholder. The Optionee shall have no rights as a stockholder with respect to any shares of Stock or other securities covered by this Option until the date of issuance of a certificate to him or her for such shares or other securities. No adjustment shall be made for dividends or other rights for which the record date is prior to the date such certificate is issued.

17. Certain Agreements. The Optionee hereby agrees to be bound by the terms and conditions of the Stockholders Agreement. The Optionee hereby further acknowledges and agrees that the Option and the shares of Stock issuable upon exercise of the Option are and shall be subject to the terms and provisions of the Stockholders Agreement; provided, however, that, in case of any conflict between this Option Agreement and the Stockholders Agreement, this Option Agreement shall control. Upon the Optionee's exercise of the Option in accordance with Section 11 hereof, the Optionee agrees to execute a Joinder Agreement to the Stockholders Agreement in the form as determined by the Committee in its sole discretion and agrees to have his or her spouse, if applicable, execute a spousal consent by which Optionee's spouse acknowledges and consents to the restrictions set forth in such Stockholders Agreement (the "**Spousal Consent**").

18. Equity Transfer in Connection with an Approved Sale. Consistent with the requirement set forth in the Stockholders Agreement, the Optionee agrees that to the extent required by a buyer in connection with an Approved Sale (as defined in the Stockholders Agreement) the Optionee shall exchange up to twenty percent (20%) of the shares of Stock purchased as a result of the exercise of this Option for equity in the buyer (or its affiliates) in connection with such Approved Sale.

19. Confidentiality; Non-Competition; Non-Solicitation.

(a) Definitions. For purposes of this Section 19, the following terms shall have the following meanings unless the context indicates otherwise:

"**Applicable Area**" means with respect to an Optionee, (a) "Applicable Area" as such term is defined in such Optionee's employment agreement, if any, with the Company or any Related Entity, or (b) in the absence of such agreement, anywhere in the States of California, Nevada and Arizona.

"**Business**" means the business of providing professional medical, clinical, ancillary, and related services similar to those provided by the Company or its Subsidiaries, including oncology/cancer care, infusion, laboratory, pharmacy, physician dispensing, wellness, and clinical trials and research services, and any related management and administrative services, as well as any other line of business actually engaged in, or actively considered, by the Company or its Subsidiaries as of the last day Optionee holds this Option.

"**Governmental Body**" means any federal, state, local or foreign government or quasi-governmental authority or any department, agency, subdivision, court or other tribunal of any of the foregoing.

"**Order**" means any order, award, injunction, judgment, ruling or decree entered, issued, made or rendered by any Governmental Body or arbitrator.

(b) Confidentiality. The Optionee recognizes and acknowledges that Optionee has and may in the future receive certain confidential and proprietary information and trade secrets of the Company and its Subsidiaries (the "**Confidential Information**"), and that such Confidential Information constitutes valuable, special and unique property of the Company. The term Confidential Information will be interpreted to include all information of any sort (whether merely remembered or embodied in a tangible or intangible form) that is (i) related to the Company's and its Subsidiaries' current or potential business (including information received by the Company or any of its Subsidiaries for third parties), and (ii) is not generally or publicly known. Optionee agrees not to disclose or use for Optionee's own account any Confidential Information without the Board's prior written consent, except (x) to the extent that any Confidential Information becomes generally known to and available for use by the public other than as a result of Optionee's acts or omissions; (y) to the extent that any Confidential Information is required to be disclosed pursuant to any applicable law or court order; or (z) to the Optionee's attorneys and accountants; provided, that, in the case of subsection (z) hereof, the Optionee shall cause each Person receiving such Confidential Information to be informed that such Confidential Information is strictly confidential and subject to this Agreement and to agree not to disclose or use such information except as provided herein. The Optionee acknowledges and agrees that all notes, records, reports, sketches, plans, unpublished memoranda or other documents, whether in paper or electronic form (and copies thereof), held by the Optionee concerning any information relating to the Company's and its Subsidiaries' business, whether confidential or not, are the property of the Company and will be promptly delivered to it upon the termination of the Optionee's ownership of the Optionee Securities.

(c) Nonsolicitation. During the Restricted Period, each Optionee shall not, directly or indirectly, in any manner (whether on such Optionee's own account, as an owner, operator, officer, director, partner, manager, employee, agent, contractor, consultant or otherwise): (i) recruit, solicit or otherwise attempt to employ or retain or enter into any business relationship with any current or former employee or independent contractor of or consultant to the Company or any Related Entity; (ii) induce or attempt to induce any current or former employee or independent contractor of, or consultant to, the Company or any Related Entity, to leave the employ of the Company or any such Related Entity, or in any way interfere with the relationship between the Company or any Related Entity and any of their employees, independent contractors or consultants (in the case of (i) or (ii), a "**Solicitation**"); (iii) employ or retain or enter into any business relationship with any Person who was an employee or independent contractor of or consultant to the Company or any Related Entity; (iv) call on, solicit or service any Customer with the intent of selling or attempting to sell any service or product similar to the services or products sold or provided by the Company or any Related Entity, or (v) in any way interfere with the relationship between the Company or any Related Entity and any Customer, supplier, provider, licensor, licensee or other business relation (or any prospective customer, supplier, provider, licensor, licensee or other business relationship) of the Company or any Related Entity (including, without limitation, by making any negative or disparaging statements or communications regarding the Company, any Related Entity or any of their operations, officers, directors or investors).

(d) Noncompetition. During the Restricted Period, the Optionee shall not, directly or indirectly, in any manner, anywhere in the Applicable Area (whether on the Optionee's own account, or as an employee, consultant, agent, partner, manager, joint venturer, owner, operator or officer of any other Person, or in any other capacity):

i) act in a capacity, or provide services, for any business that is the same as, or substantially similar to, the Business;

ii) act in a capacity, or provide services, for any business that directly or indirectly competes with the Business;

iii) act in a capacity, or provide services, for any business that directly or indirectly competes with any other business conducted by the Company or any Related Entity during the Optionee's employment with the Company or any Related Entity;

iv) supervise, manage or oversee others engaging in any of the activities described above;

v) act in a capacity or provide services in which the Optionee may disclose or use Confidential Information;

vi) engage in the Business or manage, control, participate in, consult with, or render services for, any other Person that engages in the Business;

vii) otherwise engage in any business, venture or activity that is competitive with the Business; or

viii) except as permitted below, own any interest in, consult with, render services to or otherwise assist any Person that does any of the foregoing.

Nothing herein will prohibit (i) the Optionee from being a passive owner of less than five percent (5%) of the outstanding stock of any class of a corporation which is publicly traded, so long as the Optionee has no active participation in the business of such corporation or (ii) [the Optionee from being permitted to work as a physician as an employee of a physician practice of which he is not an owner or manager or otherwise has the power or ability to control the management decisions of such physician practice.][4]

(e) Enforcement. If, at the time of enforcement of any provision of Sections 19(c) or (d), a court shall hold that the duration, scope or area restrictions stated therein are unreasonable under circumstances then existing, then the parties agree that the maximum duration, scope or area reasonable under such circumstances shall be substituted for the stated duration, scope or area and that the court shall be allowed to revise the restrictions contained therein to cover the maximum period, scope and area permitted by law. Because the Optionee has access to proprietary information and Confidential Information, the parties hereto agree that money damages would not be an adequate remedy for any breach of Sections 19(b), (c), or (d). Therefore, in the event of a breach or threatened breach of Sections 19(b), (c), or (d), the Company or any of its successors or assigns may, in addition to other rights and remedies existing in their favor, (i) attain specific performance and/or injunctive or other relief in order to enforce or prevent any violations of the provisions hereof (without posting a bond or other security and without proving actual damages) and (ii) if any shares of Stock have been issued to the Optionee upon the exercise of the Option, repurchase all or any portion of such shares of Stock at the Exercise Price of such shares of Stock. In addition, in the event of an alleged breach or violation by the Optionee of any provision of Sections 19(c) or (d), the Restricted Period shall be tolled until such breach or violation has been duly cured. The existence of any claim or cause of action by the Optionee against the Company or any of its affiliates, whether predicated on this Agreement or otherwise, will not constitute a defense to the enforcement by the Company of the provisions of Sections 18(b), (c), and (d), which Sections will be enforceable notwithstanding the existence of any breach by the Company. If the Company (x) brings any action or proceeding to enforce any provision of this Agreement or to obtain damages as a result of a breach of this Agreement or to enjoin any breach of this Agreement and (y) prevails in such action or proceeding, then the Optionee will, in addition to any other rights and remedies available to the Company, reimburse the Company for any and all reasonable costs and expenses (including attorneys' fees) incurred by the Company in connection with such action or proceeding.

[4] To apply to physician Optionees only.

(f) Further Acknowledgments. The Optionee expressly agrees and acknowledges that the restrictions contained in Sections 18(c) and (d) do not preclude the Optionee from earning a livelihood, nor do they unreasonably impose limitations on the Optionee's ability to earn a living. In addition, the Optionee agrees and acknowledges that the potential harm to the Company of the non-enforcement of Sections 18(c) and (d) outweighs any harm to the Optionee of his or her enforcement by injunction or otherwise. The Optionee acknowledges that the Optionee has carefully read this Agreement and has given careful consideration to the restraints imposed upon the Optionee, and is in full accord as to their necessity for the reasonable and proper protection of the Confidential Information. The Optionee expressly acknowledges and agrees that (i) each and every restriction imposed by this Agreement is reasonable with respect to subject matter and time period and such restrictions are necessary to protect the Company's interest in, and value of, the Company (including, without limitation, the goodwill inherent therein), and (ii) the Company would not have consummated the transactions contemplated herein without the restrictions contained in Sections 18(c) and (d). The Optionee understands and agrees that the restrictions and covenants contained in Sections 18(c) and (d) are in addition to, and not in lieu of, any non-competition, non-solicitation or other similar obligations contained in any other agreements between the Optionee and the Company.

20. Withholding Taxes. The Optionee hereby agrees, as a condition to the exercise of any portion of this Option, to provide to the Company an amount sufficient to satisfy its obligation to withhold any federal, state and local taxes arising by reason of such exercise (the "**Withholding Amount**") by (a) authorizing the Company to withhold the Withholding Amount from his or her cash compensation, or (b) remitting the Withholding Amount to the Company in cash; provided, however, that to the extent that the Withholding Amount is not provided by one or a combination of such methods, the Company in its sole and absolute discretion may refuse to issue such shares of Stock.

21. Effect Upon Employment. Nothing in this Option or the Plan shall be construed to impose any obligation upon the Company or any Subsidiary to employ or retain in its employ, or continue its involvement with, the Optionee or interfere in any way with any right of the Company or any of its Subsidiaries or affiliates to terminate such employment at any time for any reason whatsoever (whether for cause or without cause) without liability to the Company or any of its Subsidiaries or affiliates.

22. Time for Acceptance. This Option shall be effective as of the date an executed copy is delivered by the Company to the Optionee; provided, however, that unless the Optionee shall return to the Company an executed copy of this Option Agreement, and, if applicable, an executed spousal consent in the form attached hereto as Exhibit B, within fourteen (14) days after its delivery to him or her, the Option and this Option Agreement shall be null and void.

23. Amendment. This Option Agreement, including the Plan, contains the full and complete understanding and agreement of the parties hereto as to the subject matter hereof, and may not be modified or amended, nor may any provision hereof be waived, except by a further written agreement duly signed by the Company and the Optionee. The waiver by either of the parties hereto of any provision hereof in any instance shall not operate as a waiver or any other provision hereof or in any other instance.

24. Binding Effect. This Option Agreement shall inure to the benefit of and be binding upon the parties hereto and, to the extent provided herein and in the Plan, their respective heirs, executors, administrators, representatives, successors and assigns.

25. Option Plan; Construction. The Optionee hereby acknowledges receipt of a copy of the Plan. Except as otherwise provided in this Option Agreement, all of the terms and conditions of the Plan are incorporated herein by reference and this Option is subject to such terms and conditions in all respects. NEW YORK and LOS ANGELES, Nov. 15, 2021 (GLOBE NEWSWIRE) -- The Oncology Institute ("TOI" or "The Company"), the U.S. market leader in value-based oncology care, announced today that it has closed its previously announced business combination with DFP Healthcare Acquisitions Corp. Since our founding in 2007, we have provided high-quality cancer care to more than 150,000 patients in 50 locations across California, Nevada, Arizona, and Florida. As a public company, we look forward to bringing our proven model of individualized care plans, evidence-based medicine, and great symptom control to more patients throughout the nation."

patient satisfaction, which is disrupting the status quo in cancer care. We are excited to close this transaction, and I look forward to continuing to work alongside Brad and the management team to make high-quality, affordable cancer care a reality."
